We're here to support you today so you can focus on what's next. Don't think you're covered, know – with GIO.

GIO is a member of the Suncorp Group.

This **Product Disclosure Statement (PDS)** is an important legal document that contains details of **your** motor vehicle insurance. If **you** decide to buy insurance from **us**, please read it through, then keep this **PDS**, together with **your policy schedule** in a safe place.

WHO IS THE INSURER

This insurance is issued by AAI Limited ABN 48 005 297 807 AFSL 230859 trading as GIO.

COMMUNICATING WITH YOU ELECTRONICALLY

We may send **your policy** documents and **policy** related communications electronically. This will be by email and/or other types of electronic communication (e.g. SMS). **We** will obtain **your** express or inferred consent to do so.

Each electronic communication will be deemed to be received by **you** at the time it leaves **our** information system.

ABOUT THIS PRODUCT DISCLOSURE STATEMENT AND POLICY WORDING

This **PDS** is an important legal document that has been designed to help **you** get the most out of **your policy**.

Your policy is a legal contract between **you** and **us**. The contract is based on the information **you** gave **us** when **you** applied for the insurance, and any subsequent information which **you** have supplied.

Your policy is made up of this **PDS**, any **Supplementary PDS (SPDS)** **we** may send **you**, any **endorsements** and the **policy schedule**. **You** should read all these documents together to tell **you** what **we** cover, what **we** exclude, what **we** pay to settle claims and other important information.

The General Policy Conditions listed on pages 20 to 23 and General Exclusions listed on pages 67 to 71 apply to the whole **policy**.

Subject to **you** paying the premium by the due date, **we** agree to insure **you** during the **period of insurance**. The commencement date and expiry date of the **period of insurance** are specified in **your policy schedule**.

In this **policy**:

You/your means the insured named in the **policy schedule**.

We/our/us means AAI Limited ABN 48 005 297 807 AFSL 230859 trading as GIO.

Some other words used in this **PDS** have special defined meanings. These words are in **bold**. Most of the words **we** have defined are listed in the General Definitions on pages 72 to 76 of this **PDS**.

A reference to days in the **policy** means calendar days unless otherwise specified.

You should ensure that the amounts for which **your vehicles** are insured, **limits of liability** and sub-limits that apply to this **policy** are adequate for **your** needs. If **you** do not select adequate amounts to insure then **you** may have to bear any uninsured losses **yourself**.

The limit applicable to new vehicle replacement for trailers or rigid body trucks under Extra Cover 1 - 'New vehicle after total loss' is expressed as a 112.5 percent of the **sum insured**. This means that if the underlying **sum insured** for a trailer or rigid body truck is inadequate, then the amount of cover provided under this Extra Cover may not be enough to cover the cost of a new replacement trailer or rigid body truck.

Optional Insurances

This **PDS** has a number of Optional Insurances which, for an additional premium and subject to any conditions that apply, **you** can choose to include in **your policy**. If included, these will be shown in **your policy schedule**.

When **we** send **your** renewal offer, it will usually include **your** previously selected Optional Insurance. Contact **us** to remove or add any Optional Insurance.

Underinsurance

This **policy** contains an underinsurance condition applicable to **vehicles** other than motorcycles, cars, 4WDs, utilities or vans of not more than 2 tonne carrying capacity. If the underinsurance condition applies it can result in the amount **we** pay **you** for a **partial loss** being reduced because **you** did not adequately insure **your vehicle** of this type. Please see page 49 for details.

References to legislation and Australian Standards

A reference to any legislation or legislative provision (including but not limited to Acts, regulations, ordinances, by-laws) in this **policy** includes any statutory modification, amendment, replacement or re-enactment or successor of, or legislative provision substituted for, and any subordinate legislation issued under, that legislation or legislative provision (whether in the Commonwealth of Australia or internationally).

A reference to any Australian Standard (AS) in this **policy** includes any amendment to or replacement of that Australian Standard.

YOUR DUTY OF DISCLOSURE

Before **you** enter into an insurance contract, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for;
- is common knowledge;
- **we** know or should know as an insurer; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

COOLING OFF PERIOD

You have the right to return the **policy** or remove a part of the **policy** by notifying **us** in writing within thirty (30) days of the date it was issued to **you** (“cooling off period”), unless **you** have a claim under the **policy** or that part of the **policy** within the cooling off period. If **you** return **your policy** or remove a part of the **policy** during the cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for the **policy** or that part of the **policy**.

In addition, if **you** vary **your policy** (for example by adding a **vehicle**, adding an **endorsement** or changing the cover type for a **vehicle**), **you** have the right to remove that variation within thirty (30) days of the date it was made by notifying **us** in writing (“additional cooling off period”) unless **you** make a claim under that variation of the **policy** within the additional cooling off period. If **you** remove the variation during the additional cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for that variation.

To cancel at other times, please see “Cancellation” on page 6.

CANCELLATION

HOW YOU MAY CANCEL

You can cancel **your policy** at any time. **You** can specify a future date from which **you** would like to cancel **your policy**. If **you** do not specify a date then the cancellation takes effect on the date **we** receive **your** request. If **you** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive).

If **you** pay by instalments, on cancellation **you** agree to pay **us** any portion of the premium that is owing but not yet paid and that amount is due and payable.

HOW WE MAY CANCEL

We can cancel **your policy** when the law allows **us** to. If **we** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive). If **we** cancel **your policy** due to fraud, **we** will not refund any money to **you**.

If **we** pay out a claim for a **total loss** on **your vehicle**, by a payment to **you**, that cover ends. Any Extra Cover, Additional Benefit or Optional Insurance for that cover also ends.

When **your policy** ends as a result of **us** paying out a **total loss** of **your vehicle**, **we** will not refund any premium for an unexpired **period of insurance**. If **you** have been paying **your** premium by monthly direct debit instalments, **we** will deduct the remaining instalment premiums due for the unexpired **period of insurance** from the amount **we** pay for the claim.

INFORMATION ABOUT THE COST OF THIS INSURANCE

THE AMOUNT OF YOUR PREMIUM

The premium is the amount **you** pay **us** for this insurance. It includes stamp duty, GST and any other government charge or levy that applies. **Your** premium is shown on **your policy schedule**.

If **you** pay by instalments, the instalment amount will be specified in **your policy schedule** as the instalment premium.

The premium does not include any service or administration fee charged to **you** by **your** insurance intermediary.

In addition to the factors **we** use to calculate **your** premium, the discounts **you** qualify for also affect **your** premium. **Your** premium includes any discounts **you** qualify for and these are applied before adding applicable government charges. **We** might also advertise special short term offers and benefits from time to time.

If **you** change **your policy you** may be entitled to a partial refund of premium or be required to pay an additional premium.

HOW VARIOUS FACTORS MAY AFFECT YOUR PREMIUM

The following table is a guide to the significant factors which impact generally on **your** premium.

Factor	Lowers premium	Increases premium
Type of cover	Legal liability only	Comprehensive or Legal liability, fire and theft
Type of vehicle	Low risk vehicle	High risk vehicle
Market or agreed value	Market value	Agreed value
Vehicle accessories/ Modifications	None specified	Accessories and modifications that increase the risk of insurance
Age of driver(s)	Over 25 years of age	Under 25 years of age
No claim bonus	Higher rating	Lower rating
Vehicle use	Low risk use	High risk use
Sum insured	Lower sum insured	Higher sum insured
Postcode	Low risk postcode	High risk postcode
Claims experience	Low claims experience	High claims experience
Optional insurance	None taken	One or more taken
Voluntary excess	Higher	Lower
Occupation	Low risk occupation	High risk occupation

Endorsements	Reduces our risk or your cover	Increases our risk or your cover
Our expenses of doing business including payments we make to intermediaries	Low expenses	High expenses

When determining **your** premium **we** also take into account the age of the **vehicle**. This factor may lower or increase the premium depending on whether there is a higher chance of **you** making a claim and if so, for how much.

WHY THE COST OF INSURANCE CAN CHANGE

Your insurance premium can change during **your period of insurance** if the circumstances or risks covered by **your policy** change. For example **your** premium will change if **you** change the use of the **vehicle** or the type of cover.

Also, each time **you** renew **your** insurance **your** premium is likely to change, even if **your** circumstances or the risks covered by **your policy** have not changed. This is because premiums are affected by:

- the total cost of current and future claims;
- other commercial factors;
- any changes in government taxes or charges; and
- **our** expenses of doing business.

At renewal, **we** might decide to pass on all, or part of, any premium increase or decrease.

PREMIUM DISCOUNTS

At times **we** may offer premium discounts to particular customers as part of a promotion or to take account of market conditions. The amount and type of discounts can change at any time before **you** take out this **policy**, or at **your** next renewal. **We** can vary or withdraw a discount at any time, however, changes will not affect the premium for an existing **policy** during its current **period of insurance**.

