PRODUCT DISCLOSURE STATEMENT AND
POLICY WORDING

Claims made and notified basis of cover

This notice is in relation to Policy Section 7 – Management Liability and Policy Section 14 – Professional Services only and does not form part of the PDS or policy.

Policy Section 7 – Management Liability (excluding Optional Insurance 1 – Employee Dishonesty) and Policy Section 14 – Professional Services are issued on a “claims made and notified” basis. This means that Policy Section 7 – Management Liability (excluding Optional Insurance 1 – Employee Dishonesty) and Policy Section 14 – Professional Services respond to claims first made against **you** during the period of insurance and notified to **us** during the period of insurance, provided that **you** were not aware, or did not notify **us**, at any time prior to the policy inception of circumstances which would have put a reasonable person in **your** position on notice that a claim may be made against them.

Section 40(3) of the *Insurance Contracts Act 1984* may apply to any written notification of facts. The facts that **you** may decide to notify within the period of insurance are those which might give rise to a claim against **you**. Such notification must be given as soon as reasonably practicable after **you** become aware of the facts and prior to the time at which **your** policy expires. If **you** give written notification of facts your policy may respond even though a claim arising from those facts is made against **you** after **your** policy has expired.

When the period of insurance expires, no new notification of facts that may give rise to a claim against **you** can be made under Policy Section 7 – Management Liability or Policy Section 14 – Professional Services of the expired policy, even though the facts giving rise to the claim against **you** may have occurred during the period of insurance.

If you notify a claim first made against **you** during the period of insurance under these Policy Sections, after the period of insurance expires, **our** liability may be reduced by an amount that fairly represents the extent to which our interests were prejudiced as a result of **your** delay in notifying **us** of the claim as soon as reasonably practicable within the period of insurance.

Exceptions to this are Additional Benefit 12 – Retired directors and officers and Additional Benefit 13 – Automatic Discovery Period of Policy Section 7 – Management Liability, under which some cover for new notification of claims or facts is available. Please refer to pages 88 and 89 for details of these Additional Benefits and when they apply.

Optional Insurance

This **PDS** has a number of Optional Insurances which, for an additional premium and subject to any conditions that apply, **you** can choose to include in **your policy**. If included, these will be shown on **your policy schedule**.

When **we** send **your** renewal offer, it will usually include **your** previously selected Optional Insurances. Contact **us** to remove or add any Optional Insurance.

PART B: YOUR RIGHTS AND RESPONSIBILITIES

This part applies to all Policy Sections of **your PDS** and Policy Wording. All policyholders need to read Part B.

Your duty of disclosure

Before **you** enter into an insurance contract **you** have a duty to tell **us** anything **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract. **You** do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for;
- is common knowledge;
- **we** know or should know as an insurer; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Cooling off period

You have the right to return the **policy** or a Policy Section of the **policy** by notifying **us** in writing within thirty (30) days of the date it was issued to **you** (“cooling off period”), unless **you** have a claim under the **policy** or that Policy Section within the cooling off period. If **you** return **your policy** or remove a Policy Section during the cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for the **policy** or that Policy Section.

In addition, if **you** vary **your policy** and add a Policy Section, **you** have the right to remove that Policy Section within thirty (30) days of the date it was added by notifying **us** in writing (“additional cooling off period”), unless **you** make a claim under that Policy Section within the additional cooling off period. If **you** remove the added Policy Section during the additional cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for that Policy Section.

To cancel at other times, please see “Cancellation” on page 7.

The amount of your premium

The premium is the amount **you** pay **us** for this insurance. It includes stamp duty, GST and any other government charge or levy that applies. **Your** premium is shown on **your policy schedule**.

The premium does not include any service or administration fee charged to **you** by **your** insurance intermediary.

In addition to the factors **we** use to calculate **your** premium, the discounts **you** qualify for also affect **your** premium. **Your** premium includes any discounts **you** qualify for and these are applied before adding applicable government charges. **We** might also advertise special short term offers and benefits from time to time.

Paying your premium

We will tell **you** how much **you** have to pay and how much time **you** have for payment.

You must pay **your** premium by the due date. For the first **period of insurance**, if **you** do not pay the premium owing by the due date, **we** can cancel **your policy**.

For renewals of policies paid annually, if **you** do not pay **your** premium by the due date, then **you** have no cover from the due date.

If **you** change **your policy**, **you** may be entitled to a partial refund of premium or be required to pay an additional premium.

Paying by monthly instalments

If **you** pay **your** premium by monthly instalments and a monthly instalment is overdue **we** will let **you** know, and **we** can cancel **your policy**:

- by giving **you** at least 14 days advance notice; or
- without advance notice, once an instalment is one (1) month (or more) overdue.

Cancellation

You can cancel **your policy** at any time. **You** can specify a future date from which **you** would like to cancel **your policy**. If **you** do not specify a date then the cancellation takes effect on the date **we** receive **your** request. If **you** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive).

If **you** pay by instalments, on cancellation **you** agree to pay **us** any portion of the premium that is owing but not yet paid and that amount is due and payable.

We can cancel **your policy** when the law allows **us** to. If **we** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive). If **we** cancel **your policy** due to fraud, **we** will not refund any money to **you**.

If **we** pay out a claim for the full **sum insured** on **your building**, whether by reinstatement or replacement or by a payment to **you**, that cover ends. Any Policy Section, Extra Cover, Additional Benefit or Optional Insurance for that cover also ends.

If **we** pay out a claim for a **total loss** on **your vehicle** by a payment to **you**, that cover ends. Any Policy Section, Extra Cover, Additional Benefit or Optional Insurance for that cover also ends.

When **your policy** ends as a result of **us** paying out a claim for the full **sum insured** on **your building** or **we** pay out a **total loss** of **your vehicle**, **we** will not refund any premium for an unexpired **period of insurance**. If **you** have been paying **your** premium by monthly direct debit instalments, **we** will deduct the remaining instalment premiums due for the unexpired **period of insurance** from the amount **we** pay for the claim.

Retroactive date and exclusions of prior acts

A retroactive date applies to Policy Section 7 – Management Liability. This means that it does not cover **loss** resulting from any **wrongful act** occurring or committed prior to the retroactive date specified in **your policy schedule**. Policy Section 7 also excludes cover for any **wrongful act** occurring or committed by a **subsidiary** or its directors, officers or employees prior to its acquisition or creation by **you**.

A retroactive date applies to Policy Section 14 – Professional Services. This means that it does not cover any claim that resulted from an act, error or omission occurring, committed or alleged to have been committed prior to the retroactive date specified in **your policy schedule**.

Excess

This is the amount **you** have to pay if **you** suffer **loss, damage** or incur liability which leads to a claim under **your policy**.

The amount and type of **excess** that applies to **your policy** is shown either in Part D: “Your Motor Trade Business Protect Policy Wording” of this document or on **your policy schedule**.

For some types of cover, Extra Cover or Additional Benefit, the **excess** that applies may be higher than, or in addition to, the one shown in **your policy schedule**. If this is the case this will be stated in the applicable Policy Section.

If **you** claim under more than one Policy Section for one incident or **event**, then **you** only pay the largest applicable **excess**, unless expressly stated otherwise in the **policy**.

Fraudulent claims

If **you**, or anyone **you** authorise to act on **your** behalf, or with **your** knowledge or consent, makes a claim that is false or causes **loss** or **damage** deliberately, **we** may do one or more of the following:

- refuse to pay a claim;
- cancel **your policy**; or
- take legal action against **you**.

OTHER INFORMATION

The Goods and Services Tax (GST) and your sum insured

The premium will include an amount of GST.

You must tell **us** about the **input tax credit (ITC)** **you** are entitled to for **your** premium and **your** claim, each time **you** make a claim. If **you** do not give **us** this information or if **you** tell **us** an incorrect **ITC**, **we** will not pay any GST liability **you** incur.

If a **vehicle** is a **total loss** **we** will reduce any payment **we** make by an amount equal to **your ITC** entitlement, if any (unless **your policy** states otherwise).

Our liability to **you** will be calculated taking into account any **ITC** to which **you** are entitled for any acquisition which is relevant to **your** claim, or to which **you** would have been entitled had **you** made a relevant acquisition.

In respect of **your policy**, where **you** are registered for GST purposes **you** should calculate the **sum insured** or **limit of liability** having regard to **your** entitlement to **input tax credits**. **You** should, therefore, consider the net amount (after all **input tax credits**) which is to be insured and determine a **sum insured** or **limit of liability** on a GST exclusive basis.

This outline of the effect of the GST on **your policy** is for general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **your** circumstances.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA. Information about the FCS can be obtained from APRA by:

If the **building** is only used by **you** for residential purposes, it cannot be insured under this product.

B. **vehicles** (not exceeding 2 tonnes) under Policy Section 11 – Commercial Motor; or

C. **customer's vehicles** not exceeding 2 tonnes (vehicles owned by **your** customer whilst in **your** care, custody or control in the course of **your** business for servicing, repair, road testing, maintenance, alteration, inspection, valuation, testing or delivery including those **customer's vehicles** fitted with a trade plate), under Policy Section 12 – Customer's Vehicles,

and **you** are:

- an individual; or
- a small business having:
 - in the case of a non-manufacturing business, less than 20 employees; or
 - in the case of a manufacturing business, less than 100 employees.

You need to read this Part if it applies to **you**.

Policy Section 1 – Property Damage

You may insure a **home building** under this Policy Section, if used for a business, for **loss** or **damage** caused by an insured event during the **period of insurance**. If **you** lease out **your building**, then **your** landlord's fixtures and fittings, including floor coverings, are insured as part of **your building**. **You** cannot insure a **home building** under this Policy Section unless **you** own the **building**.

Provided none of the exclusions listed in Policy Section 1 – Property Damage apply, **you** are covered for **loss** or **damage** caused by the following insured events:

- fire;
- escape of molten material from its intended confines at the **premises**;
- lightning or thunderbolt;
- explosion or implosion;
- storm, wind and rain (including snow, sleet or hail but excluding **flood**);
- water damage;
- impact;
- riot or civil commotion;
- malicious damage (including by vandals and thieves);
- earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these; and
- accidental damage (sub-limit applies).

Policy Section 2 – Theft

If **you** insure **electronic equipment**, **contents** or **stock** against **theft** under this Policy Section, **we** will also cover **you** for some **damage** that occurs to the **home building** as a result of the **theft**.

We will also cover **you** for **damage** to the **building you** rent, if the **building** is **damaged** as a result of a **theft** during the **period of insurance**.

Policy Section 3 – Glass

Under this Policy Section **you** may insure against the **breakage** of **glass** which forms part of **your home building** during the **period of insurance**.

Please refer to the General Definitions on pages 29 to 33 for an explanation of what **glass** means.

The amount you pay for Policy Sections 1, 2 or 3 (home building), Policy Section 11 (vehicles) or Policy Section 12 (customer's vehicles)

The premium is the amount **you** pay **us** for this insurance. The premium payable by **you** will be shown on **your policy schedule**.

Premiums include applicable Commonwealth and State taxes, charges and levies. The amount of these taxes, charges and levies will be shown on **your policy schedule**.

If **you** change **your policy you** may be entitled to a partial refund of premium or be required to pay an additional premium.

How various factors may affect your premium for Policy Sections 1, 2 and 3 (home building)

The following table is a guide to the significant factors which impact generally on **your** premium in relation to Policy Sections 1, 2 or 3 (for a **home building**).

Factor	Lower premium	Increases premium
Sum insured	Lower sum insured	Higher sum insured
Risk address and/or postcode	Low risk address and/or Postcode	High risk address and/or postcode

Our expenses of doing business including payments we make to intermediaries	Low expenses	High expenses

How various factors may affect your premium for Policy Section 11 (vehicles)

The following table is a guide to the significant factors which impact generally on **your** premium in relation to Policy Section 11 (for a **vehicle**).

Factor	Lower premium	Increases premium
Type of cover	Legal liability only	Comprehensive or legal liability, fire and theft
Type of vehicle	Low risk vehicle	High risk vehicle
Market or agreed value	Market value	Agreed value

When determining **your** premium **we** also take into account the age of the **vehicle**. This factor may lower or increase the premium depending on whether it means there is a higher chance of **you** making a claim and if so, for how much.

Policy Section 11 (vehicles) Protected No claim bonus Optional Insurance

Under Policy Section 11 – Commercial Motor **you** may qualify for Protected No claim bonus Optional Insurance if **you** are entitled to a maximum no claim bonus. It costs extra to protect **your** no claim bonus. **We** can give **you** a price with and without Protected No claim bonus Optional Insurance to help **you** decide whether the option suits **your** needs.

Why the cost of insurance can change

Your insurance premium can change during the **period of insurance** if the circumstances or risks covered by **your policy** change. For example, **your** premium will change if **you**:

- change the **sum insured** for **customer's vehicles**;
- change the use of the **vehicle** or add new covers to **your policy**; or
- change the use of **your premises** or add new covers to **your policy**.

Also, each time **you** renew **your** insurance **your** premium is likely to change, even if **your** circumstances or the risks covered by **your policy** have not changed. This is because premiums are affected by:

- the total cost of current and future claims;
- any changes in government taxes or charges;
- **our** expenses of doing business; and
- whether indexation is shown on **your policy schedule**.

At renewal, **we** might decide to pass on all, or part of, any premium increase or decrease.

Premium discounts

At times **we** may offer premium discounts to particular customers as part of a promotion or to take account of market conditions. The amount and type of discounts can change at any time before **you** take out this **policy**, or at **your** next renewal. **We** can vary or withdraw a discount at any time, however, changes will not affect the premium for an existing **policy** during its current **period of insurance**.

The main discount **we** offer is the no claim bonus for some comprehensively insured **vehicles** – see pages 126 to 127 for details.

For details of any discounts that may be available and the dollar difference these would make to **your** premium, please ask **us** when **you** obtain a quote or before renewing **your policy**.

Excesses

If **you** make a claim, **you** may be required to pay one or more **excesses**.

The description of those **excesses** and the circumstances in which they are applied are shown in the relevant Policy Section in Part D of this **PDS** under “Excess” or in **your policy schedule**. In some Policy Sections an additional or higher **excess** than the one shown in **your policy schedule** may apply to specific covers, Extra Covers or Additional Benefits. Any such additional or higher excesses will be detailed in the **policy**.

Policy Sections 1, 2 and 3: Excesses

The amount of **excess** applying to each of these Policy Sections is shown on **your policy schedule**. **We** take into consideration a number of factors when setting the amount of **your excess**, such as:

- **your** occupation;
- any voluntary **excess** that **we** may allow **you** to choose;
- **your** claims history; and
- any additional risk factors that are unusual or unique to **your business** circumstances.

Policy Section 11 and 12: Excesses

There are a number of **excesses** which apply to these Policy Sections. The amount of each **excess** (other than the basic **excess**) is shown in Policy Section 11 and Policy Section 12 in Part D of this **PDS** and Policy Wording. The amount of the basic **excess** will be shown on **your policy schedule**.

We take into consideration a number of factors when setting the amount of **your** basic **excess**, such as:

- the make, model and type of **vehicle** being insured, including modifications made to the **vehicle**;
- any voluntary **excess** that **we** may allow **you** to choose;
- the age and driving experience of people who will be driving the **vehicle**;
- the **sum insured** of the **vehicle** or **customer's vehicle**;
- where and how the **vehicle** is used;
- the type of cover chosen (Policy Section 11 only);
- the place where **your vehicle** is garaged;
- **your** previous insurance and claims history; and
- Optional Insurance, Extra Covers, Additional Benefits and **endorsements**.

Information about the **excesses** applicable to Policy Sections 1,2,3, 11 and 12 and when **you** are required to pay one or more **excesses** or when a higher **excess** applies can be found in General Claims Condition 11 – Paying your excess on pages 21 to 22 and as follows:

For Policy Section 1 – Property Damage	on pages 48 to 49
For Policy Section 2 –Theft	on page 57
For Policy Section 3 – Glass	on page 60
For Policy Section 11 – Commercial Motor	on pages 132 to 134
For Policy Section 12 – Customer's Vehicles	on pages 151 to 152

PART D: YOUR MOTOR TRADE BUSINESS PROTECT POLICY WORDING

Important information

1. Your policy

Your policy is a legal contract between **you** and **us**. The contract is based on the information **you** gave **us** when **you** applied for the insurance and any subsequent information which **you** have supplied. Based upon the information provided by **you** and subject to the premium being paid, **we** agree to insure **you** during the **period of insurance**.

Your period of insurance starts on the date shown on **your policy schedule** and finishes at 4:00 pm on the expiry date shown on **your policy schedule**.

Your policy is made up of this **PDS** and Policy Wording, any applicable **SPDS**, the **policy schedule** and any **endorsements**. These should be read and kept together. **We** will provide cover under those Policy Sections that are shown on **your policy schedule** and for those Optional Insurances that are shown on the **policy schedule**.

2. Who is insured?

The **policy** provides insurance only for the parties shown on the **policy schedule**, unless otherwise stated in individual Policy Sections or by **endorsement**.

3. Policy limits

We will not pay any more than the **sum insured** or **limit of liability** or sub-limit for each Policy Section, part of a Policy Section or individual item or cover that is shown on **your policy schedule**, unless **we** specifically state otherwise in **your policy**.

You should ensure that the **sums insured**, **limits of liability** and sub-limits that apply to this **policy** are adequate for **your** needs. If **you** do not select adequate amounts to insure then **you** may have to bear any uninsured losses **yourself**.

