About this Product Disclosure Statement and Policy Wording

We are required to give you a Product Disclosure Statement (PDS) if you are insuring:

- a home building under policy sections:
 - a. 1. Fire and other damage
 - b. 3. Burglary; or
 - c. 5. Glass.

This PDS and policy wording has 3 parts:

- Part A contains information about your rights and responsibilities, the General Insurance Code of Practice and how to contact us if you have a question or complaint. Part A applies to all policy sections and should be read by all persons who take out this policy.
- Part B contains information that only applies to some policyholders. Section 1 contains information for persons insuring a home building. Section 2 provides additional information for these policyholders.
- Part C contains your Business Insurance for Professionals policy wording. It applies to all persons who take out this policy.

To understand the full terms and conditions of your policy you must read Part A and Part C.

If you are insuring a home building, you should also read the relevant sections of Part B.

Who is the insurer

This insurance is issued by GIO General Limited ABN 22 002 861 583 AFSL 229873.

Part A: Your rights and responsibilities

This part of your PDS applies to all policy sections described in Part C of your PDS. All policyholders need to read this Part A.

Your duty of disclosure

You must comply with your Duty of Disclosure when you apply for insurance with us and each time you renew or alter your cover.

You have a Duty of Disclosure to tell us everything you know or should know, that is relevant to our decision to insure anyone under the policy, including you, and on what terms. It includes matters we specifically ask about when you apply for a policy, or renew or alter your policy, and any other matters which might affect whether we insure you and on what terms.

The information you tell us can affect:

- a. the amount of your premium and your excess;
- b. if we will insure you; or
- c. if special conditions will apply to your policy.

You do not need to tell us of anything which:

- a. reduces the chances of you making a claim;
- b. we should know about because of the business you are in; or
- c. we tell you we do not want to know.

If you are unsure it is better to tell us. If you do not tell us something which you know or should know is relevant, we might reduce a claim, refuse to pay a claim, cancel your policy or, if fraud is involved, we can treat the policy as if it had never existed.

Not meeting your responsibilities

If you do not meet with your responsibilities outlined in your Business Insurance for Professionals Policy, or if you do not tell us everything relevant to our decision whether or not to insure you, or if you mislead us, we can refuse to pay a claim or reduce the amount we pay or cancel your policy.

If fraud is involved, we can treat your policy as if it never existed.

Cooling off period

You have the right to cancel and return the insurance policy or a section of the policy by notifying us in writing within 30 days of the date it was issued to you ("cooling off period"), unless you have a claim under the policy within the cooling off period.

If you cancel it in this time, we will return the amount you have paid.

In addition, if you vary your policy and add a section, you have the right to cancel that section within 30 days of the date it was added by notifying us in writing ("additional cooling off period") unless you make a claim under that section within the additional cooling off period. If it is cancelled in this time, we will return the amount you have paid for that section.

To cancel at other times, please see "Cancellations" on page 3.

The amount of your premium

The premium is the amount you pay us for this insurance. It includes stamp duty, GST, other government charges and fire services levy (FSL) that applies. Your premium is shown on your schedule.

The premium does not include any service or administration fee charged to you by your insurance intermediary.

In addition to the factors we use to calculate your premium, the discounts you qualify for also affect your premium. Your premium includes any discounts you qualify for and these are applied before adding applicable government charges.

We might advertise special offers and benefits from time to time. If we have a special offer available that is not in this PDS, we can give you a separate terms and conditions brochure about the offer if you ask us. These offers might be short-term and we can withdraw them at anytime.

Paying your premiums

We will tell you how much you have to pay and how much time you have for payment. You must pay your premium by the due date. For the first period of insurance, if you do not pay the premium owing by the due date, we can cancel your policy as set out in 'Cancellations' below. For renewal policies, if you do not pay your premium by the due date, then the renewal policy will not commence and your cover will end at the expiry of the previous period of insurance.

Paying by monthly instalments

If you pay your premium by monthly instalments and your payment is overdue we can:

- a. refuse to pay a claim if payment is **14 days** (or more) late; and
- b. cancel your policy if payment is a **month** (or more) late.