The main discount **we** offer is the no claim bonus for some comprehensively insured **vehicles** – see pages 17 to 19 for details.

For details of any discounts that may be available and the dollar difference these would make to **your** premium, please ask **us** when **you** obtain a quote or before renewing **your policy**.

INFORMATION ABOUT EXCESSES PAYABLE

An **excess** is **your** contribution to the cost of a claim for **loss, damage** or **legal liability**. If **you** make a claim, **we** will tell **you** if **you** need to pay an **excess**. **You** may be required to pay one or more **excesses**. For example, Additional Benefits may have their own **excess** which may be in addition to any **excess** that may apply to a claim. The amount and description of each **excess** (other than the basic **excess**) and the circumstances in which they are applied is shown on pages 59 to 61 of this **PDS**. The amount of the basic **excess** will be specified in **your policy schedule**.

We take into consideration a number of factors when setting the amount of **your** basic **excess** and **your** age or **inexperienced driver excess**, such as:

- the make, model and type of **vehicle** being insured, including modifications made to the **vehicle**;
- any voluntary **excess** that **we** may allow **you** to choose;
- the age and driving experience of people who will be driving the **vehicle**;
- the **sum insured** of the **vehicle**;
- where and how the **vehicle** is used;
- the type of cover chosen;
- the place where **your vehicle** is garaged;
- **your** previous insurance and claims history; and
- Optional insurance, Extra Covers, Additional Benefits and **endorsements** that apply to **your policy**.

PAYING YOUR PREMIUM

We will tell **you** how much **you** have to pay and how much time **you** have for payment.

You must pay **your** premium by the due date. For the first **period of insurance**, if **you** do not pay the premium owing by the due date, **we** can cancel **your policy**.

For renewals of policies paid annually, if **you** do not pay **your** premium by the due date, then **you** have no cover from the due date.

If **you** change **your policy**, **you** may be entitled to a partial refund of premium or be required to pay an additional premium.

PAYING BY MONTHLY INSTALMENTS

If **you** pay **your** premium by monthly instalments and a monthly instalment is overdue, **we** will let **you** know, and **we** can cancel **your policy**:

- by giving **you** at least 14 days advance notice; or
- without advance notice, once an instalment is one (1) month (or more) overdue.

THE GOODS AND SERVICES TAX (GST) AND YOUR SUM INSURED

The premium will include an amount of GST.

You must tell **us** about the **input tax credit (ITC)** **you** are entitled to for **your** premium and **your** claim, each time **you** make a claim. If **you** do not give **us** this information or if **you** tell **us** an incorrect **ITC**, **we** will not pay any GST liability **you** incur.

Our liability to **you** will be calculated taking into account any **ITC** to which **you** are entitled for any acquisition which is relevant to **your** claim, or to which **you** would have been entitled had **you** made a relevant acquisition.

If a **vehicle** is a **total loss** **we** will reduce any payment **we** make by an amount equal to **your** ITC entitlement, if any (unless **your policy** states otherwise).

In respect of **your policy**, where **you** are registered for GST purposes **you** should calculate the **sum insured, limit of liability**, any sub-limit, any additional or optional benefit having regard to your entitlement to **input tax credits**. **You** should, therefore, consider the net amount (after all **input tax credits**) which is to be insured and determine a **sum insured, limit of liability**, any sub-limit, Extra Covers, Additional Benefits or Optional Insurances on a GST exclusive basis.

When **you** are registered for GST, payment to **you** in respect of any Extra Cover, Additional Benefit or Optional Insurance entitlement in addition to the **sum insured or limit of liability** will be made having regard to **your** entitlement to **input tax credits**.

This outline of the effect of the GST on **your policy** is for general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **your** circumstances.

“GST”, “input tax credit”, “acquisition” and “supply” have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

NO CLAIM BONUS (COMPREHENSIVE COVER ONLY)

A No claim bonus recognises **your** good driving and claims history record where **you** are insured for Comprehensive cover.

Your policy schedule will show the type of No claim bonus **you** are entitled to (if any), and **your** premium will be charged accordingly.

HOW YOU EARN A NO CLAIM BONUS

If **you** are not entitled to a maximum No claim bonus, **you** will earn an entitlement to a bonus for the next **period of insurance** if there have been no claims that fall within the definition of a **penalty claim**.

A **penalty claim** is an **event** or claim where **you** are at fault, or a claim where **we** are not able to recover the costs of repairing or replacing **your vehicle**.

The following will apply if **you** qualify for a No claim bonus:

For cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity:

Year	Existing discount	Renewal discount
1st year	0%	25%
2nd year	25%	45%
3rd year	45%	55%
4th year	55%	65%
Subsequent years	65%	65%

For all other **vehicles**:

Year	Existing discount	Renewal discount
1st year	0%	20%
2nd year	20%	30%
3rd year	30%	40%
4th year	40%	50%
Subsequent years	50%	50%

PROTECTED NO CLAIM BONUS OPTIONAL INSURANCE

If **you** are entitled to a maximum No claim bonus of 65% for cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity, and **you** are insured for Comprehensive cover, **we** may provide the option when **you** first take out the **policy**, or upon renewal, to protect **your** No claim bonus for that **vehicle**. It costs extra to protect **your** No claim bonus. **We** can give **you** a price with and without the Protected No claim bonus Optional Insurance to help **you** decide whether the option suits **your** needs.

HOW MAKING A CLAIM COULD AFFECT YOUR NO CLAIM BONUS

If you do not lodge a penalty claim

If **you** did not lodge a **penalty claim** during the **period of insurance**, then **your** No claim bonus will not be detrimentally affected at renewal of **your policy**.

Windscreen claims

When **you** renew **your policy**, **your** No claim bonus will not be affected by any windscreen or window glass claim **you** make.

Other claims

When **you** renew **your policy**, **we** reduce **your** No claim bonus for each **penalty claim you** have made during the **period of insurance**.

This does not apply if **you** have purchased Optional Insurance 3 – ‘Protected No claim bonus’ and it applies to the claim.

If **you** have purchased Optional Insurance 3 – ‘Protected No claim bonus’ and it applies to the claim in respect of **your vehicle** the subject of a claim, **we** will not count the first **penalty claim** on that **vehicle** during the **period of insurance**.

The amount **we** reduce **your** No claim bonus to is set out below:

For cars, utilities, 4WDs or vans of not more than 2 tonne carrying capacity:

Your current No claim discount/rating	Following 1 penalty claim	Following more than one penalty claim
65%	45%	Nil
55%	25%	Nil
45%	Nil	Nil
25%	Nil	Nil
Nil	Nil	Nil

For all other **vehicles**:

50%	30%	Nil
40%	20%	Nil
30%	Nil	Nil
20%	Nil	Nil

When you make a claim for:	Does this detrimentally impact your No claim bonus?
An event where you are not at fault and we are able to recover	No

IMPORTANT INFORMATION

1. YOUR POLICY

Based upon the information provided by **you** and subject to the premium being paid, **we** agree to insure **you** during the **period of insurance**. **Your period of insurance** starts on the date shown on **your policy schedule** and finishes at 4:00pm on the expiry date shown on **your policy schedule**.

Your policy only includes cover that is shown on **your policy schedule** and for those Optional Insurances that are shown on **your policy schedule**.

2. POLICY LIMITS

We will not pay any more than the **sum insured** or **limit of liability** or sub-limit that is shown on **your policy schedule**, unless **we** specifically state otherwise in **your policy**.

3. GENERAL PROVISIONS

The General Policy Conditions, General Definitions, Claims Conditions and General Exclusions form part of this **policy**. Unless otherwise expressly stated these apply to **your policy**, including any Extra Covers, Additional Benefits or Optional Insurances.

GENERAL POLICY CONDITIONS

These conditions apply to the entire **policy**.

If **you** do not comply with these conditions, **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

1. CHANGE TO RISK

Our decision to insure **you**, and the premium that **we** charge **you**, is based on information provided by **you** about **you**, **your business** and **your vehicle**. **Your** insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the **policy** change during the **period of insurance**, including, for example:

- the nature or type of **your business** or its permanent discontinuance, insolvency or it being placed in administration, voluntary administration, being wound up or carried on by an insolvency practitioner or receiver;
- **your** interest in the **policy** ceases, including by operation of law;
- **you** have been declared bankrupt or are unable to pay **your** debts or liabilities when they are due;
- **you** have been refused insurance or had any insurance cancelled or declined in the past 5 years;
- details of any conversion or modification to **your vehicle** made by someone other than the manufacturer. For example, if **you** give **your vehicle** wider tyres or wheels, or lower its suspension;
- if there is anyone under the age of 25 years who is likely to be a regular driver of the **vehicle**;
or
- any detail on **your policy schedule** is no longer accurate, such as change of **your** address, **your vehicle**, **your vehicle's** garage postcode or the way **you** use **your vehicle**.