Limits of certain Additional Benefits and Extra Covers

The sub-limits of some of the Additional Benefits and Extra Covers in this **policy** are expressed as a percentage of a **sum insured**. This means that if the underlying **sum insured** is inadequate then the amount of cover provided under the Additional Benefits or Extra Cover may also be inadequate for **your** needs.

Underinsurance

In addition, Policy Sections 1 – Property Damage, 5 – Business Interruption, 11 – Commercial Motor and 12 – Customer's Vehicles each contain an underinsurance condition that can result in the amount **we** pay **you** being reduced because **you** did not adequately insure. The following table sets out the items to which these underinsurance conditions apply.

Policy Section	Item to which underinsurance condition applies	Page
Policy Section 1 – Property Damage	Total declared value for all property at premises where loss or damage occurs.	49
Policy Section 5 – Business Interruption	Gross profit sum insured Gross rentals sum insured	74
Policy Section 11 – Commercial Motor	Partial loss, if vehicle type is other than a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity: amount vehicle insured for.	126
Policy Section 12 – Customer's Vehicles	Partial loss, if customer's vehicle type is other than a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity: amount customer's vehicle insured for.	147

4. General provisions

The General Policy Conditions, General Definitions, General Claims Conditions, and General Exclusions form part of this **policy**.

Unless otherwise expressly stated, these apply to each of the Policy Sections, including any Extra Covers, Additional Benefits or Optional Insurances in those Policy Sections.

Specific conditions, definitions and exclusions also apply to individual Policy Sections and any Extra Covers, Additional Benefits or Optional Insurances in those Policy Sections.

If **you** do not comply with the General Policy Conditions, General Claims Conditions or another condition in this **policy**, **we** may:

- refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- recover from **you** any costs and/or any monies **we** have paid; and/or
- cancel **your policy**.

A reference to days in the **policy** means calendar days unless otherwise specified.

Some words used in this **policy** have special meanings. These words are in bold. The words **we** have defined are listed in either the General Definitions on pages 29 to 33 or the Definitions in the applicable Policy Section.

The headings in each Policy Section are not part of the **policy** itself. Their purpose is to provide **you** with a general guide about the content of the text.

5. References to legislation

A reference to any legislation or legislative provision includes any statutory modification, replacement or re-enactment of, or legislative provision substituted for, and any subordinate legislation issued under, that legislation or legislative provision (whether of Australia or elsewhere).

General Policy Conditions

These conditions apply to all Policy Sections unless **we** state in a General Policy Condition that it only applies, or does not apply, to certain Policy Sections.

If **you** do not comply with the General Policy Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. Change to risk

Our decision to insure **you**, and the premium that **we** charge **you**, is based on information provided by **you** about **you**, **your business** and **property insured**. **Your** insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the **policy** change during the **period of insurance**, including, for example:

- the nature of or type of **business** carried on by **you** or **your** tenants;
- the occupation and activities carried on by the tenants of **your buildings**;
- **you** undertake construction works or alterations;
- **your** interest in the **policy** ceases, including by operation of law;
- **you** are declared bankrupt or the **business** is wound up or carried on by an insolvency practitioner or permanently discontinued;
- **you** are convicted of a criminal offence;
- any conversion or modification to **your vehicle** made by someone other than the manufacturer;
- there is anyone under the age of 25 years who is likely to be a regular driver of the **vehicle**; and
- any detail on **your policy schedule** is no longer accurate, such as a change of **your** address, **your vehicle**, **your vehicle's** garage postcode or the way **you** use **your vehicle**.

You must notify **us** as soon as possible of any of the above changes.

If **you** have not told **us** about any of the above matters having occurred in any other **period of insurance** **you** held this **policy** with **us**, **you** must also tell **us** as soon as possible.

If **you** are a property owner insuring **buildings** that **you** lease, **our** decision to insure **you** and the premium **we** charge **you** will take into account information about **your** tenants and how the **building** is used that **you** tell **us** when **you** apply for insurance with **us**, during the **period of insurance** and at each renewal. For this reason, it is important that **you** tell **us** as soon as possible when these things change.

For example, if **your building** has three tenants (an accountant's office, a jeans retailer and a sandwich bar), **we** will calculate **your** property premium on the sandwich bar, as it is more hazardous than either of the other two occupations. If during the **period of insurance** the sandwich bar closes down and a menswear shop opens, then **you** must notify **us** of the change and **we** will calculate **your** property premium either using the jeans retailer or menswear shop, whichever is the more hazardous occupation.

If **you** do not notify **us** when **you** need to **we** may refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** delay in notifying **us**).

If **we** agree to the changes **you** tell **us** about, **we** will confirm this in writing. When **you** contact **us** to inform **us** of any of these above matters occurring or having occurred, **we** may need to agree with **you** that one or more of the following changes is made in order to continue **your** cover:

- impose an additional **excess**,
- charge extra premium; or
- apply a special condition to **your policy**.

In some cases, it may lead **us** to reduce or refuse to pay a claim or mean **we** can no longer insure **you** and **we** will cancel **your policy**.

2. The amount of cover

If **you** are not entitled to an **input tax credit** on **your policy** premium, all **sums insured** and **limits of liability** stated in **your policy** are GST inclusive (unless **your policy** states otherwise).

If **you** are entitled to an **input tax credit** on any part of the **policy** premium, the **sums insured** and **limits of liability** stated in **your policy** are exclusive of any **input tax credit** which **you** are entitled to claim (unless **your policy** states otherwise).

3. Take steps to reduce risk

You must take steps to ensure that **you** prevent or minimise **loss, damage** or liability by:

- maintaining **buildings**, structures, fixtures, fittings, furnishings, appliances, **machinery**, implements and plant in sound condition to minimise or avoid theft, **loss, damage** or liability;
- ensuring that only competent employees are employed;
- avoiding or minimising **loss** of or **damage** to **property insured** or other people's property or injury to other people;
- complying with all laws, statutory obligations, by-laws, regulations and public authority requirements that concern the safety of persons or property, for example workplace health and safety laws;
- obtaining certificates of inspection for all equipment required by any statute or regulations to be certified; and
- complying, at **your** expense, with all **our** recommendations to prevent or minimise theft, **loss** or **damage**.

If the **premises** are occupied by **your** tenants **you** must ensure that regular and routine inspections of the condition of the **premises** (including at tenant entry and exit) are undertaken and a record of those inspections kept (including photographs).

Further, if **you** are insuring **your vehicles** under Policy Section 11 – Commercial Motor or **customer's vehicles** under Policy Section 12 – Customer's Vehicles **you** must:

- take steps to prevent or minimise **loss** of or **damage** to those **vehicles**, for example:
 - move **vehicles** away from rising waters including tides;
 - do not drive into water;
 - do not leave the keys in the **vehicle** whilst it is unattended or not secure;
 - obey signage displayed by local government authorities, traffic management companies and state emergency services when applicable;
 - accompany anyone test driving a **vehicle** when it's up for sale;
- take care to prevent or minimise injury to another person or **damage** to another person's property;
- comply with all laws, statutory obligations, by-laws, regulations and public authority requirements that concern the safe use of these **vehicles**, for example:
 - obey applicable and relevant road rules;
 - obey speed limits, warnings, signs, local directives and safety requirements;
 - convey and store goods in a legal manner in or on **your vehicle**;
 - load **your vehicle** in accordance with legal and safety requirements; and
- keep **your vehicles** in a roadworthy condition, for example:
 - replace worn out tyres;
 - replace worn brakes;
 - fix paint including clear coats;
 - replace defective lights; and
 - repair major scratches or dents.

If **you** do not comply with this condition **we** may refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance).

4. Hazardous or dangerous goods

When hazardous or dangerous goods are used by the **business** or stored at any **premises** shown on the **policy schedule** (either by **you** or by **your** tenants with **your** knowledge or consent), then such goods must be stored and used in accordance with workplace health and safety laws and regulations applicable to the use and storage of hazardous or dangerous goods, of which **you** should have reasonably been aware. **You** can obtain information about these laws and regulations from the workplace health and safety regulator in **your** State or Territory, for example, Worksafe or Workcover.

If **you** do not comply with this condition **we** may refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance).

This General Policy Condition is not applicable to Policy Section 2 – Theft, Policy Section 3 – Glass, Policy Section 4 – Money, Policy Section 9 – Equipment Breakdown, Policy Section 10 – Tax Probe, Policy Section 13 – Goods in Transit or Policy Section 14 – Professional Services.

5. Other interests

You must tell **us** if **you** want **us** to record the interests of any third party (for example, banks or lessors) in any item insured under any Policy Section in this **policy**. If **we** agree to record the interest of a third party this will be shown on the **policy schedule**.

If a third party's interest is not recorded, insurance cover will not extend to their interest and they will not be able to make a claim under this **policy**.

Third party beneficiaries

All third party beneficiaries must comply with the terms and conditions of **your policy**, including without limitation, the General Claims Conditions and the obligation to notify **us** and give **us** details of any other insurance that insures any risk insured by this **policy**.

6. Transfer of interest

No interest in this **policy** can be transferred without **our** written consent.

7. Unoccupancy

You must ensure that any **building** at the **premises** does not stay unoccupied or, if **you** are the **building** owner, untenanted, for a continuous period of 60 days or more. **You** are not insured while the **building** is unoccupied for a period of 60 days or more, unless **we** agree to insure **you**.

If any **building** will or is likely to be unoccupied or untenanted for such a period, **you** must notify **us** as soon as possible. If **you** notify **us** that the **premises** will be unoccupied or untenanted for a continuous period of 60 days or more and **we** agree to continue to insure **you** under this **policy** during the period where the **building** is unoccupied or untenanted, **we** will confirm this in writing.

You may be required to pay an additional premium and **we** may apply different conditions and impose a higher **excess** if **we** agree to this.

This General Policy Condition is not applicable to Policy Section 7 – Management Liability, Policy Section 10 – Tax Probe, Policy Section 13 – Goods in Transit or Policy Section 14 – Professional Services.

8. Changes in or waivers of the policy

No changes in the **policy** will be valid unless agreed in writing by **us**.

No waiver of any requirements of the **policy** shall be valid unless it is given to **you** in writing.

9. Multiple insured parties

Except as otherwise expressly provided in Policy Section 6 – Public and Products Liability, Policy Section 7 – Management Liability, Policy Section 10 – Tax Probe and Policy Section 14 – Professional Services, where there is more than one person or organisation insured under this **policy**:

- any notice given by **us** under this **policy** to any one of **you** shown on the **policy schedule** will be deemed to be notice given to all of **you**;
- any misrepresentation or fraudulent actions or statements made by any person or organisation will be deemed to be made by all of **you**; and
- any claim made by any person or organisation will be deemed to be a claim made by all of **you**.

10. Keeping us up to date

This General Policy Condition is only applicable to Policy Section 11 – Commercial Motor and Policy Section 12 – Customer's Vehicles.

You must tell **us** up to the commencement of **your policy** and at each renewal if any **authorised driver** of **your vehicle**, including **you**, has:

- had a licence endorsed, suspended or cancelled in the past 5 years;
- been charged or convicted of any criminal offence relating to arson, drugs, firearms, burglary, housebreaking, theft, robbery, receiving stolen goods, fraud, criminal or wilful damage or injury, assault to anyone; or
- been charged with or convicted of any motor offence or motor infringement (but not parking fines).

11. Governing law

The construction, interpretation and meaning of the terms of this **policy** will be determined in accordance with the laws of Australia and the State or Territory where the **policy** was issued. Any disputes relating to the construction, interpretation and meaning of the terms of this **policy** will be submitted to the exclusive jurisdiction of the courts of Australia.

12. If your contact details change

You must keep **your** contact details, including **your** Australian mobile number, postal address and email address up to date. If **we** do not have up to date contact details **you** might not receive **your** important **policy** documents which could impact whether **you** have cover in place.

General Claims Conditions

These conditions apply to all Policy Sections unless **we** state in a General Claims Condition that it only applies, or does not apply, to certain Policy Sections.

You must comply with these conditions if an **event** occurs which may lead to or results in a claim.

If **you** do not comply with the General Claims Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. Claim notification

You must:

- notify the police as soon as possible following a theft or attempted theft of any **property insured** or if the **property insured** is misappropriated, lost or maliciously **damaged**. If **we** ask **you**, give the Police a list of all stolen or damaged items that **you** are able to identify at the time of the theft or attempted theft and provide an update of this list to police once **you** have identified a complete list of stolen or damaged items;
- notify **us** as soon as possible and give **us** all known details of the **event**;
- as soon as possible provide **us** with any legal document or other communication **you** receive about the claim, including any legal proceedings brought against **you**; and
- provide **us** with all reasonable information and documentation to enable **us** to substantiate and investigate the claim that **we** request (including attending an interview or giving evidence in court as **we** may reasonably require). If **we** ask **you** for a statutory declaration verifying the details of **your** claim and any other matters connected with the claim, **you** must provide it.

Where possible, after notifying the police, keep details of the date reported, name of police officer, police station reported to and the report number.

This General Claims Condition does not apply to the notification of:

- a. **claims** made against **you** or facts or circumstances that could give rise to a **claim** against **you**, **financial loss** or **business crisis events** under Policy Section 7 – Management Liability; or
- b. claims made against **you** or facts or circumstances that could give rise to a claim against **you** under Policy Section 14 – Professional Services.

For the conditions applicable to the notification of these matters under those Policy Sections refer to the Notification Policy Section Condition in the applicable Policy Section.

2. Minimise loss

You must:

- take all reasonable precautions to minimise or prevent further **loss, damage**, liability, injury or illness. For example, if there is a hole in the roof, arrange for it to be covered to prevent further water damage from the rain and if **your vehicle** is **damaged** in an accident, when safe to do so, move it off the road and put on **your** hazard lights;
- take all reasonable steps to recover **lost** or stolen **property insured**; and
- if **you** make a claim, also do everything to mitigate the **loss, damage**, liability, injury or illness that **we** ask **you** to do.

If **you** are unsure about what precautions to take to minimise or prevent further **loss, damage**, liability, injury or illness, please contact **our** claims services on 13 14 46.

3. Retain all damaged property

You must:

- retain and preserve all **damaged** property for inspection by **us** or **our** agent (including a loss adjuster) prior to authorisation of repairs, unless alterations and repairs are immediately necessary for safety reasons or to minimise or prevent further **loss, damage** or injury. If repairs are necessarily carried out without **our** prior approval, **you** are still required where reasonably practicable in the circumstances, to retain and preserve all **damaged** property for **our** inspection, unless it is unsafe to do so, in which case **you** must provide **us** with photographic evidence of the **damaged** property recording its condition prior to disposal or destruction; and
- retain and preserve all property, products, plant and all other things that may assist **us** in investigating or defending a claim against **you**, including assisting in determining if there are rights of recovery against another entity or person.

4. Proof of ownership

If **you** make a claim for **property insured** that is **lost**, stolen or **damaged**, **you** must provide reasonable proof of **your** ownership or legal responsibility for such **property insured** and evidence of its value, if **we** ask for it. This may include proof of purchase such as sales receipts, tax invoices, accounts and bank or credit card statements or **certificates of authenticity, manufacturer's box or original operating manual** that provide a description of the **property insured** and show the purchase price, date and location. **We** will take into account what **property insured you** are claiming for, how old the item is and its residual value when considering what **you** provide as proof of ownership and evidence of value.

We understand **you** may not keep such information for every **business** item **you** own, especially if items are recorded in **your** books of account. **You** or **your** accountant may have records for tax purposes and these may be sufficient to prove ownership and value of the **property insured**.

5. Cooperation

You must co-operate and provide **us** with all reasonable assistance in connection with any investigation, negotiation, recovery, defence, legal proceeding or settlement of any claim, including:

- a. doing all things necessary to allow **us** to take over legal proceedings in the circumstances discussed in General Claims Condition 15 – Rights of recovery, on pages 22 to 23; and
- b. attending an interview or giving evidence in court as **we** may reasonably require.

6. Proof of fraud or dishonesty

If **your** claim is in respect of loss due to fraud or dishonesty, **you** must supply **us** with all records and documents reasonably accessible to **you** that **we** ask for that may assist **us** in substantiating and investigating the act of fraud or dishonesty and **your** rights of recovery. This includes, but is not limited to, all records (including computer, electronic, physical, accounting and audit records), video and audio recordings, working papers, internal memoranda and police reports.

7. Notification of other insurance

In the event of a claim **you** must provide **us** with the details of any other insurance that provides cover for the claim to enable **us** to exercise **our** right to seek contribution from the insurer of that other insurance.

8. Admitting liability

You must not admit liability for any **loss, damage** or injury, or settle or attempt to settle or defend any claim without **our** prior written consent.

This General Claims Condition does not apply to claims against **you** under Policy Section 7 – Management Liability or Policy Section 14 – Professional Services. Such claims are subject to the Settlement Policy Section Conditions in the applicable Policy Section.

9. Repair or replacement

You must not authorise the repair or replacement of any **property insured** without **our** agreement, except as provided for in:

- Policy Section 1 – Property Damage under Extra Cover 12 – Emergency Response Cover
- Policy Section 11 – Commercial Motor under Extra Cover 5 – Emergency Repairs
- Policy Section 12 – Customer's Vehicles under Extra Cover 5 – Emergency Repairs,

or when reasonably necessary to prevent further **loss, damage** or injury.