Cancellations

You can cancel your policy at any time. The cancellation takes effect on the date we receive your request.

We can cancel your policy at any time according to law. If you pay by monthly instalments and an instalment is unpaid for more than 1 month, we can cancel your cover.

If you cancel your policy we will refund the proportion of your premium for the unused period of insurance less any non-refundable government charges.

If we pay out a claim for the full **sum insured** on your building, that cover ends. Any policy section, Extra cover, Additional benefit or Optional cover for that cover also ends. If your policy ends for this reason, we do not refund any premium for an unexpired period of insurance. If you have been paying premiums by monthly direct debit instalments, we will deduct the remaining instalment premiums due for the unexpired period of insurance from the amount we pay for the claim.

Excess

This is the amount you have to pay if you suffer loss, damage or liability which leads to a claim under your policy.

The amount and type of excess that applies to your policy is shown on your schedule.

If you claim under more than one policy section for one incident or event, then you only pay the largest excess that applies.

Fraudulent claims

If you or anyone acting on your behalf or with your knowledge, makes a claim that is false or causes loss or damage deliberately, we may do one or more of the following:

- a. refuse to pay a claim
- b. cancel your policy
- c. take legal action against you.

Other information

GST and your sum insured

You must inform us of the extent to which you are entitled to an input tax credit for that GST amount each time that you make a claim under this policy. No payment will be made to you for any GST liability that you may have on the settlement of a claim if you do not inform us of your entitlement or correct entitlement to an input tax credit.

If you are not entitled to an input tax credit on your policy premium, all sums insured and limits of liability stated in your policy are GST inclusive (unless your policy states otherwise).

If you are entitled to an input tax credit on any part of the policy premium you paid, the sums insured and limits of liability stated in your policy are exclusive of GST to the extent of your input tax credit entitlement.

The amount we pay you for any claim will be calculated taking into account any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or which you would have been entitled were you to have made a relevant acquisition.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your particular circumstances.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA by:

- Telephone 1300 55 88 49
- Website www.apra.gov.au

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. A copy of the Code can be obtained from the Insurance Council of Australia by:

Terrorism Insurance Act 2003

Some sections of this policy exclude cover for losses as a result of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003. The operation of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the Terrorism Insurance Act 2003 can be obtained at www.arpc.gov.au.

Updating information

You can obtain a copy of updated information by contacting us on 13 14 36. We will give you a free paper copy of any updates if you request them. If it becomes necessary, we will issue a supplementary or replacement PDS.

Part B: Information for some policyholders only

This Part of your PDS only applies to those policyholders who are insuring a home building and only those policyholders need to read it. This Part applies when you are insuring a home building under one (or some) of the following policy sections described in Part C of your PDS:

- Fire and other damage (Policy Section 1)
- Burglary (Policy Section 3)
- Glass (Policy Section 5)

Home building means a building which is used or intended to be used principally and primarily as a place of residence.

An example of what is considered a home building is where the building is a commercial premise, but you may also live in the building, or you rent part of the building for residential use.

If the building is only used by you for residential purposes, it cannot be insured under our Business Insurance for Professionals policy.

The types of cover you can choose to insure your home building

The tables below summarise the cover available under Policy Sections 1, 3 and 5 when you are insuring a home building.

For full details of the covers, options, conditions, limitations and exclusions and the amounts we will pay for any claim for loss or damage to your home building, please read the relevant policy sections in Part C of this PDS. The relevant policy sections also include examples designed to assist you in understanding the significant benefits of the section and how claims are calculated.

Policy Section 1: Fire and other damage

- fire
- escape of molten material from its intended confines at the situation
- lightning or thunderbolt
- explosion or implosion
- storm, wind and rain (including snow, sleet or hail but excluding **flood**)

Information about the cost of the insurance for your home building

If you are insuring a home building under sections 1, 3 or 5 we are required to provide you with information about the costs, fees and charges that you might have to pay for this insurance.

The premium payable for this insurance will be shown on your schedule. Premiums include applicable Commonwealth and State taxes and charges, such as GST and Stamp duty. The amount of taxes and charges will be shown on your schedule.