You must notify **us** as soon as possible of these changes.

If **you** have not told **us** about any of the above matters having occurred in any other **period of insurance you** held this **policy** with **us**, **you** must also tell **us** as soon as possible.

If **you** do not notify **us** when **you** need to **we** may refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance).

Furthermore, **you** must tell **us** up to the commencement of **your policy** and at each renewal if any **authorised driver of your vehicle**, including **you**, has:

- had a licence endorsed, suspended or cancelled in the past 5 years;
- been charged or convicted of any criminal offence relating to arson, drugs, firearms, burglary, housebreaking, theft, robbery, receiving stolen goods, fraud, criminal or wilful damage or injury, assault to anyone; or

- been charged with or convicted of any motor offence or motor infringement (but not parking fines).

If **we** agree to the changes **you** tell **us** about, **we** will confirm this in writing. When **you** contact **us** to inform **us** of any of these above matters occurring or having occurred, **we** may need to agree with **you** that one or more of the following changes is made in order to continue **your** cover:

- impose an additional **excess**,
- charge extra premium; or
- apply a special condition to **your policy**.

In some cases, it may lead **us** to reduce or refuse to pay a claim or mean **we** can no longer insure **you** and **we** will cancel **your policy**.

2. THE AMOUNT OF COVER

If **you** are not entitled to an **input tax credit** on **your policy** premium, all **sums insured, limits of liability**, any sub-limit, Extra Covers, Additional Benefits or Optional Insurances stated in **your policy** are GST inclusive (unless **your policy** states otherwise).

If **you** are entitled to an **input tax credit** on any part of the **policy** premium, the **sums insured, limits of liability**, any sub-limit, Extra Covers, Additional Benefits or Optional Insurances stated in **your policy** are exclusive of any **input tax credit** which you are entitled to claim (unless **your policy** states otherwise).

3. TAKE STEPS TO REDUCE RISK

You must:

- take steps to ensure that **you** prevent or minimise **loss** of, or **damage** to, **your vehicle**, for example:
 - move **your vehicle** away from rising waters including tides;
 - do not drive into any water (including floodwater) deeper than the manufacturer's specifications for the maximum wading depth of **your vehicle**;
 - do not leave the keys in the **vehicle** whilst it is unattended or not secure;
 - obey signage displayed by local government authorities, traffic management companies and state emergency services when applicable;
 - accompany anyone test driving a **vehicle** when it's up for sale; and
 - complying, at **your** expense, with all **our** recommendations to prevent or minimise theft, **loss** or **damage**.
- take care to prevent or minimise injury to another person or **damage** to another person's property;
- comply, with any request made by **us** for the protection or improvement of **your vehicle** or to reduce the likelihood of **personal injury, loss** of or **damage to property**;
- comply with all laws, statutory obligations, by-laws, regulations and public authority requirements that concern the safe use of **your vehicle**, for example:
 - obey applicable and relevant road rules;

- obey speed limits, warnings, signs, local directives and safety requirements;
- convey and store goods in a legal manner in or on **your vehicle**;
- load **your vehicle** in accordance with legal and safety requirements; and
- keep **your vehicles** in a roadworthy condition, for example:
 - replace worn out tyres;
 - replace worn brakes;
 - replace defective lights;
 - fix paint, including clear coats; and
 - repair major scratches or dents.

If **you** do not comply with this condition **we** may refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance).

4. OTHER INTERESTS

Except where expressly stated in the **policy**, the insurance cover provided by **your policy** will not extend to the interests of any third party unless **you** have notified **us** in writing of such interest, and **we** have agreed to record that interest in writing on **your policy schedule** or by **endorsement**.

Third party beneficiaries

All third party beneficiaries must comply with the terms and conditions of **your policy**, including without limitation, the General Claims Conditions and the obligation to notify **us** and give **us** details of any other insurance that insures any risk insured by this **policy**.

5. TRANSFER OF INTEREST

No interest in this **policy** can be transferred without **our** written consent.

6. CHANGES IN OR WAIVERS OF THE POLICY

No changes in the **policy** will be valid unless agreed in writing by **us**.

No waiver of any requirements of this **policy** shall be valid unless it is given to **you** in writing.

7. MULTIPLE INSURED PARTIES

Except as otherwise expressly stated, where there is more than one person or organisation insured under this **policy**:

- any notice given by **us** under this **policy** to any one of **you** shown on the **policy schedule** will be deemed to be notice given to all of **you**;
- any misrepresentation or fraudulent actions or statements made by any person or organisation will be deemed to be made by all of **you**; and
- any claim made by any person or organisation will be deemed to be a claim made by all of **you**.

8. GOVERNING LAW

The construction, interpretation and meaning of the terms of this **policy** will be determined in accordance with the laws of Australia and the State or Territory where the **policy** was issued. Any disputes relating to the construction, interpretation and meaning of the terms of this **policy** will be submitted to the exclusive jurisdiction of the courts of Australia.

9. IF YOUR CONTACT DETAILS CHANGE

You must keep **your** contact details, including **your** Australian mobile number, postal address and email address up to date. If **we** do not have up to date contact details **you** might not receive **your** important **policy** documents which could impact whether **you** have cover in place.

GENERAL CLAIMS CONDITIONS

In this section a reference to '**you**' also means a reference to an **authorised driver**.

You must comply with the following conditions if an **event** occurs which may lead to or results in a claim.

If **you** do not comply with the General Claims Conditions **we** may:

- a. refuse to pay a claim or reduce the amount **we** pay (to the extent to which **we** are prejudiced in respect of the claim as a result of **your** non-compliance); and/or
- b. recover from **you** any costs and/or any monies **we** have paid; and/or
- c. cancel **your policy**.

WHAT YOU MUST DO

You must:

- contact **our** claims services as soon as possible on 13 14 46. **We** are available 24 hours a day, 7 days a week.

Our staff will advise **you** whether to bring **your vehicle** to one of **our** assessing centres or take it to a repairer. **We** can help with any other arrangements necessary to get **you** back on the road as quickly as possible.

- Take all reasonable precautions to minimise or prevent further **loss**, or **damage**, liability or injury. For example, if **your vehicle** is **damaged** in an accident, when safe to do so, move it off the road and put on **your** hazard lights. If **you** are unsure about what precautions to take to minimise or prevent further **loss**, **damage**, liability or injury please contact the GIO Claims Team;
- Take all steps to recover a stolen **vehicle**;
- If safe to do so:
 - a. obtain the full names, addresses and phone numbers of all drivers and, where possible, passengers involved and any witnesses to the **event**;
 - b. obtain the vehicle registration number and insurance details of all vehicles involved; and
 - c. if **damage** is caused to buildings and other property, obtain details of the address and the owner's name.

If due to the circumstances of the accident, **you** are unable to obtain the above information, please contact **us** on the number shown above.

- If someone has stolen, attempted to steal or maliciously damaged **your vehicle**, report it to the police as soon as possible. If **we** ask, **you** must provide **us** with the name of the police officer and police station where **you** made the report and give **us** all known details of the **event**;
- If you make a claim, also do everything to mitigate the **loss**, **damage**, liability or injury that **we** ask **you** to do;
- Retain and preserve **your damaged vehicle** and property for inspection by **us** or **our** agent (including a loss adjuster) prior to authorisation of repairs unless repairs are immediately necessary for safety reasons or to minimise or prevent further **loss**, **damage** liability or injury;

- If **you** carry out **emergency repairs** or choose to use **your** own repairer, when reasonably practicable and safe to do so, ensure that photographic images of the **damage** are recorded and can be provided to **us** so that **we** can establish the condition of **your vehicle** prior to the repairs. **You** are required to produce tax invoices or receipts for all costs if **we** are unable to obtain them directly from the repairer or other provider and **we** ask **you** for them;
- Give **us** all reasonable information, documentation and other assistance that **we** need to substantiate and investigate the claim that **we** request (including attending an interview or giving evidence in court as **we** may reasonably require). If **we** ask **you** for a statutory declaration verifying the details of **your** claim and any other matters connected with the claim, **you** must provide it;
- Provide proof of **your** ownership of, or legal responsibility for, any **lost** or **damaged vehicle** or property if **we** ask for it. This may include registration papers, sales receipts, service records, valuations, credit card statements, warranties or car log books;
- Tell us as soon as possible if you get demands, a notice of prosecution, details of any legal proceedings, inquest or similar communications from other parties involved in an **event**. If **you** delay in telling **us**, **we** may not cover any legal or other costs that result from that delay.
- When **you** make a claim **you** must:
 - Let **us** inspect and, if necessary, move **your vehicle** before repairs begin.
 - Co-operate and provide **us** with all reasonable assistance in connection with any investigation, negotiation, recovery, defence or settlement of any claim, including doing all things necessary to allow **us** to take over legal proceedings in the circumstances described in General Claims Condition – Rights of Recovery.