10. Conduct of claims

In relation to legal liability claims **you** make under **your policy**, **we** have the right and full discretion to conduct claims. **We** may engage legal or other representatives to assist in the conduct of a claim. At all times **we** reserve the right to negotiate and settle a claim on terms **we** consider appropriate. **You** must allow **us** to make admissions, settle or defend claims made against **you** on **your** behalf.

This General Claims Condition does not apply to claims against **you** under Policy Section 7 – Management Liability or Policy Section 14 – Professional Services. Such claims are subject to the Claims Conduct and Settlement Policy Section Conditions in the applicable Policy Section.

11. Paying your excess

You must pay the **excess** that applies to claims under this **policy**. Any **excess** that is applied to **your** claim must be paid in full prior to final settlement of that claim.

The **excess** that applies will depend on the circumstances of the claim. Some Additional Benefits and Optional Insurances have their own **excess** which is in addition to any other **excess** that may apply to a claim. When multiple **excesses** apply, **you** might have to pay more than one type of **excess** when **you** make a claim.

The amount of the **excesses** and the circumstances that each **excess** applies to are shown on **your policy schedule** or set out in the applicable Policy Section. **We** will tell **you** how to pay **your excess** and who to pay it to.

When **you** make a claim there are three options for paying **your excess**:

- the applicable **excesses** may be deducted from the amount **we** pay **you** under **your** claim;
- the **excess** may be paid in some instances to the appointed repairer or supplier; or
- **you** may pay the **excess** directly to **us**.

12. Our rights of possession

Where **loss** or **damage** has occurred, **we, our** employees or **our** agents have the right to be given reasonable access to inspect **property insured** and, where reasonably necessary, to take possession of **property insured** or arrange for it to be delivered to **us**. The reasons when **we** need to do this include assessing or preventing further **loss** or **damage**, dealing with salvage and obtaining evidence to enable **us** to exercise **our** rights of recovery. **We** will deal with this property in a reasonable manner.

13. Claims Settlements

a. Input Tax Credit entitlement

If any **event** occurs which gives or may give rise to a claim **you** must tell **us** **your** entitlement to **input tax credits** (ITC) for **your** insurance premium and claim if **you** are registered, or are required to be registered for GST purposes. If **you** do not inform **us** of **your** entitlement, or the information **you** give **us** is incorrect, **we** will not cover **you** for any resulting fines, penalties or tax liability **you** incur. When **we** calculate a payment to **you** for **your** claim, **we** can reduce it by any **input tax credit** **you** are, or would be, entitled to receive.

b. Cash payments

Any cash payments made to **you** under this **policy** will be based on costs including GST. However, if **you** are, or would be, entitled to claim any **input tax credits** for the repair or replacement of the **property insured** or for other things insured by the **policy**, **we** will reduce **our** payment to **you** by the amount of **your input tax credit** entitlement.

c. Discharge of our liabilities

If, at any time, **we** pay **you** the **sum insured** or **limit of liability** for any claim under this **policy**, **we** do not have any further liability to **you**. But **we** will pay any Extra Covers, Additional Benefits or Optional Insurances that are expressed to be in addition to the **sum insured** or **limit of liability**.

An exception to this is in Policy Section 6 – Public and Products Liability where:

- i. **we** will only pay those legal costs covered under Extra Cover 1 – Legal costs of Policy Section 6 that were incurred by **you** with **our** permission prior to the date of payment of the **limit of liability**; and
- ii. if a payment exceeding the **limit of liability** has to be made to dispose of a claim or legal action against **you** under Policy Section 6, **our** liability to pay legal costs covered under Extra Cover 1 – Legal costs of Policy Section 6, with respect to the **occurrence**, will be limited to that proportion of those legal costs as the **limit of liability** bears to the amount paid to dispose of the claim or legal action.

Please refer to the 'Application of limit of liability to claims that exceed the limit' clause on page 82 of this **policy** for details of these provisions including an example of how the provision described in ii. above would apply.

d. Salvage

After settling a claim by replacing any **damaged** or **lost property insured**, if **we** so elect, that **damaged** or **lost property insured** (other than a **building**) becomes **ours** and **we** are entitled to receive the proceeds of any salvage, except to the extent **you** are not fully indemnified.

14. Claims preparation expenses

We will pay for accountant's, claims consultant's, surveyor's, architect's, engineer's and other professional fees necessarily and reasonably incurred for the preparation of a claim covered under this **policy**, other than under Policy Section 5 – Business Interruption, Policy Section 7 – Management Liability or Policy Section 10 – Tax Probe. **We** will pay up to \$20,000 or 25% of the total amount payable under the applicable Policy Section as a result of any one (1) **event**, whichever is the less.

15. Rights of recovery

If **you** have suffered loss or damage or incurred a legal liability and **you** make a claim under this **policy** with **us** for that loss, damage or liability, then **we** have the right and **you** have permitted **us** to take action or start legal proceedings against any person or entity liable or, who would be liable to **you** for the recovery of **your** loss.

"**Your** loss" means **your** insured, underinsured or uninsured loss or damage or legal liability, costs, payments made and expenses in relation to respect to which **you** have claimed under **your policy**. Any action or legal proceeding **we** take will be commenced either in **your** name, or in the name of any other person or entity that suffered **your** loss. **We** have full discretion over the conduct and any settlement of the recovery action.

If **you** make a claim with **us** for **your** loss and **you** have already started action or legal proceedings against any person or entity liable or, who would be liable to **you** for **your** loss, then **we** have the right and **you** have permitted **us** to take over and continue that action or legal proceeding.

Where **your** loss forms part of any class or representative action which has not been started under **our** instructions, **we** have the right and **you** permit **us** to exclude **your** loss from that class or representative action for the purpose of **us** including it in any separate legal proceedings which are or will be started under **our** instructions.

You must provide **us** with all reasonable assistance, co-operation and information in the recovery of **your** loss. This assistance may include:

- providing a more detailed version of events, which may include completing a diagram or statement/ affidavit;
- providing **us** with any documents required to prove **your** loss;
- providing copies of any available photographs or footage of the incident available;
- lodging a police report or obtaining relevant documents, such as completing and lodging an application form to obtain records from the police, fire and rescue, councils and other entities (when **we** cannot lodge one);
- attending court or meetings with **our** legal/other experts (only if required);
- providing evidence and documentation relevant to **your** claim and executing such documents, including signed statements which **we** reasonably request.

We will pay for the cost of filing the police report and relevant searches to locate the third party. **We** will cover the costs **you** incur when having to attend court up to a limit of \$250 in total per claim.

You must not enter into any agreement, make any admissions or take any action or step that has the effect of limiting or excluding **your** rights and **our** rights to recover **your** loss, including opting out of any class or representative action, unless **we** have given **you our** prior written agreement. If **you** do, **we** may not cover **you** under this **policy** for **your** loss.

Recoveries do not include any amount recovered from insurance, surety, reinsurance, security or indemnity taken for the benefit of **us**.

16. Subrogation agreements

If another person or organisation is, or could have been, liable to compensate **you** for any **loss, damage** or legal liability otherwise covered by the **policy**, but **you** have agreed with that person either before or after the **loss, damage** or legal liability occurred that **you** would not seek to recover any money from that person or organisation, **we** will not cover **you** under the **policy** for any such **loss, damage** or legal liability.

17. Motor vehicle claims

In respect of motor claims, if **your vehicle** or the **customer's vehicle** is involved in an incident for which **you** wish to lodge a claim under Policy Section 11 – Commercial Motor or Policy Section 12 – Customer's Vehicles **you** must:

- contact **our** claims services as soon as possible on 13 14 46. **We** are available 24 hours a day. **Our** staff will advise **you** whether to bring **your vehicle** or the **customer's vehicle** to one of **our** assessing centres or take it to a repairer. **We** can help with any other arrangements necessary to get **you** back on the road as quickly as possible;
- if safe to do so:
 - obtain the full names, addresses and phone numbers of all drivers and, where possible, passengers involved and any witnesses to the **event**;
 - obtain the vehicle registration number and insurance details of all vehicles involved; and
 - if **damage** is caused to buildings and other property, obtain details of the address and the owner's name.

If due to the circumstances of the accident, **you** are unable to obtain the above information, please contact **us** on the number shown above.

- if someone has stolen, attempted to steal or maliciously damaged **your vehicle** or a **customer's vehicle**, report it to the police as soon as possible. If **we** ask, **you** must provide **us** with the name of the police officer and police station where **you** made the report and give **us** all known details of the **event**;
- retain and preserve **your damaged vehicle**, the **damaged customer's vehicle** or **damaged** property for inspection by **us** or **our** agent (including a loss adjuster) prior to authorisation of repairs, unless repairs are immediately necessary for safety reasons or to minimise or prevent further **loss, damage** or **legal liability**;
- let **us** inspect and, if necessary, move **your vehicle** or the **customer's vehicle** before repairs begin;
- if **you** carry out **emergency repairs** or choose to use **your** own repairer, when reasonably practicable and safe to do so, ensure that photographic images of the **damage** are recorded and can be provided to **us** so that **we** can establish the condition of **your vehicle** or the **customer's vehicle** prior to the repairs. **You** are required to produce tax invoices or receipts for all costs if **we** are unable to obtain them directly from the repairer or other provider and **we** ask **you** for them;

- provide proof of **your** ownership of **your damaged vehicle** or property. Proof includes things like registration papers, sales receipts, service records, valuations, credit card statements, warranties or car log books; and
- tell **us** as soon as possible if **you** get demands, a notice of prosecution, details of any legal proceedings, inquest or similar communications from other parties involved in an **event**. If **you** delay in telling **us**, **we** may not cover any legal or other costs that result from that delay.

You must not:

- negotiate or promise anyone a payment, authorise any repairs (except emergency repairs to **your vehicle**, see page 119 for details or to **your customer's vehicle** see page 144 for details) or dispose of any **damaged** property, unless **we** have agreed to this; or
- accept any payment (including **excess** payments) from anyone unless **we** agree first.

18. Conduct towards us

You must not behave in a way that is abusive, dangerous, hostile, improper or threatening when engaging with **us** and **our** service providers.

- **your** intent to improve or enhance the **buildings**;

- c. if the cost of reinstatement of the **building** is less than 50% of what would have been the cost of reinstatement if that **building** had been totally destroyed, then the amount **we** will pay will:
 - i. be limited to the extra cost necessarily incurred in reinstating the damaged portion of the **building** only;
 - ii. not include any extra cost in relation to any portion of the **building** which is not damaged, other than undamaged foundations as provided for in Extra Cover 10 – Undamaged Foundations; and
 - iii. not exceed, in any event, the amount that **we** would have paid if that **building** had been totally destroyed.

4. Extra costs of reinstatement or replacement: Heritage building

If **you** are insured under this Policy Section on a reinstatement or replacement basis for **loss** or **damage** to any **building** that is subject to any heritage listing or protection and **you** choose to rebuild, replace or repair the **building** at the same location, **we** will pay the extra cost of repairing, replacing, or reinstating the **building**, that are related to obtaining special materials or employing specialised labour to match up or reproduce unique or distinctive ornamental or architectural features of the **building** to comply with standards imposed by a lawful heritage protection authority.

We will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed **building** to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

- a. an Act of Parliament or regulations; or
- b. a by-law or regulation of any Municipal or other statutory authority;

we will, in addition to reinstating or replacing the **building** on the basis set out above for the **building** with a reduced floor space, pay **you** the difference between:

- i. the actual cost of rebuilding the **building** with the reduced floor space; and
- ii. the estimated cost of rebuilding the **building** with the floor space it had at the time of its destruction.

6. Stock and customers' goods

If **stock** or **customers' goods** are **lost** or **damaged**, **we** will:

- b. if the **stock** or **customers' goods** cannot be repaired or replaced, **we** will pay **you** the original cost to **you** of the **stock** plus an amount commensurate with the cost of repairing damaged **stock**, but not exceeding its pre-damage value at the time of the loss unless (in the case of **stock**) the **stock** has become **obsolete stock** (subject to Policy Section Condition 1 - Underinsurance); or

9. Electronic equipment

For valves, tubes and light sources in **electronic equipment** **we** will pay to **you** the costs to repair or replace the valves, tubes or light sources subject to due allowance for wear and tear, depreciation or betterment.

Excess

You must pay the **excess** shown on **your policy schedule** that applies to a claim under this Policy Section. Please refer to General Claims Condition 11 - Paying your excess for information about the options for paying the **excess**.

When you must pay a higher or additional excess.

If **you** are making a claim for **loss** or **damage**:

- a. covered under Insured Event 9 – “Malicious acts” where such **loss** or **damage** is caused by an act committed by **your** tenants, the **excess** for each claim is \$500 or the **excess** shown on **your policy schedule** (whichever is more); or
- b. covered under Additional Benefit 9 – “Damage to glass, windows, doors and showcase frames in vacant buildings”, the **excess** for each claim is \$500 or the **excess** shown on **your policy schedule** (whichever is more).

If **you** are making a claim for **loss** or **damage** as a result of Insured Event 10 – earthquake, tsunami, subterranean fire or volcanic eruption, the **excess** for each claim is the lesser of:

a. \$20,000; or

b. 1% of the total **sum insured** specified in **your policy schedule** that relates to the **damaged property** at the **premises**.

For example where the **sum insured** in **your policy schedule** for “Buildings” is \$1,000,000 and the **sum insured** for “Contents” is \$500,000 and an earthquake causes **damage** to the **buildings** and **contents**, **you** will be required to pay an **excess** of \$15,000 (1% of \$1,500,000) as this amount is less than \$20,000.

You will only be required to pay one (1) **excess** for **damage** that results from earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these during any period of 72 consecutive hours. **Damage** arising from any of these that occurs more than 72 hours after the event will be considered to be a separate event in which case **you** will be required to pay an additional **excess**.

Policy Section Conditions

These conditions apply to all covers and claims under this Policy Section in addition to the General Policy Conditions on pages 17 to 19.

If **you** do not comply with these Policy Section Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. Underinsurance

The following underinsurance condition means that if **you** do not insure for the full reinstatement or full replacement cost of **your property** **you** may not receive cover up to the full reinstatement or full replacement cost when **you** make a claim under this Policy Section.

If the **total declared value** for all **property** at the **premises** where the **loss** or **damage** occurs is less than 80% of the cost (net of any **input tax credit** that **you** could claim) of reinstating all **property** at those **premises** calculated as at the commencement date of the **period of insurance**, then the amount **we** are liable to pay in respect of **loss** or **damage** covered under this Policy Section will be reduced in accordance with clause a. or b. below, as applicable.

- a. If **you** are insured under this Policy Section on a reinstatement or replacement basis, **we** will be liable for no greater proportion of the **loss** or **damage** than the **total declared value** for all **property** at the **premises** where the **loss** or **damage** occurs, bears to 80% of the cost of reinstating all such **property** (net of any **input tax credit** that **you** could claim), calculated at the commencement date of the **period of insurance**.
- b. If the **policy schedule** shows **you** are insured for “Indemnity”, **we** will be liable for no greater proportion of the **loss** or **damage** than the **total declared value** for all **property** at the **premises** where the **loss** or **damage** occurs bears to 80% of the indemnity value (less any Goods and Services Tax component of that value) of the **property**, calculated at the commencement date of the **period of insurance**.

This Underinsurance condition does not apply if the amount of any **loss** or **damage** (net of any **input tax credit** that **you** could claim) is less than 10% of the **total declared value** for all **property** at the **premises** where the **loss** or **damage** occurs.

2. Seasonal increase period

You do not have to tell **us** what the dates of the **seasonal increase period** are. However, if **you** make a claim under this Policy Section then **your** financial records over the previous two (2) years must substantiate the period as a **seasonal increase period**. If the **business** is less than 2 years old, **you** can use the financial records of **your business** from the date of commencement until the date of the **loss** or **damage** to substantiate **your** claim.

3. Sprinklers and fire alarm systems

All fire protection systems (either manual or automatic sprinkler or alarm systems) in the **building(s)** and which **you** own or have responsibility for maintaining must be serviced by a qualified technician in accordance with Australian Standard 1851-2012 *Routine service of fire protection systems and equipment*, which **you** can obtain from www.standards.org.au (or any subsequent amendments or replacements).

4. Indexation

If shown in **your policy schedule** that indexation applies, **we** will automatically adjust those values, as shown in **your policy schedule**, each year according to the most appropriate price index (as determined by **us**) and any other relevant indices published by the Australian Bureau of Statistics.

The premium **you** pay will be based on the adjusted total value(s) as shown in **your policy schedule**.

Worked dollar claim example 1

The following worked dollar claim examples are designed to assist **you** in understanding some of the benefits in this Policy Section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following examples should be used for general guidance only.

You have cover for a **building** that is used as both an accountant's office and **your** residence. For this reason it is a **home building**. **You** have checked **your policy schedule** and, because the "Indemnity Optional reduction in cover" basis is not shown, **you** are insured for "Reinstatement or Replacement". The total of all **sum insured** values in **your policy schedule** is \$400,000 (the total of the **sum insured** shown on **your policy schedule** for the **building** of \$380,000 and **contents** of \$20,000) and the **excess** shown on **your policy schedule** is \$250

When setting the "Building" **sum insured**, **you** must consider the costs to remove debris and payment of any architect fees. The **building** is **damaged** in a storm and the cost of repairs is \$200,000.