How we calculate premiums

We calculate the total premium to be collected from policyholders by considering:

- the total cost of current and future claims; and
- our business expenses, including administration costs, profit margins and payments we make to intermediaries.

The premium paid by you for policy sections 1, 3 and 5 is calculated using a wider range of factors called rating factors. Some of these are outlined below.

Rating factor	Lower premium	Higher premium
The amount of your sum insured	Lower sum insured	Higher sum insured
Post code	Low risk post code	High risk post code
Optional insurance	None taken	All taken
Voluntary excess	Voluntary excess	Low or no excess
Occupation/use	Low risk occupation/use	High risk occupation/use
Endorsements	Reduces our risk or your cover	Increases our risk or your cover
Number of policy sections insured*/years insured	More sections, renewed a number of years	Less sections, new business
Building materials	More fire resistant materials (for example concrete)	Less fire resistant materials (for example wood)
Fire protection (Policy Section 1 Fire only)	More or better fire protection (for example sprinkler systems)	Less protection
The building location	Low risk location	High risk location
Number of situations	Fewer situation	More situation
Security measures	More effective security systems (for example alarms)	Less effective security systems
Our expenses of doing business with you including payments to intermediaries	Low expenses	High expenses

Why the cost of insurance can change

Your insurance premium can change during your policy period if the circumstances or risks covered by your policy change. For example, your premium will change if you change the use of your **situation** or add new covers to your policy. Also, each time you renew your insurance your premium is likely to change, even if your circumstances or the risks covered by your policy have not changed. This is because premiums are affected by:

- The total cost of current and future claims
- The cost of claims we expect to pay in the future
- Any changes in government taxes or charges
- Our expenses of doing business.
- Whether indexation is shown on your schedule.

We may “cap” the amount of any increase on renewal. This means we pass only part of the increase on to you.

Premium discounts

At times, we may offer premium discounts to particular customers – for example, those who take out insurance within a specified period, or people who have multiple policies with us.

The amount and type of discounts can change over time. We can vary or withdraw a discount at any time. Changes will not affect the premium for an existing policy during its current **period of insurance**.

For details of any discounts that may be available and the dollar difference these would make to your premium, please ask us when you obtain a quote or before renewing your policy.

Other costs fees and charges

The costs, fees and charges that you might have to pay for **home building** insurance are listed in the table below.

Type of cost, fee or charge	Details
Pay by the month fees	The fee for paying by the month is \$2.75 per month, including GST and is included in your monthly payment.
Excess	The amount which is payable by you if you make a claim. The amount of excess for each policy section is shown on your schedule or within this PDS .
Non-refundable premium	If you cancel your policy we will refund the proportion of your premium for the unused period of insurance less any non-refundable government charges.

Part C: Your business insurance policy

Important information

1. Your policy

Based upon the information provided by you and subject to the premium being paid, we agree to insure you during the **period of insurance**. Your **period of insurance** starts on the date shown on your **schedule** and finishes at 4:00pm on the expiry date shown on your **schedule**.

Your policy is made up of this **PDS**, any applicable **SPDS**, the **schedule** and any **endorsements**. These should be read and kept together.

Your policy only includes cover under those policy sections that are shown as insured on the **schedule** and for those optional insurances that are shown on your **schedule**.

2. Who is insured?

The policy provides insurance only for the parties shown on the **schedule** unless otherwise stated in individual policy sections.

3. Policy limits

We will not pay any more than the sum insured or **limit of liability or sub-limit** for each policy section, part of a policy section or individual item or cover that is shown on your **schedule**, unless we specifically state otherwise in your policy.

4. General provisions

The general conditions, general definitions, general claims conditions, and general exclusions form part of this policy. These apply to each of the policy sections, including any extra covers, additional benefits or optional insurances in those policy sections.

Specific conditions, definitions and exclusions also apply to individual policy sections and any extra covers, additional benefits or optional insurances in those policy sections.