WHAT YOU MUST NOT DO

You must not:

- negotiate or promise anyone a payment;
- dispose of any **damaged** property;
- accept any payment (including **excess** payments) from anyone unless **we** agree first; or
- admit liability for any **loss, damage** or injury, or settle or attempt to settle or defend any claim without our prior written consent.

REPAIR OR REPLACEMENT

You must not authorise the repair or replacement of **your vehicle** without **our** agreement, except as provided under Extra Cover 5 - Emergency Repairs or when reasonably necessary to prevent further **loss, damage** or injury.

WHAT YOU AGREE TO DO

When **you** make a claim **you** agree that:

- **You** must let **us** inspect and, if necessary, move **your vehicle** before repairs begin.
- **You** must co-operate and provide **us** with all reasonable assistance in connection with any investigation, negotiation, recovery, defence or settlement of any claim, including doing all things necessary to allow **us** to take over legal proceedings in the circumstances described in General Claims Condition – Rights of Recovery.

WHAT WE CAN DO IN RELATION TO THE CLAIM

- In relation to legal liability claims **you** make under **your policy**, **we** have the right and full discretion to conduct claims. If **we** decide to defend **you**, settle any claim against you, represent **you** or try to recover money **you** must give **us** all reasonable assistance, co-operation and information **we** need, including assistance after **your** claim has been paid. **We** may engage legal or other representatives to assist in the conduct of a claim.
- At all times **we** reserve the right to negotiate and settle a claim on terms **we** consider appropriate. **You** must allow **us** to make admissions, settle or defend claims made against **you** on **your** behalf.

PAYING YOUR EXCESS

You must pay any **excess** that applies to a claim under this **policy**. Any **excess** that is applied to **your** claims must be paid in full prior to final settlement of that claim.

The **excess** that applies will depend on the circumstances of the claim. Some Additional Benefits have their own **excess** which may be in addition to any other **excess** that may apply to a claim. When multiple **excesses** apply, **you** might have to pay more than one type of **excess** when **you** make a claim.

The amount of the **excesses** and the circumstances that each **excess** applies to are shown on **your policy schedule** or set out in the Excess clause on page 59. **We** will tell **you** how to pay **your excess** and who to pay it to.

When **you** make a claim the following options are available to pay the **excess** (when **we** ask for it):

- **you** can pay the **excess** directly to **us** before **we** finalise **your** claim. In the case of a new replacement **vehicle**, **we** may require **you** to pay the **excess** before taking delivery of the new vehicle;
- the **excess** can be deducted from the amount **we** pay **you** for **your** claim (if any);
- in some instances, the **excess** can be paid to the appointed repairer when **you** pick up **your vehicle** after it has been repaired or to the supplier; or
- in some instances, the **excess** can be deducted from the amount **we** pay to another person for **loss** or **damage** to their property.

We will not cover any legal or other costs that arise because of any delay in paying the **excess**.

CLAIMS SETTLEMENTS

a. Input Tax Credit entitlement

If any **event** occurs which gives or may give rise to a claim **you** must tell **us your** entitlement to **input tax credits (ITC)** for **your** insurance premium and claim if **you** are registered, or are required to be registered for GST purposes. If **you** do not inform **us of your** entitlement, or the information **you** give **us** is incorrect, **we** will not cover **you** for any resulting fines, penalties or tax liability **you** incur. When **we** calculate a payment to **you for your** claim, **we** can reduce it by any **input tax credit you** are, or would be, entitled to receive.

b. Cash payments

Unless **your policy** states otherwise, any cash payments made to **you** under this **policy** will be based on costs including GST. However, if **you** are, or would be, entitled to claim any **input tax credits** for the repair or replacement of the insured **vehicle** or for other things insured by the **policy**, **we** will reduce **our** payment to **you** by the amount of **your input tax credit** entitlement.

c. Discharge of our liabilities

If, at any time, **we** pay **you** the **sum insured** or **limit of liability** for any claim under this **policy**, **we** do not have any further liability to **you**. But, **we** will pay any Extra Covers, Additional Benefits or Optional Insurances that are expressed to be in addition to the **sum insured** or **limit of liability**.

d. Salvage

After settling a claim where **your vehicle** is a **total loss**, if we so elect, that **vehicle** or salvage of that **vehicle** including any unexpired registration or Compulsory Third Party (CTP) or Motor Accident Injuries (MAI) insurance, unless otherwise required by law, becomes **ours** and **we** are entitled to receive the proceeds from any salvage of that **vehicle**, except to the extent **you** are not fully indemnified.

RIGHTS OF RECOVERY

If **you** have suffered loss or damage or incurred a legal liability and **you** make a claim under this **policy** with **us** for that loss, damage or liability, then **we** have the right and **you** have permitted **us** to take action or start legal proceedings against any person or entity liable or, who would be liable to **you** for the recovery of **your** loss.

“**Your** loss” means **your** insured, underinsured or uninsured loss or damage or legal liability, costs, payments made and expenses in relation to respect to which **you** have claimed under **your policy**. Any action or legal proceeding **we** take will be commenced either in **your** name, or in the name of any other person or entity that suffered **your** loss. **We** have full discretion over the conduct and any settlement of the recovery action.

If **you** make a claim with **us** for **your** loss and **you** have already started action or legal proceedings against any person or entity liable or, who would be liable to **you** for **your** loss, then **we** have the right and **you** have permitted **us** to take over and continue that action or legal proceeding.

Where **your** loss forms part of any class or representative action which has not been started under **our** instructions, **we** have the right and **you** permit **us** to exclude **your** loss from that class or representative action for the purpose of **us** including it in any separate legal proceedings which are or will be started under **our** instructions.

You must provide **us** with all reasonable assistance, co-operation and information in the recovery of **your** loss. This assistance may include:

- providing a more detailed version of events, which may include completing a diagram or statement/ affidavit;
- providing **us** with any documents required to prove **your** loss;
- providing copies of any available photographs or footage of the incident available;
- lodging a police report or obtaining relevant documents, such as completing and lodging an application form to obtain records from the police, fire and rescue, councils and other entities (when **we** cannot lodge one);
- attending court or meetings with our legal/other experts (only if required);
- providing evidence and documentation relevant to **your** claim and executing such documents, including signed statements which **we** reasonably request.

We will pay for the cost of filing the police report and relevant searches to locate the third party. **We** will cover the costs **you** incur when having to attend court up to a limit of \$250 in total per claim.

You must not enter into any agreement, make any admissions or take any action or step that has the effect of limiting or excluding **your** rights and **our** rights to recover **your** loss, including opting out of any class or representative action, unless **we** have given **you our** prior written agreement. If **you do, we** may not cover **you** under this **policy** for **your** loss.

Recoveries do not include any amount recovered from insurance, surety, reinsurance, security or indemnity taken for the benefit of **us**.

SUBROGATION AGREEMENTS

If another person or organisation is, or could have been, liable to compensate **you** for any **loss, damage, or legal liability** otherwise covered by the **policy**, but **you** have agreed with that person either before or after the **loss, damage, or legal liability** occurred that **you** would not seek to recover any money from that person or organisation, **we** will not cover **you** under the **policy** for any such **loss, damage or legal liability**.

NOTIFICATION OF OTHER INSURANCE

In the event of a claim **you** must provide **us** with the details of any other insurance that provides cover for the claim to enable **us** to exercise **our** right to seek contribution from the insurer of that other insurance.

CONDUCT TOWARDS US

You must not behave in a way that is abusive, dangerous, hostile, improper or threatening when engaging with **us** and **our** service providers.

FRAUDULENT CLAIMS

If **you** or anyone **you** authorise to act on **your** behalf, or with **your** knowledge or consent makes a false or fraudulent claim, or causes **loss** or **damage** deliberately, **we** may do one or more of the following:

- refuse to pay the claim;
- cancel the **policy**; or
- take legal action against **you**.

WHEN WE MAY REFUSE A CLAIM/REDUCE WHAT WE PAY/RECOVER COSTS OR MONIES/CANCEL YOUR POLICY

We may refuse to pay a claim or **we** may reduce the amount **we** pay **you** (to the extent to which **we** are prejudiced as a result of **your** non-compliance) and/or recover from **you** any costs and/or any monies **we** have paid and/or cancel **your policy**, if:

- a. **you** do not do what **your** duty of disclosure requires **you** to;
- b. **you**:
 - are not truthful;
 - have not given **us** full and complete details; or
 - have not told **us** something when **you** should have,when applying for the insurance, or when making a claim;
- c. **you** have not complied with any of the General Claims Conditions;
- d. **you** do any of the following without **us** agreeing to it first:
 - make or accept any offer or payment or in any other way admit **you** are liable;
 - settle or attempt to settle any claim; or
 - defend any claim;
- e. cover is excluded by the **policy**; or
- f. **you** are in breach of any other conditions of **your policy**.