How much we pay		Further information
Cost of repairing the storm damage to your building	\$200,000	Usually the building is repairable if the cost of repairing the building is less than the sum insured (in this example the sum insured is \$380,000).
Removal of debris	+\$30,000	In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most we will pay under Extra Cover 4 of this Policy Section for removal of debris is \$50,000.
Less excess	-\$250	We deduct this from the amount we pay. We may ask you to pay this amount directly to the repairer.
Total claim	\$229,750	We normally pay this amount directly to you or, if we are arranging the repairs through a member of our repair network, directly to the repairer.

Underinsurance on a partial loss

In the above example, if the actual replacement value of all property at the **premises** at the time the **policy** was entered into was \$580,000 but **you** had only insured all of the property for \$400,000, the amount **we** pay will be reduced in accordance with Policy Section Condition 1 - Underinsurance.

The amount **we** would pay to replace buildings, contents and stock before **we** deduct the **excess** will be calculated as follows:

$$\text{Total claim of } \$200,000 \times \frac{\$400,000}{(80\% \times \$580,000)} = \$172,414$$

As the removal of debris amount of \$30,000 is paid under Extra Cover 4 - "Removal of debris and temporary repairs" underinsurance does not apply to this amount.

Worked dollar claim example 2

You have cover for a **building** that is used as both an architect's office and **your** residence. For this reason it is a **home building**. **You** have checked **your policy schedule** and, because the "Indemnity Optional reduction in cover" basis is not shown, **you** are insured for "Reinstatement or Replacement". The **sum insured** on **your policy schedule** is shown as \$2,500,000 and the **excess** shown on **your policy schedule** is \$250. The **building** is **damaged** in an earthquake and the cost of repairs is \$1,000,000.

How much we pay		Further information
Cost of repairing the earthquake damage to your building	\$1,000,000	Normally the building is repairable if the cost of repairing the building is less than the sum insured (in this example the sum insured is \$2,500,000).
Removal of debris	+\$80,000	In addition to the damage to the building , the earthquake has created building debris that requires cleaning up and removal at a cost of \$80,000. The most we will pay under Extra Cover 4 of this Policy Section for removal of debris is \$50,000. However, as the removal of debris costs are more than \$50,000 and the total declared value has not been exhausted, we will pay up to the amount of total declared value not paid out or payable to cover the removal of debris costs not covered by Extra Cover 4.
Less excess	-\$20,000	We deduct this from the amount we pay. We may ask you to pay this amount directly to the repairer.
Total claim	\$1,060,000	We normally pay this amount directly to you or, if we are arranging the repairs through a member of our repair network, directly to the repairer.

- b. increased cost of working. This is the expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **turnover** of the **business** caused by **loss** or **damage** covered by this Policy Section. However, **we** will not pay for any amount of expenditure to the extent that it exceeds the reduction in **gross profit** avoided by it (less **expenses** saved as a result of the **damage**).

2. Gross rentals cover.

If the **policy schedule** shows that **you** are insured for “Gross Rentals” **we** will pay for **your**:

- a. reduction in **gross rentals**. This is the amount by which the **gross rentals** during the **indemnity period** falls short of the **standard gross rentals** as a consequence of **loss** or **damage** covered by this Policy Section; and
- b. increased cost of working. This is the expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **gross rentals** caused by **loss** or **damage** covered by this Policy Section. However, **we** will not pay for any amount of expenditure to the extent that it exceeds the reduction in **gross rentals** avoided by it (less **expenses** saved as a result of the **damage**).

Policy Section Conditions

These conditions apply to all covers and claims under this Policy Section in addition to the General Policy Conditions on pages 17 to 19.

1. Savings

The amount payable for loss of **gross profit** and of **gross rentals** will be reduced by the sum of any **expenses** or charges reduced or avoided during the **indemnity period**.

2. New business

In the event of **damage** occurring at the **premises** before the completion of the first year of trading of the **business**, the meaning of **annual gross rentals**, **annual turnover**, **rate of gross profit**, **standard gross rentals** and **standard turnover** do not have the meanings given to them in the definitions of this Policy Section but have the following modified meanings:

Annual gross rentals

The proportional equivalent, for a period of 12 months, of the **gross rentals** realised during the period between the commencement of the **business** and the date of **damage**.

Annual turnover

The proportional equivalent, for a period of 12 months, of the **turnover** realised during the period between the commencement of the **business** and the date of the **damage**.

Rate of gross profit

The rate of gross profit earned on the **turnover** during the period between the commencement of the **business** and the date of the **damage**.

Standard gross rentals

The proportional equivalent, for a period equal to the **indemnity period**, of the **gross rentals** realised during the period between the commencement of the **business** and the date of the **damage**.

Standard turnover

The proportional equivalent, for a period equal to the **indemnity period**, of the **turnover** realised during the period between the commencement of the **business** of the business and the date of the **damage**.

The “rate of gross profit”, “annual turnover”, “standard turnover”, “annual gross rentals” and “standard gross rentals” will be adjusted to provide for the trend of the **business** and for variations in or other circumstances affecting the **business**, either before or after the **damage**, so that the adjusted figures represent as far as possible the results which, but for the **damage**, would have been obtained during the relative period after the **damage** occurred.

We will take into account any events or trends which **your business** is affected by in the first year of trading, whether before or after, the interruption took place and adjust the modified meanings of **standard turnover** or **standard gross rentals** accordingly to reasonably reflect the likely **gross profits** or **gross rentals** of the **business** during the **indemnity period**.

Gross Profit and Gross Rentals covers are subject to the following underinsurance provision which requires **you** to insure for full value. If **you** do not, **we** may pay **you** a lower amount after taking into account the proportion of underinsurance as stated below.

- a. For a claim for reduction of **gross profit**, the amount payable will be proportionately reduced if the “Gross Profit” **sum insured** is less than the sum produced by applying the **rate of gross profit** to 80% of the **annual turnover** (proportionately increased if the **indemnity period** exceeds 12 months).
- b. For a claim for reduction of **gross rentals**, the amount payable will be proportionately reduced if the “Gross Rentals” **sum insured** is less than 80% of the **annual gross rentals** (proportionately increased if the **indemnity period** exceeds 12 months).

4. Turnover elsewhere after damage

If during the **indemnity period** goods are sold, or work is done or services are rendered, other than at the **premises** for the benefit of the **business**, the money paid or payable in respect of such sales, work or services rendered will be included in the calculation of the **turnover** during the **indemnity period**.

5. Gross rentals elsewhere after damage

If during the **indemnity period** the **business** is conducted other than at the **premises**, the **gross rentals** derived from those other premises will be included in the calculation of the **gross rentals** during the **indemnity period**.

6. Other events and trends

We will take into account any events or trends which **your business** is affected by, whether before or after, the interruption took place and adjust the **standard turnover** or **standard gross rentals** accordingly to reasonably reflect the likely **gross profits** or **gross rentals** of the **business** during the **indemnity period**.

7. Business conducted in departments

If the **business** is conducted in departments, business units or different locations and the independent trading results of these are ascertainable, the **gross profit** and **gross rentals** calculations in this Policy Section will apply separately to each department, unit or location affected by the **damage**.

8. Indemnity period shorter than twelve months

If **you** select an **indemnity period** that is shorter than twelve (12) months, then the amount that **you** nominate as **your** “Gross Profit” **sum insured** or “Gross Rentals” **sum insured** must be for a twelve (12) month period. If **your sum insured** does not reflect the twelve (12) month period, **you** may be underinsured and Policy Section Condition 4 – Underinsurance may apply to **your** claim. **We** will use the **indemnity period** **you** nominate to calculate a reduced premium to account for any **indemnity period** that is shorter than twelve (12) months.

<p>Under this Additional Benefit, we will extend the cover for legal liability provided by this Policy Section to an interested party subject to the same terms and conditions which apply to you, including without limitation, the General Claims Conditions and General Exclusions. We do not cover 
<p>This Additional Benefit will not extend to legal liability incurred by an interested party which:</p> <ol style="list-style-type: none">arises out of or in connection with the interested party's own negligence, acts, errors or omissions;arises independently of your performance of any contract or agreement between you and the interested party; orarises from an occurrence in respect of which you or the interested party is entitled to be indemnified pursuant to a policy which provides workers compensation insurance or any other policy or scheme which provides cover against liability for injuries to workers or employees. <p>This Additional Benefit will not extend to an interested party that is also a principal.</p>

6. Representation costs

We cover 
<p>We cover the costs of representing you at an inquest or in any court of summary jurisdiction relating to an occurrence during the period of insurance which may give rise to legal liability covered under this Policy Section, if you have notified us in advance and we have given our written consent prior to you incurring these costs.</p>

What we will pay

Public liability

We will pay up to the "Public Liability" **limit of liability** shown on **your policy schedule** for all amounts which **you** become legally liable to pay for compensation for **personal injury**, **property damage** or **advertising liability** covered by this Policy Section resulting from an **occurrence**.

Products liability

We will pay up to the "Products Liability" **limit of liability** shown on **your policy schedule** in total for all **occurrences** that give rise to **your legal liability** to pay compensation for **personal injury** or **property damage** covered by this Policy Section and that happen during the **period of insurance** in connection with **your products**.

Legal costs

Unless stated otherwise, the Extra Cover – Legal Costs is in addition to the **limit of liability**. Subject to the terms and conditions of Exclusion 14 – Jurisdiction Limits paragraph b. of this Policy Section, for any claim arising from a recognition or enforcement action brought or instituted within Australia or New Zealand relating to a judgement obtained against **you** within the **United States** or **Canada** arising from **business** visits (but not **manual labour** or supervision of **manual labour** and not in respect of **advertising liability** arising from **business** visits to the **United States** or **Canada**) by travelling directors and **employees** of the **named insured** normally resident in Australia or New Zealand, the **limit of liability** is inclusive of the Extra Cover – Legal Costs and Additional Benefits.

Application of limit of liability to claims that exceed the limit

If **we** pay the **limit of liability** in respect of any **occurrence we** will not be obliged to defend any legal action against **you**. **We** will have no further liability under this Policy Section with respect to the **occurrence**, except for those legal costs covered under Extra Cover 1 – Legal costs that were incurred with respect to the **occurrence** by **you** with **our** permission prior to the date of payment of the **limit of liability**.

If a payment exceeding the **limit of liability** has to be made to dispose of a claim or legal action against **you**, **our** liability to pay legal costs covered under Extra Cover 1 – Legal costs, with respect to the **occurrence**, will be limited to that proportion of those legal costs as the **limit of liability** bears to the amount paid to dispose of the claim or legal action.

Example:

Limit of liability = \$10,000,000

Payment to dispose of the claim = \$20,000,000

Legal costs incurred under Extra Cover 1 = \$100,000

Limit of liability is 50% of amount paid to dispose of the claim

Our liability for legal costs is limited to 50% of \$100,000 = \$50,000 (less any applicable excess).

Optional Insurance Extra Covers

If a claim is covered under Optional Insurance 1 – Employee Dishonesty, **we** will also pay or provide the Extra Covers set out below.

1. Claims preparation costs

We cover

We will pay for the reasonable cost of auditors' fees and other reasonable expenses **we** have first agreed to pay, for the preparation of claims under this Optional Insurance.

We will pay up to \$25,000 in total under this Optional Insurance Extra Cover in any one (1) **period of insurance**.

Any amounts payable for claims preparation costs do not apply in addition to the **sum insured** applicable to this Optional Insurance.

2. Retroactive cover

We cover

If Optional Insurance 1 – Employee Dishonesty replaces any previous fraud and dishonesty policy held by **you** that is terminated, cancelled or allowed to expire at the time of the replacement, **we** will cover any **fidelity loss** that is within the period of cover of the consecutive previous policy provided that:

- a. the **fidelity loss** would have been recoverable by **you** under the consecutive previous policy except for the fact that the time within which to **discover** any **fidelity loss** had expired; and
- b. the **fidelity loss** would have been covered under this Policy Section if this Policy Section had been in force when the acts or defaults causing the **fidelity loss** were committed.

3. Welfare, social or sporting club cover

We cover

The term “**you**” is extended to include any welfare, social or sporting club formed with **your** knowledge or consent which is exclusively for the benefit of **employees** and their families.

Unless stated otherwise, any amounts payable in respect of this extension of the term “**you**” does not apply in addition to the **sum insured** applicable to this Optional Insurance.

Policy Section Conditions

These conditions apply to all covers and claims under this Policy Section in addition to the General Policy Conditions on pages 17 to 19 and the General Claims Conditions on pages 20 to 24 that apply to this Policy Section.

If **you** do not comply with these Policy Section Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. Acquisition, merger or winding up of policyholder

If, during the **period of insurance**, any of the following events occur:

- a. a **merger or acquisition** of the **policyholder**; or
- b. the appointment of a receiver, controller, administrator or liquidator to the **policyholder** or, the commencement of a scheme of arrangement or compromise or a winding up process in respect of the **policyholder**,

then this Policy Section will remain in force until the expiry of the **period of insurance**, but only in respect of **financial loss** resulting from **claims** based on **wrongful acts** committed or alleged to have been committed prior to the events described in a. or b. above.

2. Severability and imputation

For the purposes of this Policy Section, any knowledge or information possessed by any past, present or future chief executive officer, chief operating officer, chief financial officer, chief legal officer (or similar positions) or chairman of the board of **directors** shall be imputed to the **company**.

The proposal made to **us** prior to entering into this **policy** shall be construed as separate applications for cover by each of **you** and, except as provided for above, no information provided by or representation made by one, will be imputed to another.

A breach of this Policy Section or knowledge or information possessed by one of **you** will not be imputed to another except as provided for above.

3. Related claims

For the purpose of the calculation of the **sum insured**, any sub-limit or **excess**, all **related claims** will be deemed to be one **claim** and cover for all **related claims** will be provided as follows:

- a. if the first **related claim** is first made during the current **period of insurance** and notified to **us** during the current **period of insurance** or any applicable **discovery period**, then cover for all subsequent **related claims** will only be provided under this **policy**; and
- b. if the first **related claim** was first made and notified to **us** during a period prior to the current **period of insurance**, during which **you** had cover with **us**, then cover for all **related claims** will only be provided under that earlier policy with **us**, subject to the terms, **excess** and **sum insured** of that earlier policy; and
- c. if the first **related claim** was first made during a period prior to the current **period of insurance**, during which **you** did not have cover with **us**, then no cover for any **related claim** will be provided under this **policy**.

This Policy Section Condition does not apply to Optional Insurance 1 – Employee Dishonesty.

4. Notification

The **policyholder** must give to **us** notification of any **claim** made against **you**, or any **financial loss**, as soon as reasonably practicable within the **period of insurance**.

Each notification of a **claim** must include so far as practicable:

- a. the identity of the claimant or potential claimant;
- b. the nature of the **claim**; and
- c. the likely quantum of the **claim**.

The **policyholder** must provide **us** notification of any **business crisis event** as soon as reasonably practicable and during the **period of insurance**.

Each notification of a **business crisis event** must include a full description of the event. The **policyholder** must provide **us** with such further information and documentation as **we** may reasonably require.

If the **policyholder** does not notify **claims, financial loss** or **business crisis events** as soon as reasonably practicable within the **period of insurance**, **our** liability may be reduced by an amount that fairly represents the extent to which **our** interests were prejudiced as a result of **your** delay in notifying **us** of the **claim, financial loss** or **business crisis event**.

5. Claims conduct

In relation to **claims** against **you**, **we** have the right and full discretion to conduct **claims**. **We** may engage legal or other representatives to assist in the conduct of a **claim**. At all times **we** reserve the right to negotiate and settle a **claim** on terms **we** consider appropriate. **You** must allow **us** to make admissions, settle or defend **claims** made against **you** on **your** behalf.

We reserve entirely **our** rights under this **policy**, including **our** right to agree or deny cover while **we** assess a **claim** or conduct a defence. **Our** rights under this Policy Section are not affected if **we** do not conduct the defence.

Neither **you** nor **we** will be required to contest or litigate any **claim** if, in the opinion of Senior Counsel (or equivalent), reasonable attempts should be made to settle the **claim**. The Senior Counsel (or equivalent) shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the Bar Association of the relevant State or Territory jurisdiction. The cost to obtain the opinion will be paid by **us** and treated as **defence costs**.

Senior Counsel (or equivalent) shall provide the opinion in writing. In formulating the opinion Senior Counsel (or equivalent) shall consider commercial matters including the amount of the **claim**, the actual and potential **financial loss** (including **defence costs**) that may reasonably be incurred in contesting the **claim**, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful Senior Counsel (or equivalent) will also provide a settlement range within which reasonable attempts should be made to settle the **claim**.

If it is the opinion of Senior Counsel (or equivalent) that reasonable attempts should be made to settle the **claim**, **you** will not object to **our** attempt to do so.

6. Settlement

You must not settle or offer to settle any **claim**, incur any **defence costs**, or **representation expenses** or otherwise assume any contractual obligation or admit any liability in respect of any **claim** without **our** prior written consent.

If **you** object to a proposal by **us** to settle or compromise any **claim** payable under this Policy Section and wish to contest or litigate the matter, then **you** may so elect, but **our** liability in respect of any such **claim** so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by **us**, together with **defence costs** payable in accordance with the terms of this Policy Section and incurred up to the time of such election.