Some words used in this policy have special meanings. These words are in **bold**. The words we have defined are listed in either the General Definitions section on pages 21 to 25 or the Definitions section in the applicable policy section.

General policy conditions

These conditions apply to all policy sections.

1. Change to risk

Our decision to insure you, and the premium that we charge you, is based on information provided by you about your **business** and **property insured**. Your insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the policy change during the **period of insurance**, including, for example:

- a. the nature of or type of **business** carried on by you or your tenants. For tenanted **buildings** the occupation and activities carried on by the tenants is material to the premium that we charge you and our decision to insure you;
- b. other circumstances that affect the **situation** or the **property insured** in such a way as to increase the risk of **damage** or **losses**;

- c. your interest in the policy ceases, including by operation of law; and
- d. the **business** is wound up or carried on by an insolvency practitioner or permanently discontinued.

You must immediately notify us of any changes to a., b., c. or d. or any other changes that may increase the risk insured under your policy.

If you are a property owner insuring **buildings** that you lease, our decision to insure you and the premium we charge you will take into account information about your tenants and how the **building** is used that you tell us when you apply for a policy with us, during the **period of insurance** and at each renewal. For this reason it is important that you tell us as soon as these things change.

For example, if your **building** has three tenants (an accountant's office, a jeans retailer and a sandwich bar), we will calculate your fire premium on the sandwich bar, as it is more hazardous than either of the other two occupations. If during the **period of insurance** the sandwich bar closes down and a menswear shop open, then you must notify us of the change and we will calculate your fire premium either using the jeans retailer or menswear occupation.

If we agree to the changes you tell us about we will do so in writing. In some cases, we may only agree to continue to insure you under this policy if you agree to pay us additional premium.

2. The amount of cover

If you are not entitled to an **input tax credit** on your policy premium, all **sums insured** and **limits of liability** stated in your policy are GST inclusive (unless your policy states otherwise).

If you are entitled to an **input tax credit** on any part of the policy premium, the **sums insured** and **limits of liability** stated in your policy are exclusive of any **input tax credit** which you are or would be entitled to claim.

3. Reasonable care and reducing risk

You must take all reasonable steps to ensure that you and your tenants:

- a. maintain **buildings**, structures, fixtures, fittings, furnishings, appliances, **machinery**, implements and plant in sound condition to minimise or avoid theft, **loss** or **damage**;
- b. ensure that only competent employees are employed;
- c. avoid or minimise **loss** of or **damage** to property or injury to other people;
- d. comply with all statutory obligations, by-laws, regulations, public authority requirements and safety requirements;
- e. obtain certificates of inspection for all equipment required by any statute or regulations to be certified; and
- f. comply, at your expense, with all our recommendations to prevent or minimise theft, **loss** or **damage**.

4. Hazardous or dangerous goods

When hazardous or dangerous goods are used by the **business** or stored at any **situation** shown on the **schedule**, then such goods must be stored and used strictly in accordance with all statutory obligations, by-laws, regulations, public authority requirements and safety requirements.

5. Other interests

You must tell us in writing of the interest of all third parties (for example, banks or lessors) when you want their interest in any item insured under any policy section in this policy covered. If a person is not named or noted on the policy, they are not insured and cannot make a claim.

This means we will need to record the interest of the third party for those interests to be covered.

The third parties must comply with all the terms and conditions of your policy, including without limitation, the obligation to notify us and give us details of any other insurance that insures any risk insured by this policy.

6. Transfer of interest

No interest in this policy can be transferred without our written consent.

7. Unoccupancy

You must ensure that any **building** at the **situation** does not stay unoccupied or, if you are the building owner, untenanted, for a continuous period of 60 days or more. You are not insured while the **building** is unoccupied for a period of 60 days or more, unless we agree to insure you. If any **building** will or is likely to be unoccupied or untenanted for such a period, you must notify us immediately. If you notify us that the **situation** will be unoccupied or untenanted for a continuous period of 60 days or more and we agree to continue to insure you under this policy during the period where the **building** is unoccupied or untenanted, we will tell you in writing. You may be required to pay an additional premium and we may apply different conditions and impose a higher **excess** if we agree to this.