If **you** prevent **our** right to recover from someone else or if **you** have entered into a contract or agreement which excludes or limits **your** right to recover compensation from another person who is liable to compensate **you** for any **loss, damage** or **legal liability** which is covered by this **policy**, **we** will not cover **you** under this **policy** for that **loss, damage** or **legal liability**.

YOUR COVER

COVER OPTIONS

You can choose between three (3) different types of cover for **vehicles**. Not all types of cover are available for all types of **vehicles**. The cover **you** have chosen will be displayed next to each **vehicle** in **your policy schedule** and is detailed below.

Cover option	Description of cover provided
Comprehensive	Part 1, insured events (1) to (6) (inclusive) apply Part 2 applies
Legal liability, fire and theft	Part 1, insured events (1) to (5) (inclusive) only apply Part 2 applies
Legal liability only	Part 1 does not apply Part 2 applies

The insured **events** are listed in the 'What we cover' sections in the following pages. An insured **event** does not include any of the items, events or circumstances set out in the 'We do not cover' sections in the following pages.

You can ask **us** at any time to change the cover option for any **vehicle**. There may be an additional premium or a refund of premium.

COVER FOR ADDITIONAL VEHICLES

An additional **vehicle** is a **vehicle** that **you** acquire, purchase or lease (but not hire or borrow) during the **period of insurance**.

We automatically provide cover for any additional **vehicle you** acquire, purchase or lease during the **period of insurance**. **You** must tell **us** about the additional **vehicle** within thirty (30) days of getting it and pay any extra premium **we** request.

If **we** are unable to continue covering the additional **vehicle**, **we** will tell **you** and give **you** fourteen (14) days from the date **we** tell **you** so **you** can organise to insure the vehicle elsewhere. Cover for the additional **vehicle** will then end at 4:00pm fourteen (14) days after **we** have told **you we** are unable to continue covering the additional **vehicle**.

If **you** have only one (1) type of cover option for **your vehicles**, for example 'Comprehensive Cover', that will be the cover option for any additional **vehicle you** obtain during the **period of insurance** (unless **you** tell **us you** want another cover option).

If **you** have **vehicles** insured with **us** for more than one (1) type of cover option, for example, 'Comprehensive Cover' and 'Legal Liability, Fire and Theft cover', **we** will automatically provide the cover option with the better cover for any additional **vehicle you** get during the **period of insurance** (unless **you** tell **us you** want another cover option).

The **sum insured** of any additional **vehicle** will be its **market value**. However, unless a higher amount is shown on **your policy schedule** for additional **vehicles** or **we** have agreed to insure an additional **vehicle** that is similar for a higher amount, the most **we** will pay for **loss or damage** to an additional **vehicle** is:

- a. \$100,000 if the additional **vehicle** is a motorcycle, caravan, car, 4WD, utility or van of not more than 2 tonne carrying capacity; or
- b. \$300,000 for any other type of additional **vehicle**.

The most **we** will pay for **legal liability** arising from the use of an additional **vehicle** is the relevant amount stated in Part 2 of this **policy**.

Additional **vehicles** that **you** have advised **us** of and that **we** have agreed to insure will be noted on **your policy schedule** and will be insured for a **sum insured, market value** or **agreed value** as agreed by **you** and **us**.

COVER FOR TWO-WHEEL OR BOX TRAILERS

Additional Benefit 1 – ‘Two-wheel or box trailers’ provides cover of up to a limit of \$2,000 for **loss** or **damage** to **your** two-wheel or box trailer caused by an **event** during the **period of insurance**. **You** can ask **us** to insure **your** two-wheel or box trailer for more than \$2,000 under **your policy**. **You** may be required to pay an additional premium.

PART 1 – LOSS OR DAMAGE TO YOUR VEHICLE

 - iii. **you** have been notified that **your** stolen **vehicle** has been found, for example, by moving **your vehicle** off the road, using the **vehicle's** hazard lights or advising **us** that **your** stolen **vehicle** has been found so that **we** can arrange for it to be recovered and **you** recognise that failing to take such steps is likely to lead to **damage** to **your vehicle** and **you** decide not to take steps to avert the risk of **damage** or take ineffective steps;
- f. **loss** or **damage** to **your vehicle** due to using incorrect fuel or additive;

We do not cover (continued)

- g. **loss or damage to your vehicle's** engine, gearbox or transmission because it was driven in a **damaged** condition after an **event**, unless **you** were not aware this could lead to further damage, or **you** were acting to prevent further **loss or damage** such as driving it from a busy motorway;
- h. **loss or damage** caused by or arising from any person or organisation who lawfully takes possession of **your vehicle**; or
- i. **loss or damage** caused by an **event** which is not fire, explosion, lightning, storm (including hail), theft or attempted theft, if **your vehicle** is insured for Legal Liability, Fire and Theft Cover only.

EXTRA COVERS

If **your** claim for **loss or damage to your vehicle** is covered under this Part 1, **we** will also pay or provide the following Extra Covers in relation to that claim. **We** will not pay if the **loss, damage or legal liability** is excluded by any of the **policy** exclusions (to avoid doubt, including the exclusions in Part 1, Part 2, the General Exclusions or any **endorsement**).

If **we** pay a claim under an Extra Cover, **we** will settle **your** claim in accordance with that Extra Cover. For the Extra Covers: '2. Personal effects', '3. Death of Driver', '4. Personal Accident', '5. Emergency repairs', '6. Emergency travel', '7. Emergency accommodation' and '9. Vehicle modifications', **we** will only settle the claim by paying **you**. This means that we will not repair or replace or arrange for a service (for example, emergency accommodation).

We will pay **you** by direct deposit into **your** bank account.

What we cover

If:

If:

- you** choose not to accept a replacement vehicle; or
- an agreement cannot be reached between us on a replacement vehicle; or
- a replacement vehicle cannot be provided under i. or ii. above,

we will pay **you** the original purchase price of **your vehicle**, less the **excess** and applicable deductions for unpaid premium, unused registration or CTP or MAI insurance (see 'Settlement Conditions applicable if your vehicle is a total loss' on pages 45 and 46).

We will also provide the following Additional Benefits if **your vehicle** is insured for Comprehensive Cover during the **period of insurance**. All of the terms, conditions and exclusions of this **policy** apply to the Additional Benefits unless otherwise specified including, without limitation, the exclusions applicable to Part 1 and Part 2, the General Exclusions or any **endorsement**.

You do not need to make a claim under Part 1 of this **policy** to be eligible for these Additional Benefits. If **we** pay a claim under an Additional Benefit, **we** will settle **your** claim in accordance with that Additional Benefit. For Additional Benefit '2. Locks and keys' we will only settle the claim by paying **you**. This means that **we** will not repair or replace or arrange for a service.

We will pay **you** by direct deposit into **your** bank account.

1. Two-wheel or box trailer

What we cover

We cover **loss** or **damage** to **your** two-wheel or box trailer that **you** own while it is attached or being towed by **your vehicle** caused by an **event** in the **period of insurance**.

The most **we** will pay under this Additional Benefit for any one (1) **event** is \$2,000.

If **we** agree, **you** can insure **your** trailer for more than \$2,000 if **you** insure it as a separate insured **vehicle** under **your policy**.

- have been stolen (even if **your vehicle** was not);
- have been **damaged** or **lost** after an **event** as a result of which **we** have paid a claim under Part 1; or
- may have been duplicated and there are reasonable grounds to believe so.

The most **we** will pay under this Additional Benefit is \$5,000 for any one (1) **event**.

Excess

You must pay the basic **excess** applicable to **your vehicle** for any claim under this Additional Benefit.

3. Hire vehicle

What we cover

If **you** hire a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity in Australia for the purposes of **your business**, for a period of no longer than thirty (30) days, and **you**:

- a. do not insure the hired vehicle with the hiring company, **we** will cover:
 - i. theft, **loss** of or **damage** to that hire vehicle during the **period of insurance**; and
 - ii. **your** or the **authorised driver's legal liability** for another person's **personal injury** or **damage** to another person's property in the **period of insurance** which **you** or an **authorised driver** cause or incur while driving or in control of the hire vehicle;
- b. do insure the hired vehicle with the hiring company for theft, **loss** or **damage** or **legal liability**, **we** will cover any excess **you** are required to pay to the hiring company under that insurance for theft, **loss** or **damage** to that hire vehicle during the **period of insurance**.

The most we will pay under this Additional Benefit for any one (1) **event**:

- a. in respect of (a) above, is up to \$50,000 in total for the theft, **loss** or **damage** to the hire vehicle; or
- b. in respect of (b) above, the hired vehicle excess.

Please refer to page 56 of this **policy** for how **we** will settle any other claim for **your legal liability** under this Additional Benefit.

Legal liability has the meaning shown in Part 2 – Legal Liability of this **policy** on page 50.