7. Allocation of loss

When allocation of loss applies

In the event that:

- a. a **claim** against **you** results in:
 - i. **financial loss** which is partly covered and partly not covered by this Policy Section; or
 - ii. **financial loss** for which some of **you** are covered and some of **you** are not covered by this Policy Section (whether the **claim** is made against **you** jointly or severally); or
- b. a claim is made against **you** and also against other persons not covered by this Policy Section which results in **financial loss**, some of which is covered and some of which is not covered by this Policy Section (whether the claim is made against **you** jointly or severally), (together "Loss to be Allocated"), then **we** must decide a fair and reasonable allocation between the covered and uncovered **financial loss** and/or the covered and uncovered persons.

This fair and reasonable allocation of the covered part of the Loss to be Allocated among the relevant **insureds** and **us** will have regard to the extent of each **insured's** comparative responsibility for the Loss to be Allocated.

What we must take into account of when deciding allocation

Our consideration of what is fair and reasonable will include without limitation, the following factors:

- a. the nature of the **claim** against each **insured**;
- b. the issues of fact and law in relation to each **insured**;
- c. the content and the manner of the conduct of any defence of the **claim**;
- d. the relative degree of personal responsibility for the **financial loss**;
- e. the extent to which the **insured's** responsibility for the **financial loss** is joint, several or shared;
- f. the extent to which any person or entity, other than that **insured**, would obtain a benefit from the payment by **us**;
- g. the extent to which the **financial loss** is solely of that **insured**;
- h. the extent to which the issues in the **claim** against that **insured** are in common with the issues in the **claim** against any other person or entity;
- i. the extent to which the **financial loss** is partly covered and partly not covered under this Policy Section; and
- j. in the event of a settlement, the likely comparative responsibility had the settlement not occurred.

If you do not agree with our allocation decision

If **you** wish to dispute **our** decision in respect of the allocation, each party agrees that the dispute must be referred for expert determination in accordance with the Australian Disputes Centre ("ADC") current Rules for Expert Determination (the Rules), available from www.disputescentre.com.au, to an expert agreed by the parties, or if the parties do not agree on an expert, an expert nominated by ADC in accordance with the Rules.

Each party agrees to sign an agreement with the expert that confirms the following matters, unless contrary to the Rules or the requirements of the ADC:

- a. the payment of fees for the appointed expert (Note: refer to 'Cost of the Expert Determination' below for more information); and
- b. the expert may:
 - i. consider relevant industry practice;
 - ii. consider all information presented to the expert by either party;
 - iii. request more information from either party;
 - iv. request a meeting with the parties to which they may bring their legal representatives or other persons with information or knowledge relevant to the determination of the allocation (in accordance with the Rules, the meeting is not a hearing); and
- c. the expert must provide a determination, subject to receiving all information required, within thirty (30) days after the agreement is signed, unless:
 - i. another time is agreed between the parties, in which case the agreement will provide for this timeframe; or
 - ii. the expert must comply with a timeframe as set by the ADC, in which case the agreement will provide for this timeframe; and
- d. the expert must provide written reasons for the determination; and
- e. the expert's decision will be binding on the parties and final; and
- f. all liability of the expert to either party will be excluded (including liability for negligence) to the full extent permitted by law.

This allocation applies for all purposes under this Policy Section including Additional Benefit 1 – Advancement of defence costs and representation expenses, Policy Section Condition 8 –Recoveries and General Claims Condition 15 - Rights of recovery.

Any allocation of **financial loss** will not apply to or create a presumption with respect to the allocation of other **financial loss** on account of such **claim**.

Cost of the Expert Determination

We will pay for the cost of the Expert Determination above, including **your** share of the costs.

The ADC may require each party to bear the cost of the Expert Determination in equal proportions and require each party to individually pay their share of any cost required directly (including any fee, deposit or other amount charged). Where this is required, **you** must pay the costs accordingly and **we** will separately reimburse **you** for the cost of the Expert Determination.

Example of allocation:

A **claim** is made against both the **directors** and the **company** for breach of a third party's intellectual property rights. The claim against the **company** is excluded by Exclusion 7 – Intellectual property rights but this exclusion does not apply to the **claim** against the **directors**. The **claim** is settled for \$10,000,000 and legal costs of \$2,000,000 are incurred on behalf of both the **company** (not covered) and the **directors** (covered). **We** decide in settling the **claim** that 40% of the legal costs and 40% of the compensation component relates to the insured **directors'** liability for the loss.

We pay \$800,000 of legal costs and \$4,000,000 of compensation and claimant's costs.

8. Recoveries

All money recovered from other parties before settlement of any **claim** under this Policy Section will be held for the benefit of **us** and applied as stated immediately above after settlement, if any is made.

Recoveries do not include any amount recovered from insurance, surety, reinsurance, security or indemnity taken for the benefit of **us**.

9. Authorisation

The **policyholder** is the agent for each of **you** and each of **you** is bound by any statement, act or omission of the **policyholder** for all purposes under this Policy Section, subject to Policy Section Condition 2 – Severability and Imputation and Policy Section Condition 5 – Claims Conduct.

If the **policyholder** is more than one entity, then the first entity listed in the **policy schedule** will be deemed to be the **policyholder**.

10. Confidentiality

You must not disclose the existence or terms of this Policy Section, including without limitation the **sum insured**, the nature of the insurance or the premium payable to any person who is not insured except where:

- a. **you** are required by law or stock exchange rules to do so; or
- b. **we** provide **our** prior written consent to such disclosure.

If **you** disclose the existence or terms of this Policy Section without obtaining **our** prior written consent, unless **you** are required by law or stock exchange rules to do so, **we** may refuse to pay **your** claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the **claim** as a result of **your** disclosure).

What we will pay

Our liability to **you** under this Policy Section in respect of **financial loss** resulting from **claims** first made against **you** and notified to **us** during the **period of insurance** (or the **discovery period**, if applicable) will not exceed the "Management Liability" **sum insured** in the aggregate for all **financial loss** covered under the Policy Section during the **period of insurance**.

Except as provided by the Optional Insurance 1 – Employee Dishonesty, **we** have no liability for any amount above the "Management Liability" **sum insured**.

Any **discovery period** will not increase or reinstate the "Management Liability" **sum insured** or any Sub-limit of Liability, which will be **our** maximum liability for the **period of insurance** and **discovery period**, combined.

In respect of the Optional Insurance 1 – Employee Dishonesty, **we** will:

- a. pay **you** the amount of lost **money**; or
- b. replace lost **covered property** or pay the market value of the **covered property** if the item is unable to be replaced.

Notwithstanding that the act of fraud or dishonesty may have been committed during more than one (1) **period of insurance**, the maximum amount **we** will pay for all **claims** under Optional Insurance 1 – Employee Dishonesty in the **period of insurance** is the "Employee Dishonesty" **sum insured**.

Excess

The **excess** that applies to Management Liability only is specifically shown on **your policy schedule** and applies to each **claim** under this Policy Section. Please refer to General Claims Condition 11 – Paying your excess for information about the options for paying the **excess**.

If a **claim** is covered under Additional Benefit 2 – Continuity then a higher **excess** will apply if the **excess** applicable to the Management Liability Policy Section in force at the time when **you** first became aware of such fact, **event**, circumstance or **wrongful act** is higher than the **excess** specified in **your policy schedule**.

You are liable for the amount of **financial loss** or **fidelity loss** up to the **excess** for each **claim** under this Policy Section.

The **excess** is deducted from **financial loss** payable before the application of the "Management Liability" **sum insured** or, in respect of Optional Insurance 1 – Employee Dishonesty, from **fidelity loss** payable before the application of the "Employee Dishonesty" **sum insured**.

Legal Liability only	Part 1 does not apply Part 2 applies

The insured **events** are listed in “Insuring clause – what we cover”. An insured **event** does not include any of the items, events or circumstances set out in what “We do not cover”.

You can ask **us** at any time to change the cover option for any **vehicle** and if **we** agree, there may be an additional premium or a refund of premium.

Cover for additional vehicles

We automatically provide cover for any additional vehicle **you** acquire, purchase or lease (but not hire or borrow) during the **period of insurance** provided that **you** tell **us** about the additional vehicle within thirty (30) days of getting it and pay any extra premium **we** request.

If **we** are unable to continue covering the additional vehicle, **we** will tell **you** and give **you** fourteen (14) days from the date **we** tell **you** so **you** can organise to insure the vehicle elsewhere. Cover for the additional vehicle will then end at 4:00pm fourteen (14) days after **we** have told **you we** are unable to continue covering the additional vehicle.

If **you** have only one (1) type of cover option for **your vehicles**, for example 'Comprehensive cover', that will be the cover option for any additional vehicle **you** obtain during the **period of insurance** (unless **you** tell **us you** want another cover option).

If **you** have **vehicles** insured with **us** for more than one (1) type of cover option, for example, 'Comprehensive cover' and 'Legal Liability, Fire and Theft cover', **we** will automatically provide the cover option with the better cover for any additional vehicle **you** get during the **period of insurance** (unless **you** tell **us you** want another cover option).

The **sum insured** of any additional vehicle will be its **market value**. However, unless a higher amount is shown on **your policy schedule** for additional vehicles or **we** have agreed to insure an additional vehicle that is similar for a higher amount, the most **we** will pay for **loss** or **damage** to an additional vehicle is:

- a. \$100,000 if the additional vehicle is a motorcycle, caravan, car, 4WD, utility or van of not more than 2 tonne carrying capacity;
- b. \$300,000 for any other type of additional vehicle.

The most **we** will pay for **legal liability** arising from the use of an additional vehicle is the relevant amount stated in Part 2 of this Policy Section.

Additional vehicles that **you** have advised **us** of and that **we** have agreed to insure will be noted on **your policy schedule** and will be insured for **sum insured**, **market value** or **agreed value** as agreed by **you** and **us**.

If a claim for **legal liability** is covered under any Additional Benefit in this Part, the "Limits to what we pay" in Part 2 of this Policy Section will apply, unless specified otherwise.

Total loss

If **your vehicle** is a **total loss** and the conditions applying to Extra Cover 1 – New vehicle after total loss are met, **we** will settle **your** claim with a new replacement vehicle or by a payment, as provided for in Extra Cover 1. Where Extra Cover 1 – New vehicle after total loss does not apply, **we** will settle **your** claim in one of the following ways:

A. Market value or sum insured

If the **vehicle** is shown on **your policy schedule** as having **market value**, and the **sum insured** does not show a figure in dollars, **we** will pay **you** the **market value of your vehicle**.

If the **vehicle** is shown on **your policy schedule** as having a **market value**, and the **sum insured** does show a figure in dollars, **we** will pay **you** the lesser of the **market value** or the **sum insured**.

For example, where the **sum insured** of **your vehicle** is shown in the **policy schedule** as \$60,000 and **your vehicle** is involved in an **event** that could lead to **your vehicle** being declared a **total loss**, it will be examined and details recorded such as general condition, fixtures, fittings and kilometres travelled. If, due to the poor condition of **your vehicle**, excessive kilometres travelled, wear and tear and rust the **market value** is calculated as \$40,000, **we** will pay **you** this lesser amount.

In the case of additional vehicles that are not shown on **your policy schedule** what **we** pay is as set out under 'Cover for additional vehicles' on page 116.

The **market value** or **sum insured** of **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified on **your policy schedule**.

We will deduct any **excess** that is payable from the amount **we** pay.

When **we** pay the **market value** or **sum insured** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. There will be no refund of the premium.

B. Agreed value

If the **vehicle** is shown on **your policy schedule** as having **agreed value**, **we** will pay **you** the **sum insured** shown on **your policy schedule** for **your vehicle**. This **sum insured** for **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified on **your policy schedule**.

The **agreed value** shown on **your policy schedule** is the most **we** will pay for theft, **loss** or **damage** to **your vehicle**. **We** will not deduct any **input tax credit** from the amount of the **agreed value** specified on **your policy schedule**.

We will deduct any **excess** that is payable from the **agreed value**.

When **we** pay the **agreed value** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. There will be no refund of the premium.

C. Legal liability, fire and theft

If the **vehicle** is shown on **your policy schedule** as having Legal Liability, Fire and Theft cover, **we** will pay **you** the **market value** or the **sum insured** for **your vehicle**, whichever is less. The **market value** of **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified on **your policy schedule**. **We** will deduct any **excess** that is payable.

When **we** pay the **market value** or **sum insured** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. There will be no refund of the premium.

Settlement conditions applicable if your vehicle is a total loss

We will deduct any unpaid premium from any amount that **we** pay **you** for a **total loss**.

Your vehicle or salvage of **your vehicle**, including any unexpired premium, registration and Compulsory Third Party (CTP) or Motor Accident Injuries (MAI) insurance (unless the law requires otherwise), becomes **our** property when **we** pay **you** for the **total loss**. Where **you** are entitled or required by law to obtain a refund for unused registration or CTP or MAI insurance, **we** will deduct those amounts from what **we** pay **you** for the **total loss**. If **we** are unable to collect any unexpired registration or CTP or MAI insurance **ourselves**, **you** must provide reasonable assistance to help **us** to do so if **we** ask.

If another party (e.g. a finance provider) has an interest in **your vehicle** and **your vehicle** is a **total loss**, **we** pay them (instead of **you**) what **you** owe them up to the amount **you** are entitled to under this **policy**. If this amount is less than the full amount payable under the **policy**, **we** pay **you** the balance.

When **you** make a claim and another party (e.g. a finance provider) is entitled to the salvage of **your vehicle**, **we** will pay **you** or them the **sum insured** shown on **your policy schedule**, less **our** estimate of the salvage value, less any **excess** and unpaid premium.

For an example of how **we** settle a **total loss** claim, see pages 136 to 137 of this **policy**.

Partial loss

If **your vehicle** is a **partial loss**, **we** will do the following (depending on the exact circumstances of the claim):

- a. repair the **damage** or replace the **damaged** parts of **your vehicle** using a **recommended repairer** or **you** may choose **your** own repairer. If **you** choose **your** own repairer **we** will authorise repairs for the amount of the **assessed quote** from **your** repairer;
- b. pay **you** the amount of the **assessed quote** from a **recommended repairer** when a **recommended repairer** is able to complete the repair of the **damage** or replace the **damaged** parts of **your vehicle**, but **you** request a cash settlement; or
- c. pay **you** the amount of the **assessed quote** from **your** repairer if a **recommended repairer** cannot complete the repair of the **damage** or replace the **damaged** parts of **your vehicle** or if **we** do not authorise repairs based upon **your** repairer's quote.

If **we** settle **your** claim by paying **you** the amount of the **assessed quote** and **you** do not carry out the repairs to **your vehicle**, it may lead **us** to reduce or refuse to pay any subsequent claim by **you** in respect of that particular **vehicle**.

For an example of how **we** settle a **partial loss** claim, see pages 137 to 138 of this **policy**.

Choice of repairer and parts policy

If **your vehicle** is a **partial loss**, **we** can arrange the repairs with a **recommended repairer** if one is available, or alternatively **you** can choose **your own repairer** and **we** will authorise repairs for the amount of the **assessed quote** from **your repairer**.

Where **we** are able to provide **you** with access to one of **our recommended repairers**, **we** will offer **you** a choice if there is more than one in **your area**. However, **we** may only be able to nominate one **recommended repairer** if there are no others available.

Where **we** are unable to provide **you** with access to one of **our recommended repairers**, **we** will require **you** to choose **your own repairer**.

If **we** authorise repairs with a **recommended repairer** or **your own repairer**, **we** will:

- a. authorise the repair of **your vehicle** to the same or reasonably similar condition and standard immediately before the **event**;
- b. except for windscreens and window glass, authorise only the use of new parts or where available, parts which are consistent with the age and condition of **your vehicle** (which may include using reusable parts where available);
- c. replace **damaged** windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules;
- d. authorise only the use of manufacturer's approved parts if **your vehicle** is under warranty, but not when **your vehicle** has an extended warranty or for windscreen replacement;
- e. if the same part as a damaged part is not available, give **you** the option to accept the **market value** of the obsolete part or to use an equivalent part (if available) to complete the repair. Where the damaged or equivalent part is not available and **your vehicle** cannot be safely repaired, **we** will declare **your vehicle** a **total loss**; and
- f. guarantee the quality of materials and workmanship in respect of the repairs for the life of the **vehicle**.

Any repairer **we** authorise to repair **your vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If **you** choose **your own repairer** and **we** do not authorise repairs for the amount of the **assessed quote** from **your repairer** **we**:

- a. will pay **you** an amount equal to the **assessed quote** from **your repairer**; and
- b. will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, **we** will pay the cost of surface freight from the nearest reasonable source of supply.

You are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

If **we**:

- i. pay **you** the amount of the **assessed quote** from a **recommended repairer** because a **recommended repairer** is able to complete the repairs or replace the damaged parts of **your vehicle** but **you** have requested a cash settlement; or
- ii. pay **you** the amount of the **assessed quote** from **your repairer** because a **recommended repairer** cannot complete the repairs or replace the damaged parts of **your vehicle**,

we also do not authorise the repairs. **We** will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

Contribution to repair work

You may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by neglect, wear and tear, weathering, rust, mould, mildew or corrosion ('pre-existing damage'). How much **you** are required to contribute will depend on how affected by such pre-existing damage these items were when the **damage** happened.