8. Notification of other insurance

If there is any other insurance that insures any risk insured by this policy, you are required to notify us and give us details of the other insurance.

9. Changes in or waivers of the policy

No changes in the policy will be valid unless agreed in writing by us.

No waiver of any requirements of any policy section shall be valid unless it is given to you in writing.

10. Multiple insured parties

- c. any claim made by any person or organisation will be deemed to be a claim made by all of you.

General claims conditions

These conditions apply to all policy sections.

1. Claim notification

If any **event** occurs which gives rise or may give rise to a claim you are required to:

- a. take all reasonable precautions to minimise or prevent further **loss, damage**, injury or illness;
- b. notify us as soon as possible and give us all the known details of the **event**;
- c. immediately send us any legal document or other communication you receive about the claim, including any legal proceedings brought against you;
- d. take all reasonable steps to recover **lost** or stolen **property insured**;
- e. notify the police immediately following a theft or burglary or if any **property insured** is misappropriated, lost or maliciously damaged;
- f. supply us with all the information and documentation that we request. If we ask you for a statutory declaration verifying the details of your claim and any other matters connected with it, you must provide it;
- g. if you make a claim for property that is lost, stolen or damaged, you must supply proof of your ownership or legal responsibility for such **property insured** and evidence of its value, if we ask for it. We will decide what is acceptable proof of ownership and value for any **property insured** based on what **property insured** you are claiming for, how old the item is and its residual value. We understand you may not keep such information for every business item you own, especially if items are recorded in your books of account. You or your accountant may have records for tax purposes and these may be sufficient to prove ownership;
- h. supply us with details of any other insurance that insures or may insure the **event**;
- i. not authorise the repair or replacement of anything without our agreement;
- j. retain and preserve all damaged property for our inspection prior to authorisation of repairs unless alterations and repairs are immediately necessary, for safety reasons or to minimise or prevent further **loss, damage** or injury. If repairs are necessarily carried out without our prior approval, you are still required where reasonably practical, to retain and preserve all damaged property for our inspection;
- k. you are to use your best endeavours to preserve all property, products, plant and all other things that may assist us in investigating or defending a claim against you, including assisting in determining if there are rights of recovery against another entity or person; and
- l. co-operate with us fully in any investigation, negotiation, defence or settlement of any claim. This may include attending court to give evidence.

2. Admitting liability

You must not admit liability for any **loss, damage** or injury, or settle or attempt to settle or defend any claim without our written consent.

3. Conduct of claims

- a. We may appoint legal or other representatives to assist in the conduct of a claim.
- b. We shall have the right and full discretion to conduct claims.
- c. We reserve the right to negotiate and settle any claim on terms we consider appropriate.

4. Paying your excess

You must pay the **excess** that applies to claims under this policy. We have no liability to you under this policy until you have paid the **excess**. The **excess** that applies will depend on the circumstances of the claim. The amount of the **excesses** and the circumstances that each **excess** applies to are shown on the **schedule** or set out in the applicable policy section. We will tell you how to pay your **excess** and who to pay it to. In some cases, we will direct you to pay the **excess** directly to a supplier or repairer.

5. ITC entitlement

If any event occurs which gives or may give rise to a claim you must tell us your entitlement to **input tax credits (ITC)** for your insurance premium if you are registered, or are required to be registered for GST purposes. If you do not inform us of your entitlement, or the information you give us is incorrect, we will not cover you for any resulting fines, penalties or tax liability you incur. When we calculate a payment to you for your claim, we can reduce it by any ITCs you are, or would be, entitled to receive.

6. Cash payments

Any cash payments made to you under this policy will be based on costs including GST. However, if you are, or would be, entitled to claim any **input tax credits** for the repair or replacement of the **property insured** or for other things insured by the policy we will reduce our payment to you by the amount of your **input tax credit** entitlement.

7. Rights of recovery

We have the right to take action or institute legal proceedings, in your name, for the recovery of payments made and expenses incurred in relation to any claim insured by this policy, against any person, company or entity legally liable to you in respect of that claim. You must provide us with full information and all reasonable assistance in the recovery of those payments or expenses.