Excess

You must pay **us** an **excess** of \$1,000 (unless another amount is shown on any **endorsement** in which case that other amount applies in addition to any age or **inexperienced driver excess** that is applicable) for any claim under this Additional Benefit.

4. Recovery costs – no damage

What we cover

If **your vehicle** is immobilised, bogged or stranded in the **period of insurance**, even if there is no **damage** to **your vehicle** **we** cover the reasonable cost of extricating or moving it so that it is no longer immobilised, bogged or stranded.

The most **we** will pay under this Additional Benefit for any one (1) **event** is \$5,000.

Note: **You** are required to produce reasonable evidence of the costs incurred if **we** ask for them. Reasonable evidence may include tax invoices or receipts.

We do not cover

We will not pay any claim where **your vehicle** is immobilised, bogged or stranded solely as a result of **vehicle** failure or breakdown.

This Additional Benefit does not cover any recovery costs after **your vehicle** has been removed to a place of safety.

Excess

You must pay the basic **excess** applicable to **your vehicle** for any claim under this Additional Benefit.

5. Theft of certain vehicle accessories

What we cover

We cover the reasonable cost to replace any of the following accessories that would normally be attached to or in or on **your vehicle** if they are stolen in the **period of insurance**, even if the theft occurs while they are not attached to **your vehicle** or if they are not shown on **your policy schedule**:

- a. Buckets;
- b. Chain trencher;
- c. Hammer;
- d. Laser;
- e. Pallet forks;
- f. Post hole borer;
- g. Ramps;
- h. Ripper;
- i. Rock breaker; or
- j. Sweeper.

Please refer to General Claims Condition – what you must do on pages 24 and 25 for details of what information **we** may ask for to support **your** claim for these accessories.

We do not cover

We will not cover theft of the accessories listed above if, upon request by **us**:

- a. **you** do not give **us** reasonable evidence of the value of the accessory so that **we** can establish that the **sum insured** reflects the **value of your vehicle** plus the accessories; or
- b. **you** cannot provide reasonable proof that **you** owned the accessories.

Reasonable evidence or proof may include photographs, sales receipts, tax invoices, accounts and bank or credit card statements that provide a description of the accessory and show the purchase price, date and location.

Excess

You must pay the basic **excess** applicable to **your vehicle** for any claim under this Additional Benefit, unless **you** have already paid the **excess** applicable to **your vehicle** because it was also stolen in the **event**.

6. Vehicles being test driven by you

What we cover

If a **vehicle** (not exceeding 2 tonne) is being demonstrated to **you** or test driven by **you** or **your authorised driver** during the **period of insurance**, **we** will cover **you** or **your authorised driver's legal liability** for:

- theft, **loss** of or **damage** to that vehicle; and
- another person's **personal injury** or **damage to property** in connection with the use of that vehicle.

The most **we** will pay under this Additional Benefit for liability for theft of, **loss** or **damage** to the demonstration or test driven vehicle is \$100,000.

The most **we** will pay in total under this Additional Benefit for another person's **personal injury** or **property damage** in connection with the use of that vehicle is the amount set out in 'Limits to what we pay' in Part 2 of this **policy**.

Please refer to page 56 of this **policy** for how **we** will settle any other claim for **your legal liability** under this Additional Benefit.

Legal liability has the meaning shown in Part 2 - Legal Liability on page 50.

We do not cover

We will not pay if the demonstration or test driven vehicle is:

- a customer's vehicle; or
- being test driven for the purposes of repair, restoration or modification.

Excess

No **excess** is payable for any claim under this Additional Benefit.

7. Non-owned trailer in control

What we cover

If **your vehicle** is a rigid body truck of 2 tonne carrying capacity or more, **we** will cover the **loss** of or **damage** in the **period of insurance** to a trailer **you** do not own, lease or hire when:

- the trailer was in **your** legal possession or control at the time the **loss** or **damage** occurred; and
- you** or an **authorised driver** were using it in conjunction with **your vehicle**.

The most **we** will pay under this Additional Benefit for any one (1) **event** is \$50,000, regardless of the number of trailers **your vehicle** may have under its control at the time of the **event**.

We do not cover

We will not pay for **loss** or **damage** to goods or property being carried in the trailer.

Excess

You must pay **us** an **excess** of \$2,500 (unless another amount is specified in any **endorsement** in which case that amount applies) for any claim under this Additional Benefit. This **excess** is additional to any **excess** payable for **your vehicle**.

CLAIMS SETTLEMENT UNDER PART 1

If **your** claim is covered under Part 1 of this **policy**, **we** will either pay **you** for a **partial loss** or a **total loss**. This is determined by whether **your vehicle** would be uneconomical or unsafe to repair, including where the combined repair costs and salvage value are likely to be more than the **value of your vehicle** or when **your vehicle** has been stolen and not recovered within fourteen (14) days of its theft and **we** accept **your** claim for theft of **your vehicle**. **We** will also have regard to the law in relation to what is considered a write off that applies in **your** State or Territory when determining whether **your vehicle** is to be written off.

If a claim for **legal liability** is covered under any Additional Benefit in this Part, the “Limits to what we pay” in Part 2 will apply, unless specified otherwise.

Total loss

If **your vehicle** is a **total loss** and the conditions applying to Extra Cover 1 – New vehicle after total loss are met, **we** will settle **your** claim with a new replacement vehicle or by a payment, as provided for in Extra Cover 1. Where Extra Cover 1 – New vehicle after total loss does not apply, **we** will settle **your** claim in one of the following ways:

A. Market value or sum insured

If the **vehicle** is shown on **your policy schedule** as having **market value**, and the **sum insured** does not show a figure in dollars, **we** will pay **you** the **market value** of **your vehicle**.

If the **vehicle** is shown on **your policy schedule** as having a **market value**, and the **sum insured** does show a figure in dollars, **we** will pay **you** the lesser of the **market value** or the **sum insured**.

For example, where the **sum insured** of **your vehicle** is shown in the **policy schedule** as \$60,000 and **your vehicle** is involved in an **event** that could lead to **your vehicle** being declared a **total loss**, it will be examined and details recorded such as general condition, fixtures, fittings and kilometres travelled. If, due to the poor condition of **your vehicle**, excessive kilometres travelled, wear and tear and rust the **market value** is calculated as \$40,000, **we** will pay **you** this lesser amount.

Where **your vehicle** is not specified in **your policy schedule** (because it is an additional **vehicle** as defined in ‘Cover for additional vehicles’ on pages 30 and 31), what **we** pay is set out under ‘Cover for additional vehicles’ on pages 30 and 31.

The **market value** or **sum insured** of **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified in your **policy schedule**.

We will deduct any **excess** that is payable from the amount **we** pay.

If **we** pay the **market value** or **sum insured** as a result of a **total loss**, then **your** cover for that **vehicle** comes to an end. Any Extra Cover, Additional Benefit or Optional Insurance for that cover also ends. There will be no refund of the premium for the unexpired **period of insurance**.

If **you** have been paying **your** premium by monthly direct debit instalments, **we** will deduct the remaining instalment premiums due for the unexpired **period of insurance** from the amount **we** pay for the claim.

B. Agreed value

If the **vehicle** is shown on **your policy schedule** as having **agreed value**, **we** will pay **you** the **sum insured** shown on **your policy schedule** for **your vehicle**.

This **sum insured** for **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified on **your policy schedule**.

The **agreed value** shown on **your policy schedule** is the most **we** will pay for theft, **loss** of or **damage** to **your vehicle**. **We** will not deduct any **input tax credit** from the amount of **agreed value** specified on **your policy schedule**.

We will deduct any **excess** that is payable from the amount **we** pay.

If **we** pay the **agreed value** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. Any Extra Cover, Additional Benefit or Optional Insurance for that cover also ends. There will be no refund of the premium for the unexpired **period of insurance**.

If **you** have been paying **your** premium by monthly direct debit instalments, **we** will deduct the remaining instalment premiums due for the unexpired **period of insurance** from the amount **we** pay for the claim.

C. Legal liability, fire and theft

If the **vehicle** is shown on **your policy schedule** as having Legal liability, fire and theft cover, **we** will pay **you** the **market value** or the **sum insured** for **your vehicle**, whichever is less. The **market value** of **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified on **your policy schedule**.

We will deduct any **excess** that is payable.

When **we** pay the **market value** or **sum insured** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. There will be no refund of the premium.

Settlement conditions applicable if your vehicle is a total loss

We will deduct any unpaid premium from any amount that **we** pay **you** for a **total loss**.

Your vehicle or salvage of **your vehicle**, including any unexpired premium, registration and Compulsory Third Party (CTP) or Motor Accident Injuries (MAI) insurance, unless the law requires otherwise, becomes **our** property when **we** pay **you** for the **total loss**. Where **you** are entitled or required by law to obtain a refund for unused registration or CTP or MAI insurance, **we** will deduct those amounts from what **we** pay **you** for the **total loss**. If **we** are unable to collect any unexpired registration or CTP or MAI insurance **ourselves**, **you** must provide reasonable assistance to help **us** to do so if **we** ask.