If **you** do not want to contribute to this cost and the repairs cannot be carried out due to the pre-existing damage, instead of carrying out the repairs:

- i. if **we** have obtained a quote from a **recommended repairer** (and **you** have not obtained a quote from **your repairer**) **we** will pay **you** the amount of the **assessed quote** from **our repairer**, excluding the cost to replace or repair the pre-existing damage; or
- ii. if **you** have obtained a quote from **your repairer** that includes the cost to replace or repair the pre-existing damage **we** will pay **you** the amount of the **assessed quote** from **your repairer** excluding the cost to replace or repair the pre-existing damage.

We will subtract any **excess** that may apply.

For an example of how **we** settle a **partial loss** claim, please see pages 137 and 138 of this **policy**.

PART 1 – POLICY SECTION CONDITIONS

These conditions apply to all covers and claims under Part 1 of this Policy Section in addition to the General Policy Conditions on pages 17 to 19.

If **you** do not comply with these Policy Section Conditions **we** may:

- refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- recover from **you** any costs and/or any monies **we** have paid; and/or
- cancel **your policy**.

Lifetime guarantee for repairs

If **we** authorise repairs for **your vehicle**, **we** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **your vehicle**. The parts used in any lifetime guarantee repairs to a **vehicle** will be the same as those described in 'Choice of repairer and parts policy' above. If **you** are concerned about the quality of the repairs to a **vehicle**, **you** must contact **us** and make **your vehicle** available to **us**. **You** must not authorise any rectification work without **our** written authority. **We** will inspect the repair and arrange any necessary rectification work.

If it would not be safe or economical to carry out the rectification work required, **we** will declare the **vehicle** a **total loss** and pay **you** an amount under A. 'Market value or sum insured' or B. 'Agreed value' (see pages 123 to 124), whichever applies to **your vehicle**.

If **we** pay **you** the amount of the **assessed quote** **we** do not authorise repairs and **you** will not be entitled to the lifetime guarantee on repairs that **we** do not authorise.

Vehicle identification

Where **your vehicle's** identification, such as its compliance, build or VIN plate or label, has been **damaged**, **we** will try to source a replacement from its manufacturer. If **we** cannot source it for **you**, **we** will attempt to obtain a letter from the manufacturer to confirm **your vehicle's** identity and that its original identification has been **damaged**. **We** will still repair **your vehicle** without replacing any **damaged** identification, unless an alternative form of identification is required by law.

Underinsurance condition

If at the time of the **event**, **your vehicle** was insured for less than 80% of its **market value** and because of the **event** **your vehicle** is:

- a **total loss**, **we** will not apply this underinsurance condition; or
- a **partial loss**, **we** will pay the same proportion of the **loss** as the **sum insured** bears to 80% of the **market value** of **your vehicle**.

For an example of how **we** settle a **partial loss** claim where the underinsurance condition applies, please see page 138 of this **policy**.

In assessing the amount **we** pay, prime movers and attached trailers and dollies are regarded as separate and distinct insured **vehicles**.

This underinsurance condition does not apply if **your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

How you earn a No claim bonus

A No claim bonus recognises **your** good driving and claims history record where **you** are insured for Comprehensive cover.

Your policy schedule will show the type of No claim bonus **you** are entitled to (if any), and **your** premium will be charged accordingly.

If **you** are not entitled to a maximum No claim bonus, **you** will earn an entitlement to a bonus for the next **period of insurance** if there have been no claims that fall within the definition of a **penalty claim**.

A **penalty claim** is an **event** or claim where **you** are at fault, or a claim where **we** are not able to recover the costs of repairing or replacing **your vehicle**.

The following will apply if **you** qualify for a No claim bonus:

For cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity:

Year	Existing bonus	Renewal bonus
1st Year	0%	25%
2nd Year	25%	45%
3rd Year	45%	55%
4th Year	55%	65%
Subsequent Years	65%	65%

For all other **vehicles**:

Year	Existing bonus	Renewal bonus
1st Year	0%	20%
2nd Year	20%	30%
3rd Year	30%	40%
4th Year	40%	50%
Subsequent Years	50%	50%

Protected No claim bonus

If **you** are entitled to a maximum No claim bonus of 65% for cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity, and **you** are insured for Comprehensive cover, **we** may provide the option when **you** first take out the **policy**, or upon renewal, to protect **your** No claim bonus for that **vehicle**.

It costs extra to choose to protect **your** No claim bonus. **We** can give **you** a price with and without the Protected No claim bonus Optional Insurance (details on page 132) to help **you** decide whether the option suits **your** needs.

How making a claim could affect your No claim bonus

If you do not lodge a penalty claim

If **you** did not lodge a **penalty claim** during the **period of insurance**, then **your** No claim bonus will not be detrimentally affected at renewal of **your policy**.

Windscreen claims

When **you** renew **your policy**, **your** No claim bonus will not be affected for any windscreen or window glass claim **you** make.

Other claims

When **you** renew **your policy**, **we** reduce **your** No claim bonus for each **penalty claim you** have made during the **period of insurance**. This does not apply if **you** have purchased the Protected No claim bonus Optional Insurance and it applies to the claim. If **you** have purchased Protected No claim bonus Optional Insurance and it applies to the claim in respect of **your vehicle** involved in an **event**, **we** will not count the first **penalty claim** on that **vehicle** during the **period of insurance**.

The amount **we** reduce **your** No claim bonus to is set out below:

For cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity:

Your current No claim bonus	Following 1 penalty claim	Following more than one penalty claim
65%	45%	Nil
55%	25%	Nil
45%	Nil	Nil
25%	Nil	Nil
Nil	Nil	Nil

For all other **vehicles**:

Your current No claim bonus	Following 1 penalty claim	Following more than one penalty claim
50%	30%	Nil
40%	20%	Nil
30%	Nil	Nil
20%	Nil	Nil
Nil	Nil	Nil

When you make a claim for:	Does this detrimentally impact your No claim bonus?
An event where you are not at fault and we are able to recover	No
Windscreen or window glass only*	No
An event where you are at fault**	Yes

*If **you** have selected and paid for the 'Windscreen excess waiver' Optional Insurance, then **you** will not have to pay any **excess** for that claim. This Optional Insurance is only available for a car, utility, 4WD or van of not more than 2 tonne carrying capacity.

** **your** No claim bonus might not be affected if **you** have purchased Protected No claim bonus Optional Insurance, see page 132 for details.

You can claim for **your legal liability** as described under “We cover” if:

- g. where **you** cause **your own personal injury**, or if **you** injure or cause the death of someone who normally lives with **you**;

- i. because of an agreement **you** or anyone insured under this **policy** has entered into, unless **legal liability** would have applied anyway;
- j. for **personal injury** if at the time of the **event** **your vehicle** was being used as a show, carnival or festival attraction, parade float or for any similar activity;

We do not cover (cont.)

However, this exclusion does not apply to Additional Benefit 3 – Pollution, of Part 2.

Additional Benefits

We will also provide the following Additional Benefits in this Policy Section, subject to the **policy** terms and conditions, the General Exclusions and Policy Section Exclusions including the exclusions in Part 1 and Part 2 of this Policy Section and any **endorsement**. The **event** giving rise to the **legal liability** must not have been expected or intended.

This Optional Insurance does not apply unless you are entitled to a maximum No claim bonus for your vehicle .	

Excess

An **excess** is the amount **you** will have to pay if **you** claim under this Policy Section, unless stated otherwise. Please refer to General Claims Condition 11 – Paying your excess for information about the options for paying the **excess**.

Excesses are cumulative and apply to all claims, unless otherwise stated. If **you** also claim under another Policy Section for one (1) **event** the **excesses** payable under this Policy Section apply in addition to all other **excesses**.

For each **event**, or series of **events** arising from the one (1) originating cause **you** will bear the amount of the **excess** in respect of each and every insured **vehicle**, unless stated otherwise.

Under Extra Cover 10 – Towing and storage of Part 1 of this Policy Section, if **you** withdraw a claim or **we** refuse to accept it **you** do not have to pay an **excess**, however, **you** must refund any towing or storage costs **we** have incurred if **we** ask **you** to.

Under Extra Cover 11 – Hire vehicle after theft of Part 1 of this Policy Section, if **you** withdraw a claim or **we** refuse to accept it **you** do not have to pay an **excess**, however, **you** must refund any hire costs **we** have incurred if **we** ask **you** to.

Under Additional Benefit 6 – Legal liability for caravans and trailers of Part 2 of this Policy Section, the **excess** that applies is the one applicable to **your vehicle**.

The basic **excess** is shown on **your policy schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **policy**) are detailed below on pages 133 to 134. **You** might have to pay more than one type of **excess** when **you** claim. **You** must pay the **excesses** in full.

When and how you pay the excess

When **you** make a claim the following options are available to pay the **excess**:

- you** can pay the **excess** directly to **us** before **we** finalise **your** claim. In the case of a new replacement vehicle, **we** may require **you** to pay the **excess** before taking delivery of the new **vehicle**;
- the **excess** can be deducted from the amount **we** pay **you** for **your** claim (if any);
- in some instances, the **excess** can be paid to the appointed repairer when **you** pick up **your vehicle** after it has been repaired or to the supplier; or
- in some instances, the **excess** can be deducted from the amount **we** pay to another person for **loss** or **damage** to their property.

We will not cover any legal or other costs that arise because of any delay in paying the **excess**.

When your excess will be waived if the driver of your vehicle is not at fault

You do not pay any **excess** when **your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- another vehicle is involved in the **event**, and the driver of **your vehicle** is not at fault and **you** provide the name and address of the other driver at fault and the registration number of the other vehicle; or
- no other vehicle is involved in the **event**, and the driver of **your vehicle** is not at fault and **you** provide the name, address and phone number of the person at fault.

A failure to provide this information means **we** will not be able to waive **your excess**. It does not otherwise impact the cover under **your policy** for **loss** or **damage** to **your vehicle** under this Policy Section. However, if **your vehicle** is insured for Legal Liability, Fire and Theft or Legal Liability only, then cover for **loss** or **damage** to **your vehicle** under Additional Benefit 1 – Damage by uninsured drivers of Part 2 of this Policy Section is only provided if **you** provide the name and address of the at fault driver and the registration number of the vehicle involved.

Types of excesses

Basic excess

The basic **excess** is the amount shown on **your policy schedule**.

Age or inexperienced drivers excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of **your vehicle** at the time of an **event**. This **excess** will not apply to glass, **damage** while parked, fire, malicious **damage**, theft or storm claims.

In the case of a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when:

- a. the **vehicle** is a car, 4WD, utility or van of not more than 2 tonne carrying capacity:
 - i. for drivers under 21 years of age – \$500;
 - ii. for drivers 21 years of age or older – \$300;
 - iii. for **inexperienced drivers** – \$250;
- b. the **vehicle** is a prime mover and:
 - i. the **sum insured** for the prime mover is less than \$100,000 or it is insured for Legal Liability only – the age or **inexperienced driver excess** is \$2,500 or \$3,500 if the prime mover was towing more than one trailer at the time of the **event**;
 - ii. the **sum insured** for the prime mover is \$100,000 or more but not more than \$200,000 – the age or **inexperienced driver excess** is \$10,000 or \$15,000 if the prime mover was towing more than one trailer at the time of the **event**;
 - iii. the **sum insured** for the prime mover is more than \$200,000 – the age or **inexperienced driver excess** is \$25,000 or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**;
- c. the **vehicle** is not a car, 4WD, utility, van of not more than 2 tonne carrying capacity or prime mover – the age or **inexperienced driver excess** is \$750.

You must pay the applicable age or **inexperienced driver excess** in addition to any other **excess** for **your vehicle** that may be payable. For the purposes of the application of these age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if **your vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and **you** pay this in addition to any other **excess** payable for **your vehicle**.

Theft excess

A theft **excess** of \$2,500 applies to each claim for theft or **damage** occasioned by theft of:

- a. **your** skid steer loader, excavator, loader, backhoe or bobcat; or
- b. any of their accessories, whether these accessories are attached to **your vehicle** at the time of the theft or **damage** or not.

You pay this in addition to any other **excess** for **your vehicle** that may be applicable.

Endorsement excess

An **endorsement excess** may apply if **you** have **endorsements** to **your policy**. Any **endorsement excess** applicable to **your policy** will be shown in the **endorsement** wording.

You pay the **endorsement excess** shown in the **endorsement** wording in addition to any other **excess** for **your vehicle** that may be payable.

Radius excess

A radius **excess** applies to a claim for **loss** or **damage** to **your vehicle** or **legal liability** if at the time of the **event**, **your vehicle** was on a journey to or from a destination beyond the maximum radius of operation shown on **your policy schedule** measured from **your vehicle's** garaged postcode shown on **your policy schedule**. The radius **excess** is:

- a. \$500 if **your vehicle** is a truck or bus;
- b. \$2,500 if **your vehicle** is a trailer which at the time of the **event** was being towed by a prime mover or \$500 if being towed by a truck; or
- c. \$7,500 if **your vehicle** is a prime mover.

You pay the radius **excess** in addition to any other **excess** for **your vehicle** that may be payable.

Additional benefit excesses

An **excess** of \$1,000 applies to any claim under Part 1, Additional Benefit 3 – Hire vehicle of this Policy Section (unless another amount is shown on any **endorsement** in which case that other amount applies).

An **excess** of \$2,500 applies to any claim under Part 1, Additional Benefit 7 – Non-owned trailer in control of this Policy Section. This **excess** is additional to any **excess** payable for **your vehicle**.

An **excess** of \$500 applies to any claim under Part 2, Additional Benefit 5 – Non-owned vehicle liability of this Policy Section.

Application of excess involving trailer and towing vehicle

If a trailer being towed by **your vehicle damages** the property of another person and:

- a. only the trailer was **damaged**, the **excess** for the towing **vehicle** will apply; or
- b. there is no **damage** to either the trailer or towing **vehicle**, the **excess** for the towing **vehicle** will apply.

Policy Section Exclusions

You are not covered under this Policy Section:

 - vi. if and to the extent that it can be demonstrated that the alcohol, drugs or medication intake did not contribute to the **event**.
- If **we** pay a claim **we** can recover those costs from the person who was driving or in charge of **your vehicle**, unless the law prohibits recovery by **us**.

Worked dollar claim examples

The following worked dollar claim examples are designed to assist **you** in understanding some of the benefits in this Policy Section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following should be used as a general guide only. **You** should consider all examples as each example covers different benefits and scenarios.

All amounts are shown in Australian dollars and are GST inclusive unless indicated otherwise. **You** should read the **PDS** and Policy Wording and **your policy schedule** for full details of what **we** cover as well as what Policy Section limits, conditions and exclusions apply.

Example: Total loss — Market value.

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**. The basic **excess** is \$500. The **vehicle** is **damaged** in an accident and the cost of repair is \$20,000.

The **market value** is determined as follows:

The **vehicle** is an 8 year old sedan in poor condition. A motor vehicle guide records the value is \$20,000 for good condition. The **market value** is \$15,000 (GST inclusive).

The **vehicle** contains no modifications or accessories and it is a **total loss**.

How much we pay		Further information
Market value	\$15,000	The vehicle is a total loss with a market value of \$15,000. In this case the vehicle is a total loss since it is not economical to repair. Normally a vehicle is a total loss if the complete repair cost exceeds its market value less salvage value.
Less input tax credit	-\$1,364	If you are registered for GST and entitled to an input tax credit we will deduct this entitlement. In this example you are entitled to a full input tax credit (100%). We will not deduct this entitlement if your vehicle is insured for agreed value .
Less outstanding premium	-\$300	If you paid your premium by monthly instalments, we will deduct the remaining instalments for the period of insurance . In this example, there are three monthly instalments of \$100 each remaining when the total loss occurs.
Less excess	-\$500	Only the basic excess applies in this example. We deduct this from the amount we pay to you .
Total claim	\$12,836	We would normally pay this amount directly to you in a total loss situation.
Plus lease payout	\$2,200	If, instead of owning your vehicle outright, your vehicle was purchased under a finance lease and the amount owing was \$17,200 (excluding any payments in arrears and resulting interest), we will pay the difference between the amount owing under the finance arrangement and the market value (\$17,200 – \$15,000). This Extra Cover has a limit of 20% of the market value (\$3,000).
Less input tax credit	-\$200	In this example you are entitled to a full input tax credit (100%).
Total claim	\$14,836	We would normally pay the claim directly to your financier and not to you in circumstances of a lease payout. You pay your financier any amounts left owing.

If the **vehicle** in the previous example was less than 2 years old at the time of the insured **event**, instead of paying the previous claim **you** can choose to accept a replacement vehicle including similar accessories and parts plus on-road costs e.g. registration, compulsory third party, pre-delivery. **You** must pay the **excess** to the dealership that has provided the replacement vehicle or **us**.

If the **vehicle** salvage is valued at \$1,000, the salvage becomes **our** property and **we** are entitled to keep the \$1,000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless **you** obtain these refunds directly, in which case **we** will deduct these costs from the total claim above.

Example: Total loss – Agreed value

A utility that has a carrying capacity of not more than 2 tonnes is comprehensively insured for an **agreed value** of \$45,000. The **vehicle** is **damaged** in an accident that was not **your** fault and **you** have identified the at fault party and provided all their details that **we** require.

The cost of repair of **your vehicle** is \$46,000 and it is a **total loss**. The **vehicle** is not subject to finance. The basic **excess** is \$500.