You must not enter into any agreement or make any admissions that have the effect of limiting or excluding your rights and our rights to recover payments and expenses without first obtaining our approval in writing to do so.

8. Discharge of our liabilities

If, at any time, we pay you the **sum insured** or **limit of liability** for any claim under this policy, the future conduct of the claim then becomes your responsibility. We may also pay any extra covers, additional benefits or optional insurance that is in addition to the **sum insured** or **limit of liability**.

9. Our rights of possession

We, our employees or our agents have the right to enter any **building** or area where **loss** or **damage** has occurred and take possession of **property insured** or require the **property insured** to be delivered to us. We will deal with this property in a reasonable manner.

10. Salvage

After we have settled a claim by replacing a **damaged** item, if we so elect, the **damaged** or **lost property insured** (other than a **building**) becomes ours.

11. Claims preparation expenses

We will pay for accountant, claims consultants, surveyors, architects, engineers and other professional fees necessarily and reasonably incurred for the preparation of a valid claim made under this policy other than under policy section 2, policy section 7 or policy section 10.

The most we will pay is \$20,000 or 25% whichever is the lesser, of the total amount payable under the applicable section other than 2, 7 and 10 as a result of one incident or all incidents of a series consequent on, or attributable to, one source or original cause.

However, this extra cover does not operate to increase the total sum insured for the purposes of calculating the application of any extra cover or additional benefits or Policy Condition 1. We will not pay any claim under this extra cover if you choose not to rebuild the buildings (or any part of them) at the situation shown on your schedule . We will not pay any claim under this extra cover if your schedule shows the building as being insured for 'Indemnity'.

What we pay

The maximum we will pay for any one claim, other than a claim for a **specified item**, under this policy section is the **total declared value** as shown on the **schedule** or adjusted in accordance with this policy section, whichever is the higher.

For any item of **business contents** or for any **specified item** that is part of a pair or set we will pay the relevant limit that applies to the pair or set.

1. Building(s), specified items or business contents apart from stock and customers' goods

Unless the **schedule** shows you are insured for 'Indemnity' then, when **buildings, specified items** or **business contents** apart from **stock** and **customers' goods** are lost or destroyed we will, at our option:

- a. rebuild the **buildings** at the **situation** shown on your **schedule** or at another site;

Extra costs of reinstatement: Building is not a heritage building

If you are insured under this policy section on a reinstatement or replacement basis, we will also pay the extra cost of reinstatement or replacement of **buildings** which are necessarily incurred to comply with the requirements of any Act of Parliament or any by-law or regulation of any Municipal or other statutory authority, other than those relating to heritage status of the **building**.

The following conditions apply:

- a. the work of reinstatement must be commenced and completed within a reasonable time; and
- b. the amount payable will not include any additional costs in complying with any requirement that you had been required to comply with before the **loss** or **damage** occurred.

If the cost of reinstatement of the **building** is less than 50% of what would have been the cost of reinstatement if that **building** had been totally destroyed, then the amount we will pay will;

- a. be limited to the extra cost necessarily incurred in reinstating the **damaged** portion of the **building** only;
- b. not include any extra cost in relation to any portion of the **building** which is not **damaged**; and
- c. will not exceed, in any event, the amount that we would have paid if that **building** had been totally destroyed.

Extra costs of reinstatement: Heritage building

If you are insured under this policy section on a reinstatement or replacement basis for **loss** or **damage** to any **building** that is subject to any heritage listing or protection and you choose to rebuild, replace or repair the **building** at the same location, we will pay the extra cost of repairing, replacing, or reinstating the **building**, that are related to obtaining special materials or employing specialized labour to match up or reproduce unique or distinctive ornamental or architectural features of the **building** to comply with standards imposed by lawful heritage protection authority.

We will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed **building** to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

The following conditions apply:

- a. the work of reinstatement must be commenced and completed within a reasonable time; and
- b. the amount payable will not include any additional costs in complying with any requirement that you had been required to comply with before the **loss** or **damage** occurred.