If another party (e.g. a finance provider) has an interest in **your vehicle** and **your vehicle** is a **total loss**, **we** pay them (instead of **you**) what **you** owe them up to the amount **you** are entitled to under this **policy**. If this amount is less than the full amount payable under the **policy**, **we** pay **you** the balance.

When **we** replace **your vehicle** or pay **you** for the **total loss**, **your vehicle** salvage becomes **our** property.

If another party (e.g. a finance provider) is entitled to the salvage of **your vehicle**, then **we** will pay **you** or them the amount covered, less **our** estimate of the salvage value, any **excess** and unpaid premium. For example, this could occur if **you** had purchased **your vehicle** not knowing that it was used as security on a financial agreement involving the previous owner. This means the credit provider may be entitled to the salvage of **your vehicle**.

For an example of how **we** settle a **total loss** claim, see pages 62 and 63 of this **PDS**.

Partial loss

If **your vehicle** is a **partial loss**, **we** will do the following (depending on the exact circumstances of the claim):

- a. repair the **damage** or replace the **damaged** parts of **your vehicle** using a **recommended repairer** or **you** may choose **your** own repairer. If **you** choose **your** own repairer **we** will authorise repairs for the amount of the **assessed quote** from **your** repairer;
- b. pay **you** the amount of the **assessed quote** from a **recommended repairer** when a **recommended repairer** is able to complete the repair of the **damage** or replace the **damaged** parts of **your vehicle**, but **you** request a cash settlement; or
- c. pay **you** the amount of the **assessed quote** from **your** repairer if a **recommended repairer** cannot complete the repair of the **damage** or replace the **damaged** parts of **your vehicle** or if **we** do not authorise repairs based upon **your** repairer's quote.

If **we** settle **your** claim by paying **you** the amount of the **assessed quote** and **you** do not carry out the repairs to **your vehicle**, it may lead **us** to reduce or refuse to pay any subsequent claim by **you** in respect of that particular **vehicle**.

For an example of how **we** settle a **partial loss** claim, see page 64 of this **PDS**.

Choice of repairer and parts policy

If **your vehicle** is a **partial loss**, **we** can arrange the repairs with a **recommended repairer** if one is available, or alternatively **you** can choose **your** own repairer and **we** will authorise repairs for the amount of the **assessed quote** from **your repairer**.

Where **we** are able to provide **you** with access to one of **our recommended repairers**, **we** will offer **you** a choice if there is more than one in **your** area. However, **we** may only be able to nominate one **recommended repairer** if there are no others available in **your** area.

Where **we** are unable to provide **you** with access to one of **our recommended repairers**, **we** will require **you** to choose **your** own repairer.

If **we** authorise repairs with a **recommended repairer** or **your** own repairer, **we** will:

- a. authorise the repair of **your vehicle** to the same or reasonably similar condition and standard it was immediately before the **event**;
- b. except for windscreens and window glass, authorise only the use of new parts or where available, parts which are consistent with the age and condition of **your vehicle** (which may include using reusable parts where available);
- c. replace damaged windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules;

- d. authorise only the use of manufacturer's approved parts if **your vehicle** is under warranty, but not when **your vehicle** has an extended warranty or for windscreen replacement;
- e. if the same part as a damaged part is not available, give **you** the option to accept the **market value** of the obsolete part or to use an equivalent part (if available) to complete the repair. Where the damaged or equivalent part is not available and **your vehicle** cannot be safely repaired, **we** will declare **your vehicle** a **total loss**; and
- f. guarantee the quality of materials and workmanship in respect of the repairs for the life of the **vehicle**. See 'Lifetime guarantee for repairs' below.

Any repairer **we** authorise to repair **your vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If **you** choose **your** own repairer and **we** do not authorise repairs for the amount of the **assessed quote** from **your** repairer, **we**:

- a. will pay an amount equal to the **assessed quote** from **your** repairer; and
- b. will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, **we** will pay the cost of surface freight from the nearest reasonable source of supply.

You are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

If **we**:

- i. pay **you** the amount of the **assessed quote** from a **recommended repairer** because a **recommended repairer** is able to complete the repairs or replace the damaged parts of **your vehicle** but you have requested a cash settlement; or
- ii. pay you the amount of the **assessed quote** from **your** repairer because a **recommended repairer** cannot complete the repairs or replace the damaged parts of **your vehicle**,

we also do not authorise the repairs. **We** will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

Contribution to repair work

You may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by neglect, wear and tear, weathering, rust, mould, mildew or corrosion ('pre-existing damage'). How much **you** are required to contribute will depend on how affected by such pre-existing damage these items were when the **damage** happened.

If **you** do not want to contribute to this cost and the repairs cannot be carried out due to the pre-existing damage, instead of carrying out the repairs:

- i. if **we** have obtained a quote from a **recommended repairer** (and **you** have not obtained a quote from **your** repairer) **we** will pay **you** the amount of the **assessed quote** from **our** repairer, excluding the cost to replace or repair the pre-existing damage; or

- ii. if **you** have obtained a quote from **your** repairer that includes the cost to replace or repair the pre-existing damage **we** will pay **you** the amount of the **assessed quote** from **your** repairer, excluding the cost to replace or repair the pre-existing damage.

We will subtract any **excess** that may apply.

For an example of how **we** settle a **partial loss** claim, please see page 64 of this **policy**.

PART 1 CONDITIONS

Lifetime guarantee for repairs

If **we** authorise repairs for **your vehicle**, **we** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **your vehicle**. The parts used in any lifetime guarantee repairs to a **vehicle** will be the same as those described in 'Choice of repairer and parts policy' above. If **you** are concerned about the quality of the repairs to a **vehicle**, **you** must contact **us** and make **your vehicle** available to **us**. **You** must not authorise any rectification work without **our** written authority.

We will inspect the repair and arrange any necessary rectification work.

If, it would not be safe or economical to carry out the rectification work required, **we** will declare the **vehicle** a **total loss** and pay you an amount under (A) – 'Market value or sum insured' or (B) – 'Agreed Value' (see pages 44 and 45), whichever applies to **your vehicle**.

If **we** pay **you** the amount of the **assessed quote we** do not authorise repairs and **you** will not be entitled to the lifetime guarantee on repairs that **we** do not authorise.

Vehicle identification

Where **your vehicle's** identification, such as its compliance, build or VIN plate or label, has been **damaged**, **we** will try to source a replacement from its manufacturer. If **we** cannot source it for **you**, **we** will attempt to obtain a letter from the manufacturer to confirm your **vehicle's** identity and that its original identification has been **damaged**. **We** will still repair **your vehicle** without replacing any **damaged** identification, unless an alternative form of identification is required by law.

Underinsurance condition

If at the time of the insured **event**, **your vehicle** was insured for less than 80% of its **market value** and because of the **event your vehicle** is:

- a. **total loss**, **we** will not apply this underinsurance condition; or
- b. **partial loss**, **we** will pay the same proportion of the **loss** as the **sum insured** bears to 80% of the **market value of your vehicle**.

For an example of how **we** settle a **partial loss** claim where the underinsurance condition applies, please see page 65 of this **policy**.

In assessing the amount **we** pay, prime movers and attached trailers and dollies are regarded as separate and distinct insured **vehicles**.

This underinsurance condition does not apply if **your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

PART 2 – LEGAL LIABILITY

WHAT YOUR VEHICLE ALSO MEANS

For the purposes of Part 2 of this **policy**, your **vehicle** also means:

- d. **your** employer, principal or **business** partner,

are legally liable to pay compensation for:

- i. **loss** of or **damage to property** owned or controlled by someone else; or

caused by an **event** which occurs during the **period of insurance** in Australia or its external territories.

You can claim for **legal liability** of the persons named above and as described under ‘What we cover’ if:

- A. the **legal liability** is not expected or intended and the insured **event** occurs during the **period of insurance** in Australia or its external territories;
- B. it is not excluded by anything under “We do not cover”;
- C. it is not excluded by the General Exclusions on pages 67 to 71; and
- D. is not excluded by any **endorsement**.