How much we pay		Further information
Agreed value	\$45,000	The vehicle is a total loss with an agreed value of \$45,000. In this case the vehicle is a total loss since it is not economical to repair. Normally a vehicle is a total loss if the complete repair cost exceeds its agreed value less salvage value.
Less input tax credit	\$0	We do not deduct any input tax credit when your vehicle is comprehensively insured for agreed value .
Less excess	\$0	No basic excess applies in this example as the accident was not your fault and you have provided all the details of the at fault party that we require.
Total claim	\$45,000	We would normally pay the total claim amount directly to you in a total loss situation, unless your vehicle is subject to finance.

If the **vehicle** salvage is valued at \$10,000, the salvage becomes **our** property and **we** are entitled to keep the \$10,000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless these refunds are paid to **you** directly in which case **we** will deduct these costs from the total claim.

Example: Partial loss

A **vehicle** that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**, in this case \$12,000. The **vehicle** is stolen and subsequently recovered, **damaged**, 13 days after its theft. The cost of repairs is \$5,500. The basic **excess** is \$500.

How much we pay		Further information
Damage to vehicle	\$5,500	In this case the vehicle is safe and economical to repair.
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay the excess directly to the repairer.
Total claim	\$5,000	We would normally pay this amount directly to the repairer in a partial loss situation.

If **personal effects** to the value of \$350 are also stolen during the theft:

Plus personal effects	+\$350	Even though you are registered for GST and entitled to an input tax credit , the amount we pay you for personal effects will include GST. Personal effects cover is limited to \$1,000 per event . The sub-limit of this Extra Cover is in addition to the market value of the vehicle .
Less input tax credit	\$0	We do not deduct an input tax credit from payments for personal effects .
Total claim	\$5,350	We normally pay the \$350 for personal effects to you (and the remaining \$5,000 directly to the repairer).

If a replacement vehicle of a similar type for a cost of \$100 per day is arranged by **us**:

Plus vehicle hire cost	+\$1,700	The cost per day multiplied by the number of days until the vehicle is repaired is 17 x \$100 (it takes 4 days to repair it). This benefit has a limit of up to 30 days and we will not pay more than \$3,000. Note: This benefit would not apply if the vehicle was damaged in an accident instead of being stolen, unless you also selected Optional Insurance 2 – Rental vehicle after accident.
Total claim	\$7,050	We normally pay the \$1,700 for vehicle hire directly to the hire company (the \$350 to you and the \$5,000 to the repairer).

Example: How underinsurance applies to partial loss claims

Your vehicle, a truck, is damaged.

Your vehicle's sum insured is \$70,000 and the cost to repair **damage** is \$10,000.

Your vehicle's market value is \$100,000 and is therefore insured for 70% of its **market value**. The underinsurance condition applies to the repair costs because it is insured for less than 80% of its **market value**.

There is a basic **excess** of \$500 on **your policy**.

How much we pay		Further information
Damage to vehicle	\$10,000	In this case the vehicle is safe and economical to repair.
After underinsurance	\$8,750	$\frac{\text{sum insured} \times \text{repair costs}}{80\% \text{ of market value}}$
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay the excess directly to the repairer.
Total claim	\$8,250	We would normally pay this amount directly to the repairer in a partial loss situation.
Amount you pay	\$1,750	You pay this amount, usually directly to the repairer. This amount includes the excess .

Example: Legal liability

A vehicle is insured for Legal Liability cover. The **vehicle** is involved in an accident and the other driver claims that the driver of **your vehicle** has a **legal liability** for the accident. The **damage** to the other **vehicle** would be assessed by a court at \$12,500. There is a basic **excess** of \$500 on **your policy**. The legal costs to defend **your legal liability** are \$3,000.

How much we pay		Further information
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay this amount to us .
Plus our legal costs	+\$3,000	We incur and do not charge you for these costs.
Total claim	\$15,000	

If the driver of **your vehicle** was not at fault and the driver of the other vehicle was at fault but was not insured, and **you** provide **us** with the details of the other driver, the basic **excess** is \$500. For the purposes of this example it is assumed that **your vehicle** is not comprehensively insured:

Damage by uninsured drivers Additional Benefit	\$4,500	Your vehicle is not covered for own damage because Legal liability only cover was purchased. However, the damage by uninsured drivers Additional Benefit provides limited cover in these circumstances for up to \$5,000. For the purposes of this example, the damage to your vehicle will cost more than its market value of \$4,500. It is not repairable and is a total loss .
Less input tax credit	-\$409.09	If you are registered for GST and entitled to an input tax credit we will deduct this entitlement In this example you are entitled to a full input tax credit (100%).
Less excess	-\$500	Only the basic excess applies in this example. We deduct this from the amount we pay you .
Less residual value of wreck	-\$500	The remaining value of your damaged vehicle . We deduct this from the amount we pay you .
Total claim	\$3,090.91	We normally pay this directly to you . You will keep the damaged vehicle.

We will also provide the following Additional Benefits in this Policy Section. All of the terms, conditions and exclusions of this **policy** apply to the Additional Benefits unless otherwise specified including, without limitation, the exclusions applicable to Part 1 and Part 2 of this Policy Section and any **endorsement**.

You do not need to make a claim under Part 1 of this Policy Section to be eligible for these Additional Benefits. If **we** pay a claim under an Additional Benefit, **we** will settle **your** claim in accordance with that Additional Benefit. For Additional Benefit '1. Locks and keys' and '2. <p>You must pay the basic excess applicable to your customer's vehicle for any claim under this Additional Benefit.</p>

What we will pay

If **your** claim is covered under Part 1 of this Policy Section, **we** will either pay **you** for a **partial loss** or a **total loss**. This is determined by whether **your customer's vehicle** would be uneconomical or unsafe to repair, including where the combined repair costs and salvage value are likely to be more than the lesser of the **market value** of **your customer's vehicle** or the **sum insured** for "Customer's Vehicles" appearing on the **policy schedule**, or has been stolen and not recovered within fourteen (14) days of its theft and **we** accept **your** claim for theft of **your customer's vehicle**. **We** will also have regard to the law in relation to what is considered a write off that applies in **your** State or Territory when determining whether **your customer's vehicle** is to be written off.

Total loss

If **your customer's vehicle** is a **total loss**, **we** will pay **you** the lesser of the **market value** of **your customer's vehicle** or the **sum insured** for "Customer's Vehicles" appearing on the **policy schedule**. **We** will deduct any **excess** that may apply under the Excess clause of this Policy Section on pages 151 to 152, plus the residual value of the vehicle as determined by **our** assessor (if **your** customer keeps the damaged vehicle).

Where Extra Cover 1 – New vehicle after total loss applies **we** will settle **your** claim with a new replacement vehicle or by a payment, as provided for in Extra Cover 1 and **your customer's vehicle** becomes **our** property.

For an example of how **we** settle a **total loss** claim, please see page 155 of this **policy**.

Partial loss

If **your customer's vehicle** is a **partial loss**, **we** will do the following (depending on the exact circumstances of the claim):

- repair the **damage** or replace the **damaged** parts of **your customer's vehicle** using a **recommended repairer** or **you** may choose **your** own repairer or **you** may choose **your** own repairer (or **you** may repair the **vehicle yourself**). If **you** choose **your** own repairer or choose to repair the **vehicle yourself**, **we** will authorise repairs for the amount of the **assessed quote** from **your** repairer or for the amount of the **assessed quote** from **you**;
- pay **you** the amount of the **assessed quote** from a **recommended repairer** when a **recommended repairer** is able to complete the repair of the **damage** or replace the **damaged** parts of **your customer's vehicle**, but **you** request a cash settlement; or
- pay **you** the amount of the **assessed quote** from **your** repairer or the amount of the **assessed quote** from **you** if a **recommended repairer** cannot complete the repair of the **damage** or replace the **damaged** parts of **your customer's vehicle** or if **we** do not authorise repairs based upon **your** repairer's quote or the quote from **you**.

Choice of repairer and parts policy

If **your customer's vehicle** is a **partial loss**, **we** can arrange the repairs with a **recommended repairer** if one is available, or alternatively **you** can choose **your** own repairer and **we** will authorise repairs for the amount of the **assessed quote** from **your** repairer.

Where **we** are able to provide **you** with access to one of **our recommended repairers**, **we** will offer **you** a choice if there is more than one in **your** area. However, **we** may only be able to nominate one **recommended repairer** if there are no others available.

Where **we** are unable to provide **you** with access to one of **our recommended repairers**, **we** will require **you** to choose **your** own repairer (including **you**).

If **we** authorise repairs with a **recommended repairer** or **your** own repairer, **we** will:

- a. authorise the repair of **your customer's vehicle** to the same or reasonably similar condition and standard immediately before the **event**;
- b. except for windscreens and window glass, authorise only the use of new parts or where available, parts which are consistent with the age and condition of **your customer's vehicle** (which may include using reusable parts where available);
- c. replace **damaged** windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules;
- d. authorise only the use of manufacturer's approved parts if **your customer's vehicle** is under warranty, but not when **your customer's vehicle** has an extended warranty or for windscreen replacement;
- e. if the same part as a damaged part is not available, give **you** the option to accept the **market value** of the obsolete part or to use an equivalent part (if available) to complete the repair. Where the damaged or equivalent part is not available and **your customer's vehicle** cannot be safely repaired, **we** will declare **your customer's vehicle** a **total loss**; and
- f. guarantee the quality of materials and workmanship in respect of the repairs for the life of the **customer's vehicle**.

Any repairer **we** authorise to repair **your customer's vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If **you**, or the owner of the **customer's vehicle**, choose **your** own repairer (including **you**) and **we** do not authorise repairs for the amount of the **assessed quote** from **your** repairer **we**:

- a. will pay **you** an amount equal to the **assessed quote** from **your** repairer; and
- b. will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, **we** will pay the cost of surface freight from the nearest reasonable source of supply.

You or **your** customer are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

If **we**:

- i. pay **you** the amount of the **assessed quote** from a **recommended repairer** because a **recommended repairer** is able to complete the repairs or replace the damaged parts of **your customer's vehicle** but **you** have requested a cash settlement; or
- ii. pay **you** the amount of the **assessed quote** from **your** repairer because a **recommended repairer** cannot complete the repairs or replace the damaged parts of **your customer's vehicle**,

we also do not authorise the repairs. **We** will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

Contribution to repair work

You or **your** customer may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by neglect, wear and tear, weathering, rust, mould, mildew or corrosion ('pre-existing damage'). How much **you** or **your** customer are required to contribute will depend on how affected by such pre-existing damage these items were when the **damage** happened.

If **you** do not want to contribute to this cost and the repairs cannot be carried out due to the pre-existing damage, instead of carrying out the repairs:

- i. if **we** have obtained a quote from a **recommended repairer** (and **you** have not obtained a quote from **your** repairer) **we** will pay **you** the amount of the **assessed quote** from **our** repairer, excluding the cost to replace or repair the pre-existing damage; or
- ii. if **you** have obtained a quote from **your** repairer or **you** have provided **us** with **your** own quote to repair the **vehicle** that includes the cost to replace or repair the pre-existing damage **we** will pay **you** the amount of the **assessed quote** from **your** repairer or the amount of the **assessed quote** from **you** excluding the cost to replace or repair the pre-existing damage.

We will subtract any **excess** that may apply.

For an example of how **we** settle a **partial loss** claim, please see page 154 of this **policy**.

Limits to what we pay

The most **we** will pay for **loss** or **damage** to **your customer's vehicle** for each **customer's vehicle** is the **market value** of the **customer's vehicle** or the **sum insured** for "Customer's Vehicles" specified on **your policy schedule**, whichever is less, unless Extra Cover 1 – New vehicle after total loss applies, in which case it is 112.5% of the **customer's vehicle sum insured**.

The most **we** will pay for **loss** or **damage** to **your customer's vehicles** for all claims arising directly or indirectly from or in connection with the one (1) **event** is \$1,000,000 (unless another amount is specified on **your policy schedule**).

PART 1 – POLICY SECTION CONDITIONS

These conditions apply to all covers and claims under Part 1 of this Policy Section in addition to the General Policy Conditions on pages 17 to 19.

If **you** do not comply with these Policy Section Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

Lifetime guarantee for repairs

If **we** authorise repairs for **your customer's vehicle**, **we** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **your customer's vehicle**. The parts used in any lifetime guarantee repairs to a **customer's vehicle** will be the same as those described in 'Choice of repairer and parts policy' above. If **you** or the owner of the **customer's vehicle** are concerned about the quality of the repairs to a **customer's vehicle**, **you** must contact **us** and make the **customer's vehicle** available to **us**. **You** must not authorise any rectification work without **our** written authority. **We** will inspect the repair and arrange any necessary rectification work. If it would not be safe or economical to carry out the rectification work required, **we** will declare the **customer's vehicle** a **total loss** and pay **you** an amount under 'Total loss' (see page 145).

If **we** pay **you** the amount of the **assessed quote we** do not authorise repairs and **you** will not be entitled to the lifetime guarantee on repairs that **we** do not authorise.

Vehicle identification

Where **your customer's vehicle's** identification, such as its compliance, build or VIN plate or label, has been **damaged**, **we** will try to source a replacement from its manufacturer. If **we** cannot source it for **you**, **we** will attempt to obtain a letter from the manufacturer to confirm **your customer's** vehicle's identity and that its original identification has been **damaged**. **We** will still repair **your customer's vehicle** without replacing any **damaged** identification, unless an alternative form of identification is required by law.

Underinsurance condition

If at the time of the **event**, **your customer's vehicle** was insured for less than 80% of its **market value** and because of the **event** it is:

- a. a **total loss**, **we** will not apply this underinsurance condition; or
- b. a **partial loss**, **we** will pay the same proportion of the **loss** as the **sum insured** bears to 80% of the **market value** of **your customer's vehicle**.

For an example of how **we** settle a **partial loss** claim where the underinsurance condition applies, please see page 154 of this **policy**.

In assessing the amount **we** pay, prime movers and attached trailers and dollies are regarded as separate and distinct vehicles.

This underinsurance condition does not apply if **your customer's vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

How you earn a No claim bonus

A No claim bonus recognises **your** good driving and claims history record for **customer's vehicles**.

Your policy schedule will show the type of No claim bonus **you** are entitled to (if any), and **your** premium will be charged accordingly.

If **you** are not entitled to a maximum No claim bonus, **you** will earn an entitlement to a bonus for the next **period of insurance** if there have been no claims that fall within the definition of a **penalty claim**.

A **penalty claim** is an **event** or claim where **you** are at fault, or a claim where **we** are not able to recover the costs of repairing or replacing **your customer's vehicle**.

The following will apply if **you** qualify for a No claim bonus:

Year	Existing bonus	Renewal bonus
1st Year	0%	20%
2nd Year	20%	30%
3rd Year	30%	40%
4th Year	40%	50%
Subsequent years	50%	50%

How making a claim could affect your No claim bonus

If you do not lodge a penalty claim

If **you** did not lodge a **penalty claim** during the **period of insurance**, then **your** No claim bonus will not be detrimentally affected at renewal of **your policy**.

Windscreen claims

When **you** renew **your policy**, **your** No claim bonus will not be affected by any windscreen or window glass claim **you** make.

Other claims

When **you** renew **your policy**, **we** reduce **your** No claim bonus for each **penalty claim you** have made during the **period of insurance**.

The amount **we** reduce **your** No claim bonus to is set out below:

Your current No claim bonus	Following 1 penalty claim	Following more than one penalty claim
50%	30%	Nil
40%	20%	Nil
30%	Nil	Nil
20%	Nil	Nil
Nil	Nil	Nil

When you make a claim for:	Does this detrimentally impact your No claim bonus?
An event where you are not at fault and we are able to recover	No
Windscreen or window glass only	No
An event where you are at fault	Yes

PART 2 – LEGAL LIABILITY

What your customer's vehicle also means

For the purposes of Part 2 of this Policy Section, **your customer's vehicle** also means:

We will also provide the following Additional Benefits in this Policy Section, subject to the **policy** terms and conditions, the General Exclusions on pages 24 to 28 and Policy Section Exclusions including, the exclusions in Part 1 and Part 2 of this Policy Section and any **endorsement**. The **event** giving rise to the **legal liability** must not have been expected or intended.

1. Emergency services

We cover

If a claim is covered under Part 1 or Part 2 of this Policy Section during the **period of insurance**, we will cover the reasonable costs and charges levied by the police force or any fire brigade or other authority due to **your customer's vehicle** causing the attendance at the accident site of a member of the:

- fire brigade or authority for the purpose of fire extinguishment or other emergency response; and/or
- police force.

2. Pollution

We cover

We cover **your legal liability** arising directly or indirectly out of the actual, alleged or threatened discharge, dispersal, release or escape of **contaminants or pollutants** into or upon any property, land, the atmosphere, water course or body of water (including ground water), where such discharge, dispersal, release or escape:

- is caused by or in connection with the operation ownership possession or use by **you** or on **your** behalf of any **customer's vehicle**;
- is caused by a sudden identifiable, unintended and unexpected **event**;
- takes place in its entirety at a specific point in time during the **period of insurance** and within Australia or its external territories; and
- does not relate to any property, land, air, water course or body of water which **you** own, occupy or have in **your** custody or control.

We will also only pay for clean up or removal costs if they are caused by such an incident within Australia or its external territories.

You are covered for **your legal liability** as a result of:

- the actions of a caravan or trailer while it is being towed by **your customer's vehicle**;
- a caravan or trailer running out of control after separating from **your customer's vehicle** while **your customer's vehicle** is moving; or
- another vehicle colliding or acting to avoid a collision with:

during the **period of insurance** in Australia or its external territories.