2. Loss of floor space

If a **building** insured under this policy section on a reinstatement or replacement basis can only be rebuilt with a reduced floor space as a result of:

- a. an Act of Parliament or regulations; or
- b. a by-law or regulation of any Municipal or other statutory authority;

we will, in addition to reinstating or replacing the **building** on the basis set out above for the **building** with a reduced floor space, pay you the difference between:

- a. the actual cost of rebuilding the **building** with the reduced floor space; and
- b. the estimated cost of rebuilding the **building** with the floor space it had at the time of its destruction.

3. Stock and customers' goods

If **stock** or **customers' goods** are **lost** or **damaged**, we will, at our option:

- a. pay the market value of the **stock** or **customers' goods** at the time of the **loss** or **damage** up to but not exceeding the 'Business Contents' **sum insured** under the Fire and other damage section in the **schedule**;

- a. replace or repair the valves, tubes or light sources as far as possible to the condition they were at the time of **loss** or **damage**; or
- b. pay the cost of repair or replacement.

In either case, for valves, tubes and light sources we will reduce what we pay you to take into account wear and tear, depreciation and betterment.

Excess

You must pay the **excess** shown on the **schedule** that applies to a claim under this section.

If you are making a claim for **loss** or **damage** as a result of Earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these during any period of 72 consecutive hours, the **excess** for each claim is 1% of the total **sums insured** specified in the **schedule** that relate to the **damaged property** at the **situation** or \$20,000 whichever is the lesser, for each claim.

Policy section conditions

These conditions apply to all covers and claims under section 1- Fire and other damage.

1. Under-insurance

In the event of **loss** or **damage** covered under this section:

- a. for claims settled on a reinstatement or replacement basis, we will be liable for no greater proportion of the **loss** or **damage** than the **total declared value** specified in the **schedule** for all **property** at the **situation** where the **loss** or **damage** occurs, bears to 80% of the cost (net of any **input tax credit** that you could claim) which would have been incurred in reinstatement at the time when the policy was entered into, if the whole of the **property** had been destroyed at that time; or
- b. for claims settled on an indemnity basis, we will be liable for no greater proportion of the **loss** or **damage** than the **total declared value** specified on the **schedule** for all **property** at the **situation** where the **loss** or **damage** occurs, bears to 80% of the indemnity value (less any Goods and Services Tax component of that value) of the **property** at the time when the policy was entered into.

This condition does not apply if the amount of any **loss** or **damage** (net of any **input tax credit** that you could claim) is less than 5% of the **total declared value** specified on the **schedule** for all **property** at the **situation** where the **loss** or **damage** occurs.

2. Sprinklers and fire alarm systems

All fire protection systems (either manual or automatic sprinkler or alarm systems) in the **building(s)** and which you own or have responsibility for maintaining must be maintained in accordance with the Australian Standards Maintenance Series (A.S. 1851 or any subsequent amendments).

3. Indexation

If shown on the **schedule** or Business Insurance Application that indexation applies, we will automatically adjust the **total declared value**, shown on the **schedule**, each year according to the most appropriate price index (as determined by us) and any other relevant indices published by the Australian Bureau of Statistics.

The premium you pay will be based on the adjusted **total declared value** shown on the **schedule**.

4. Hazardous goods

Hazardous goods used in the **business** must be stored in quantities and manner as permitted by statutory obligations, by-laws, regulations, public authority requirements and safety requirements.

Worked dollar examples

The following worked dollar examples are designed to assist you in the understanding some of the important benefits in this policy section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of your policy terms and conditions. The following examples should be used for general guidance only.

You have cover for a building that is used as both an accountant's office and your residence. For this reason it is a **home building**. Indemnity is not shown on your **schedule**, so you have cover on a replacement value basis. The **total declared value** on the **schedule** is shown as \$400,000 (the total of the **sum insured** shown on your **schedule** for the **building** of \$380,000 and **business contents** of \$20,000) and the **excess** shown on the **schedule** is \$250. When setting the 'Building' **sum insured**, you must consider the costs to remove debris and payment of any architect fees. The **building** is **damaged** in a storm and we assess the cost of repairs to be \$50,000.