We do not cover

We do not cover **loss** or **damage** to:

- a caravan or trailer unless it is a **vehicle** insured under Policy Section 11 – Commercial Motor; or
- the property which is loaded or unloaded from or which falls from the caravan or the trailer.

We do not cover the cost to remove the trailer or caravan debris, unless the caravan or trailer is an insured **vehicle** under Policy Section 11 – Commercial Motor and the claim for **loss** of or **damage** to it is covered under Part 1 of that Policy Section.

We do not cover **legal liability** if it would have been excluded in any other "We do not cover" section in Part 1 or Part 2 of this Policy Section.

Excess

The **excess** applicable to **your customer's vehicle** applies to any claim under this Additional Benefit.

What we will pay

If a claim for **legal liability** is covered under Part 2 of this Policy Section, **we** will pay:

- a. the compensation;
- b. legal costs and expenses if **we** have first agreed to pay these costs;
- c. costs and charges reasonably and necessarily incurred by **you** in removing or cleaning up debris, unless stated otherwise; and
- d. costs and charges reasonably and necessarily incurred to extinguish a fire that **your customer's vehicle** has caused.

We will also pay for legal costs in representing **you** or any other person covered at any inquest or other inquiry relating to an **event** which may give rise to **you** being **legally liable**, if **we** have first agreed to pay these costs.

For an example of how **we** settle a **legal liability** claim, see page 154 to 155 of this **policy**.

Limits to what we pay

The most **we** will pay for all claims for **legal liability** covered under this Policy Section arising directly or indirectly from one (1) **event** is \$50,000,000 (unless another amount is specified on **your policy schedule**) but restricted to:

- a. \$1,000,000 for any one (1) **event** occurring within the external territories of Australia, but only in respect of the death or bodily injury to another person;
- b. \$1,000,000 (unless another amount is specified on **your policy schedule**) where **your customer's vehicle** is being used for the transportation of **dangerous goods** or is attached to, or is towing, a vehicle used for the transportation of **dangerous goods**; and
- c. \$500,000 during the **period of insurance** in respect of all claims under Additional Benefit 2 – Pollution of Part 2 of this Policy Section.

These amounts include all legal costs and expenses.

These limits also apply to any cover for **your legal liability** provided under any Extra Cover, Additional Benefit of both Parts 1 and 2 of this Policy Section or **endorsement** unless a lower limit is specified in the Extra Cover, Additional Benefit or any **endorsement**.

These limits are the most **we** will pay even if there are several claims against **you** relating to the one (1) **event**.

Excess

An **excess** is the amount **you** will have to pay if **you** claim under this Policy Section, unless stated otherwise. Please refer to General Claims Condition 11 – Paying your excess for information about the options for paying the **excess**.

Excesses are cumulative and apply to all claims, unless otherwise stated. If **you** also claim under another Policy Section for one (1) **event**, the **excesses** payable under this Policy Section apply in addition to all other **excesses**.

For each **event**, or series of **events** arising from the one (1) originating cause, **you** will bear the amount of the **excess** in respect of each and every **customer's vehicle** covered under this Policy Section, unless stated otherwise.

Under Extra Cover 8 – Towing and storage of Part 1 of this Policy Section, if **you** withdraw a claim or **we** refuse to accept it **you** do not have to pay an **excess**, however, **you** must refund any towing or storage costs **we** have incurred if **we** ask **you** to.

Under Additional Benefit 3 – Legal liability for caravans and trailers of Part 2 of this Policy Section, the **excess** that applies is the one applicable to **your customer's vehicle**.

The basic **excess** is shown on **your policy schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **policy**) are detailed on page 152. **You** might have to pay more than one type of **excess** when **you** claim. **You** must pay the **excesses** in full.

When and how you pay the excess

When **you** make a claim the following options are available to pay the **excess**:

- a. **you** can pay the excess directly to **us** before **we** finalise **your** claim. In the case of a **customer's** new replacement vehicle, **we** may require **you** to pay the **excess** before taking delivery of the new vehicle;
- b. the **excess** can be deducted from the amount **we** pay **you** for **your** claim (if any);
- c. in some instances, the **excess** can be paid to the appointed repairer when **you** pick up **your customer's vehicle** after it has been repaired or to the supplier; or
- d. in some instances, the **excess** can be deducted from the amount **we** pay to another person for **loss** or **damage** to their property.

We will not cover any legal or other costs that arise because of any delay in paying the **excess**.

When your excess will be waived if the driver of your customer's vehicle is not at fault

You do not pay any **excess** when **your customer's vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- a. another vehicle is involved in the **event**, and the driver of **your customer's vehicle** is not at fault and **you** provide the name and address of the other driver at fault and the registration number of the other vehicle; or
- b. no other vehicle is involved in the **event**, and the driver of **your customer's vehicle** is not at fault and **you** provide the name, address and phone number of the person at fault.

A failure to provide this information means **we** will not be able to waive **your excess**. It does not otherwise impact the cover under **your policy** for **loss** or **damage** to **your customer's vehicle** under this Policy Section.

Types of excesses

Basic excess

The basic **excess** is the amount shown on **your policy schedule**.

Age or inexperienced drivers excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of **your customer's vehicle** at the time of an **event**. This **excess** will not apply to glass, **damage** while parked, fire, malicious **damage**, theft or storm claims.

In the case of a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when the **customer's vehicle** is a prime mover and:

- a. the **market value** for the prime mover is less than \$100,000 or it is insured for Legal Liability only – the age or **inexperienced driver excess** is \$2,500 or \$3,500 if the prime mover was towing more than one trailer at the time of the **event**;
- b. the **market value** for the prime mover is \$100,000 or more, but not more than \$200,000 – the age or **inexperienced driver excess** is \$10,000 or \$15,000 if the prime mover was towing more than one trailer at the time of the **event**;
- c. the **market value** for the prime mover is more than \$200,000 – the age or **inexperienced driver excess** is \$25,000 or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**;
- d. for all other **customer's vehicle** other than prime movers the age or **inexperienced driver excess** is \$750.

You must pay the applicable age or **inexperienced driver excess** in addition to any other **excess** for **your customer's vehicle** that may be payable. For the purposes of the application of these age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if **your customer's vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and **you** pay this in addition to any other **excess** payable for **your customer's vehicle**.

Endorsement excess

An **endorsement excess** may apply if **you** have **endorsements** to **your policy**. Any **endorsement excess** applicable to **your policy** will be shown in the **endorsement** wording.

You pay the **endorsement excess** shown in the **endorsement** wording in addition to any other **excess** for **your customer's vehicle** that may be payable.

Application of excess involving trailer and towing vehicle

If a trailer being towed by **your customer's vehicle** **damages** the property of another person and:

- a. only the trailer was **damaged**, the **excess** for the towing **customer's vehicle** will apply; or
- b. there is no **damage** to either the trailer or towing **customer's vehicle**, the **excess** for the towing **customer's vehicle** will apply.

Policy Section Exclusions

You are not covered under this Policy Section:

- vi. if and to the extent that it can be demonstrated that the alcohol, drugs or medication intake did not contribute to the **event**.

Worked dollar claim examples

The following worked dollar claim examples are designed to assist **you** in understanding some of the benefits in this Policy Section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following should be used as a general guide only. **You** should consider all examples as each example covers different benefits and scenarios.

Example: Repair of customer's vehicle

A **customer's vehicle** is insured under this Policy Section for a **sum insured** of \$100,000 with a basic **excess** of \$1,000. Whilst being road tested by a mechanic, the vehicle is damaged in an at fault accident and the cost of repair is \$20,000. The vehicle is a 2 year old sedan in good condition. A motor vehicle guide records the **market value** of the **customer's vehicle** is \$45,000 for good condition and the **market value** is \$45,000 (GST inclusive).

How much we pay		Further information
Damage to customer's vehicle	\$20,000	Normally the vehicle is repairable if the cost of repairs is significantly less than the customer's vehicle's market value (in this example the vehicle's market value is \$45,000).
Less excess	-\$1,000	Only the basic excess applies in this example.
Total claim	\$19,000	We normally pay this amount directly to the repairer or to you if you are repairing the vehicle.

Example: How underinsurance applies to partial loss claims

Your customer's vehicle, a truck, is damaged. **Your customer's vehicle's sum insured** is \$70,000 and the cost to repair **damage** is \$10,000. **Your customer's vehicle's market value** is \$100,000 and is therefore insured for 70% of its **market value**. The underinsurance condition applies to the repair costs because it is insured for less than 80% of its **market value**. There is a basic **excess** of \$500 on **your policy**.

How much we pay		Further information
Damage to customer's vehicle	\$10,000	In this case the customer's vehicle is safe and economical to repair.
After underinsurance	\$8,750	$\frac{\text{sum insured}}{\text{market value}} \times \text{repair costs}$ 80% of market value
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay the excess directly to the repairer.
Total claim	\$8,250	We would normally pay this amount directly to the repairer in a partial loss situation.
Amount you pay	\$1,750	You pay this amount, usually directly to the repairer. This amount includes the excess .

Example: Theft of customer's vehicle

A **customer's vehicle** which is used for private purposes is left at **your premises** for alterations. When the vehicle's alterations were complete the vehicle was locked and left on the forecourt for collection during **business** hours. The **customer's vehicle**, a 1 year old sedan with an original purchase price of \$40,000, is stolen. The **customer's vehicles sum insured** is \$100,000

How much we pay		Further information
Loss of vehicle	\$40,000	Where the customer's vehicle has been stolen and not recovered within 14 days it would be a total loss .
Less excess	-\$1,000	Only the basic excess applies in this example.
Cost to provide a new vehicle of same make, model and series		We are able to source a replacement new vehicle that is available in 90 days for \$42,000 which is within the limit of the New vehicle after total loss Extra Cover of 112.5% of the customer's vehicle sum insured .

If **personal effects** to the value of \$350 are also in the stolen **customer's vehicle**:

Plus personal effects	+\$350	Personal effects cover is limited to \$1,000 per event . The sub-limit of this Extra Cover is in addition to the repair costs.
Total claim	\$39,350	We would pay the \$350 for personal effects to the owner of the customer's vehicle .

Repair of customer's vehicle and legal liability for other vehicle damages

A **customer's vehicle** used for private purposes is left at **your premises** for alterations and is insured under Customer's Vehicle cover for a **sum insured** of \$100,000 with a basic **excess** of \$1,000. Whilst being road tested by a mechanic, the **customer's vehicle** is damaged in an at fault accident and the cost of repair is \$20,000 and the other driver claims that the driver of **your customer's vehicle** has a **legal liability** for the accident. The **customer's vehicle**, a 1 year old sedan has a **market value** of \$45,000.

The damage to the other vehicle is assessed at \$12,500 and the driver of the **customer's vehicle** was at fault. There is a basic **excess** of \$1,000 on **your policy**.

How much we pay		Further information
Damage to customer's vehicle	\$20,000	Normally the customer's vehicle is repairable if the cost of repairs is significantly less than the customer's vehicle's market value (in this example the vehicle's value is \$45,000).
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	-\$1,000	Only the basic excess applies in this example.
Total claim	\$31,500	

Damage to two customers' vehicles in same event

A **customer's vehicle** is being driven back into **your** premises by **your** mechanic after on-road testing. **Your** mechanic reverses into another **customer's vehicle** also on **your premises** causing damage to both. The damage to both vehicles is \$2,000 and **your excess** is \$500.

How much we pay		Further information
Damage to the 1st customer's vehicle	\$2,000	
Damage to the 2nd customer's vehicle	\$2,000	
Less \$500 excess for each vehicle	-\$1,000	The excess applies to each customer's vehicle because the damage arose out of the same event .
Total claim	\$3,000

1. Previous business

We cover

Despite Exclusion 20 – Previous business of this Policy Section, **we** will indemnify any person who during the **period of insurance** is, becomes or ceases to be, a **business** partner, director or principal of the **business**, for their liability to pay compensation and claimant's costs and expenses in respect of any claim:

- a. for breach of professional duty by reason of any negligent act, error or omission on the part of that person or that person's business partners, co-directors or employees in the conduct of the same business as, and in the course of the provision of same professional services as the **professional services** of the **business**, before that person was a partner, director or principal of the **business**; and
- b. first made against **you** and notified to **us** during the **period of insurance**.

We do not cover

We will not be liable for any claim resulting from any act, error or omission occurring, committed or alleged to have been committed prior to the **retroactive date**.

2. Outgoing principals

We cover

The definition of "**you**" is extended to include former principals, partners or directors of the **business**.

What we will pay

The most **we** will pay for all claims first made against **you** and notified to **us** during the **period of insurance** is the **sum insured** specified in **your policy schedule**.

Excess

For each claim, **you** are liable for the amount of any compensation, claimant's costs and expenses or additional costs that are collectively less than the **excess** specified in the **policy schedule**. Please refer to General Claims Condition 11 – Paying your excess for information about the options for paying the **excess**.

The **excess** is deducted from compensation, claimant's costs and expenses and additional costs payable before the application of the **sum insured** specified in the **policy schedule**.

We have no liability for the amount of compensation, claimant's costs and expenses or additional costs that is less than the **excess** shown in the **policy schedule** for each claim.

If any claim made against **you** involves more than one negligent act, error or omission the **excess** will apply separately to each negligent act, error or omission.

Multiple claims

All claims arising out of, based upon, attributable to or in respect of a single act, error or omission or series of acts, errors or omissions consequent upon or attributable to one source or original cause shall be considered to be a single claim and shall attract one **excess**.

Policy section conditions

These conditions apply to all covers and claims under this Policy Section in addition to the General Policy Conditions on pages 17 to 19 and the General Claims Conditions on pages 20 to 24, that apply to this Policy Section.

If **you** do not comply with these Policy Section Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. Acquisition, merger or winding up of policyholder

If, during the **period of insurance**, any of the following events occur:

- a. a **merger or acquisition** of the **policyholder**; or
- b. the appointment of a receiver, controller, administrator or liquidator to the **policyholder** or, the commencement of a scheme of arrangement or compromise or a winding up process in respect of the **policyholder**,

then this Policy Section will remain in force until the expiry of the **period of insurance**, but only in respect of claims resulting from any act, error or omission occurring or committed or alleged to have occurred or been committed prior to the events described in a. or b. above.

2. Severability and imputation

Where this Policy Section insures more than one party any failure on the part of any of the parties to:

- a. comply with the duty of disclosure under the Insurance Contracts Act 1984;
- b. comply with any obligation under this Policy (other than the obligation to pay premium); or
- c. refrain from conduct which is dishonest, fraudulent, criminal or malicious,

shall not prejudice the right of the remaining party or parties to indemnity under this Policy Section, provided that such remaining party or parties shall:

- i. be entirely innocent of, not have consented to nor had prior knowledge of any such failure; and
- ii. as soon as possible after becoming aware of any such failure, advise **us** in writing of all its relevant circumstances.

3. Notification

You must give to **us** notification of any claim made against **you**, as soon as reasonably practicable within the **period of insurance**.

If **you** do not do so, **our** liability may be reduced by an amount that fairly represents the extent to which **our** interests were prejudiced as a result of **your** delay in notifying **us** of the **claim** or **financial loss** as soon as reasonably practicable within the **period of insurance**.

Each notification of a claim must include so far as practicable:

- a. the identity of the claimant or potential claimant; and
- b. the nature of the claim; and
- c. the likely quantum of the claim.

4. Claims conduct

In relation to claims against **you**, **we** have the right and full discretion to conduct the defence or settlement. **We** may engage legal or other representatives to assist in the conduct of a claim. At all times **we** reserve the right to negotiate and settle a claim on terms **we** consider appropriate. **You** must allow **us** to make admissions, settle or defend claims made against **you** on **your** behalf.

We will attempt to achieve a reasonable and fair balance between **our** interests, commercial matters, and **your** interests (for example, **your** broader business relationships and professional reputation) in **our** conduct of the defence or settlement of any claim.

We reserve entirely **our** rights under this **policy**, including **our** right to agree or deny cover while **we** assess a claim or conduct a defence. **Our** rights under this Policy Section are not affected if **we** do not conduct the defence.

Neither **you** nor **we** will be required to contest or litigate any claim if, in the opinion of Senior Counsel (or equivalent), reasonable attempts should be made to settle the claim. The Senior Counsel (or equivalent) shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the Bar Association of the relevant State or Territory jurisdiction. The cost to obtain the opinion will be advanced by **us** and treated as legal costs covered under Extra Cover – 1 Legal Costs.

Senior Counsel (or equivalent) shall provide the opinion in writing. In formulating the opinion Senior Counsel (or equivalent) shall consider commercial matters including the amount of the claim, the actual and potential financial loss (including legal costs) that may reasonably be incurred in contesting the claim, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful. Senior Counsel (or equivalent) will also provide a settlement range within which reasonable attempts should be made to settle the claim.

If it is the opinion of Senior Counsel (or equivalent) that reasonable attempts should be made to settle the claim, **you** will not object to **our** attempt to do so.

5. Settlement

You must not settle or offer to settle any claim, incur any legal costs or otherwise assume any contractual obligation or admit any liability in respect of any claim without **our** prior written consent.

If **you** object to a proposal by **us** to settle or compromise any claim payable under this Policy Section and wish to contest or litigate the matter, then **you** may so elect, but **our** liability in respect of any such claim so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by **us**, together with legal costs payable in accordance with Extra Cover 1 – Legal Costs and incurred up to the time of such election.