How much we pay		Further information
Cost of repairing the storm damage to your building	\$50,000	We normally decide the building is repairable if the cost of repairing the building is less than the sum insured (in this example the sum insured is \$380,000).
Removal of debris	+\$30,000	In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most we will pay under the removal of debris benefit is \$50,000 in addition to the total declared value . However, as the total declared value has not been exhausted, we will pay up to any unexhausted amount remaining from the total declared value , which in this case is \$30,000.
Less excess	-\$250	We deduct this from the amount we pay. We may require you to pay this amount directly to the repairer.
Total claim	\$79,750	We normally pay this amount directly to the repairer.

Underinsurance on a partial **loss**

In the above example, if the actual replacement value of the **building** at the time the policy was entered into was \$580,000 but you had only insured the **building** and **business contents** for \$400,000 the amount we pay will be reduced in accordance with the underinsurance condition in this policy section.

The amount we would pay before we deduct the **excess** will be calculated as follows:

$$\text{Total claim of } \$80,000 \times \frac{\$400,000}{(80\% \times \$580,000)} = \$68,966$$

You have cover for a **building** that is used as both an architect’s office and your residence. For this reason it is a **home building**. Indemnity is not shown on your **schedule** so you have cover on a replacement value basis. The **sum insured** on the **schedule** is shown as \$2,500,000 and the **excess** shown on your **schedule** is \$250. The **building** is **damaged** in an earthquake and we assess the cost of repairs to be \$1,000,000.

How much we pay		Further information
Cost of repairing the damage to your building that arose from the earthquake	\$1,000,000	We normally decide the building is repairable if the cost of repairing the building is less than the sum insured (in this example the sum insured is \$2,500,000).
Removal of debris	\$40,000	In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most we will pay under the removal of debris benefit is \$50,000 in addition to the total declared value . However, as the total declared value has not been exhausted, we will pay up to any unexhausted amount remaining from the total declared value .
Less excess	-\$20,000	Because the damage is caused by an earthquake an excess of 1% of the sum insured (up to a maximum of \$20,000) applies. In this example 1% of the sum insured is \$25,000 so the maximum limit of \$20,000 will apply.
Total claim	\$1,020,000	We normally pay this amount directly to the repairers.

Worked dollar examples

The following worked dollar examples are designed to assist you in the understanding some of the important benefits in this policy section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of your policy terms and conditions. The following examples should be used for general guidance only.

You have cover for property that you use away from the **situation** from which you operate your **business**. You have specified a laptop computer, detailing the model and serial number worth \$3,000, a mobile phone worth \$1,000 and some unspecified measuring tools that in total are worth \$3,500. Your locked car is broken into and the insured laptop, a laptop worth \$2,900 that is usually at the **situation**, the mobile phone, a laser leveling device worth \$2,600, and a digital measuring laser device worth \$655 are stolen. Your **excess** is \$200.

How much we pay		Further information
Specified laptop	\$3,000	We may pay this amount directly to the suppliers
2nd laptop	\$0	The laptop worth \$2,900 is not specified on the schedule and as a result is not covered. This item must be specified on the schedule . The item is not covered.
Laser leveling device	\$0	This device is worth more than \$2,500 and as a result cannot be covered as an unspecified item. This item is not specified on the schedule and as a result is not covered.
The mobile phone	\$1,000	The phone is specified on the schedule , as required by the policy. We may pay this amount directly to the suppliers.
Digital measuring laser device	\$655	The item of property is worth less than \$2,500 and falls within a class of unspecified items described on the schedule . We may pay this amount directly to the suppliers.
Less excess	-\$200	This is the excess shown on your schedule .
Total claim	\$4,455	We may pay this amount directly to the suppliers.

If all of the property was stolen from the **situation** following forcible entry after hours and you have a burglary cover covering \$10,000 of contents, then we would pay \$2,900 for the 2nd laptop. There would be no **excess** on the amount paid under the burglary cover, as we only apply one **excess** for the **event**.