What we cover

We will cover **your legal liability** if the **event** giving rise to that **legal liability** was not expected or intended, and the **event** was caused by:

- a. **you** or an **authorised driver** driving, using or being in charge of **your vehicle**;
- b. goods being carried by or falling from **your vehicle**;
- c. loading goods onto **your vehicle** from a fixed place of rest directly beside **your vehicle**;

- c. for **loss of or damage to property you** own, control or are responsible for, or which belongs to someone who normally lives with **you**. However, this exclusion will not apply to **your legal liability for damage** to motor vehicles belonging to an **employee** or visitor which occurs within the confines of a private car park owned or operated by **you**;
- d. for **personal injury** to anyone who was **your employee** at the time of the **event**;
- e. for **personal injury** if **you** were or anyone else was required by law to have insurance for compensation, damages or similar insurance for injury (e.g. compulsory third party insurance or workers compensation required by law);
- f. for **personal injury** if **your vehicle** is registered in the Northern Territory of Australia;
- g. where **you** or another of the persons named above in this section cause **your own personal injury**, or if **you** injure or cause the death of someone who normally lives with **you or them**;
- h. occurring because **you**, an **authorised driver of your vehicle**, a passenger in **your vehicle**, or **your** employer, principal or **business** partner agreed to accept liability;
- i. because of an agreement **you** or anyone insured under this **policy** has entered into, unless **legal liability** would have applied anyway;
- j. for **personal injury** if at the time of the **event your vehicle** was being used as a show, carnival or festival attraction, parade float or for any similar activity;
- k. if at the time of the **event your vehicle** was being driven or used at, in or on any **aircraft** hangar or any part of an airport or airfield used by **aircraft** for loading, unloading, taxiing, takeoffs or landings;

 - ii. the fuel to the incorrect place.

- n. for **damage to property** resulting from an **event** arising out of the use of **your vehicle** while it is digging, excavating, boring or drilling. However, **we** will pay if **your vehicle** is being used for the sole purpose of travelling to or from any work site or transporting or carting goods at the time of the **event** and is not being used at the time of the **event** for any other purpose including any specific activity for which the **vehicle** was designed.
- o. to pay fines or punitive, exemplary or aggravated damages;
- p. arising directly or indirectly from:
 - i. the transportation, distribution and/or storage of asbestos;
 - ii. any material containing asbestos or any process of decontamination, treatment or control of asbestos.

For the avoidance of doubt, the above asbestos exclusions only apply to **personal injury** arising in consequence of inhalation or physical exposure to any type of asbestos fibre or its derivative, and to **loss** or **damage to property** due to the presence of asbestos.

- q. for **personal injury** or **loss** of or **damage to property** arising directly or indirectly out of the actual, alleged or threatened discharge, dispersal, migration, release or escape of **contaminants or pollutants**:
 - i. into or upon any property, land, the atmosphere, water course or body of water (including ground water); or
 - ii. caused by any product or physical liquid item that has been discarded, dumped, abandoned or thrown away by **you, your employee**, other person under your control or by others.

LIMITS TO WHAT WE PAY

The most **we** will pay for all claims for **legal liability** covered under this **policy** arising directly or indirectly from one (1) **event** is \$50,000,000 (unless another amount is specified on **your policy schedule**) but restricted to:

These limits are the most **we** will pay even if there are several claims against **you** relating to the one (1) **event**.

We provide the following Optional Insurances when requested by **you**, when **you** pay any additional premium required and when shown on **your policy schedule**, subject to the General Exclusions on pages 67 to 71, the exclusions in any “We do not cover” section in Part 1 or Part 2 of this **policy** and any **endorsement**.

The Optional Insurances are available for Comprehensive cover only.

Optional Insurance 1 - Windscreen excess waiver only applies to certain types of **vehicle**.

We do not cover

This Optional Insurance does not apply if **your vehicle** is anything other than a car, utility, 4WD or van of not more than 2 tonne carrying capacity.
This Optional Insurance does not apply unless **you** are entitled to a maximum No Claim Bonus for **your vehicle**.

EXCESS

An **excess** is the amount **you** will have to pay for any claim made under this **policy**, unless stated otherwise. Please refer to General Claims Condition – Paying your excess for information about the options for paying the **excess**.

Excesses are cumulative and apply to all claims unless otherwise stated. For each **event**, or series of **events** arising from the one (1) originating cause, **you** will bear the amount of the **excess** in respect of each and every insured **vehicle**, unless stated otherwise.

Under Extra Cover 10 – Towing and storage of Part 1 of this **policy**, if **you** withdraw a claim or **we** refuse to accept it **you** do not have to pay an **excess**, however, **you** must refund any towing or storage costs **we** have incurred if **we** ask **you** to.

Under Extra Cover 11 – Hire vehicle after theft of Part 1 of this **policy**, if **you** withdraw a claim or **we** refuse to accept it **you** do not have to pay an **excess**, however, **you** must refund any hire costs **we** have incurred if **we** ask **you** to.

Under Additional Benefit 6 – Legal liability for caravans and trailers of Part 2 of this **policy**, the **excess** that applies is the one applicable to **your vehicle**.

The basic **excess** is specified in **your policy schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **PDS**) are detailed below on page 60 and 61. **You** might have to pay more than one type of **excess** when **you** claim. **You** must pay the **excesses** in full.

WHEN YOUR EXCESS WILL BE WAIVED IF THE DRIVER OF YOUR VEHICLE IS NOT AT FAULT

You do not pay any **excess** when **your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- a. another vehicle is involved in the **event**, and the driver of **your vehicle** is not at fault and **you** provide the name and address of the other driver at fault and the registration number of the other vehicle; or
- b. no other vehicle is involved in the **event**, and the driver of **your vehicle** is not at fault and **you** provide the name, address and phone number of the person at fault.

A failure to provide this information means **we** will not be able to waive **your excess**. It does not otherwise impact the cover under **your policy** for **loss** or **damage** to **your vehicle** under this **policy**. However, if **your vehicle** is insured for Legal Liability, Fire and Theft or Legal Liability only, then cover for **loss** or **damage** to **your vehicle** under Additional Benefit 1 – Damage by uninsured drivers of Part 2 of this **policy** is only provided if **you** provide the name and address of the at fault driver and the registration number of the vehicle involved.

The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following should be used as a general guide only. **You** should consider all examples as each example covers different benefits and scenarios.

All amounts are shown in Australian dollars and are GST inclusive unless indicated otherwise. **You** should read the **PDS** and Policy Wording and **your policy schedule** for full details of what **we** cover as well as what **policy** limits, conditions and exclusions apply.

Example: Total loss – Market value

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**. The basic **excess** is \$500. The **vehicle** is **damaged** in an accident and the cost of repair is \$20,000.

The **market value** is determined as follows:

The **vehicle** is an 8 year old sedan in poor condition. A motor vehicle guide records the value is \$20,000 for good condition. The **market value** is \$15,000 (GST inclusive). The **vehicle** contains no modifications or accessories and it is a **total loss**.

How much we pay		Further information
Market value	\$15,000	The vehicle is a total loss with a market value of \$15,000. In this case the vehicle is a total loss since it is not economical to repair. Normally a vehicle is a total loss if the complete repair cost exceeds its market value less its salvage value.
Less input tax credit	-\$1,364	If you are registered for GST and entitled to an input tax credit (ITC) we will deduct this entitlement. In this example you are entitled to a full ITC (100%). We will not deduct this entitlement if your vehicle is insured for agreed value .
Less outstanding premium	-\$300	If you paid your premium by monthly instalments, we will deduct the remaining instalments for the period of insurance . In this example, there are three monthly instalments of \$100 each remaining when the total loss occurs.
Less excess	-\$500	Only the basic excess applies in this example. We deduct this from the amount we pay to you .
Total claim	\$12,836	We would normally pay this amount directly to you in a total loss situation.
Plus lease payout	\$2,200	If, instead of owning your vehicle outright, your vehicle was purchased under a finance lease and the amount owing was \$17,200 (excluding any payments in arrears and resulting interest), we will pay the difference between the amount owing under the finance arrangement and the market value (\$17,200 – \$15,000). This Extra Cover has a limit of 20% of the market value (\$3,000).

Less input tax credit	-\$200	In this example you are entitled to a full input tax credit (100%).
Total claim	\$14,836	We would normally pay the claim directly to your financier and not to you in circumstances of a lease payout. You pay your financier any amounts left owing.

If the **vehicle** in the above example was less than 2 years old at the time of the **event**, instead of paying the previous claim **you** can choose to accept a replacement **vehicle** including similar accessories and parts plus on-road costs e.g. registration, compulsory third party, pre-delivery. **You** must pay the **excess** to the dealership that has provided the replacement **vehicle** or **us**.

If the **vehicle** salvage is valued at \$1,000, the salvage becomes our property and **we** are entitled to keep the \$1,000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless **you** obtain these refunds directly in which case **we** will deduct these costs from the total claim above

Example: Total loss – Agreed value

A utility that has a carrying capacity of not more than 2 tonnes is comprehensively insured for an **agreed value** of \$45,000. The **vehicle** is **damaged** in an accident that was not **your** fault and **you** have identified the at fault party and provided all their details that we require.

The cost of repair of **your vehicle** is \$50,000 and it is a **total loss**. The **vehicle** is not subject to finance. The basic **excess** is \$500.

How much we pay		Further information
Agreed value	\$45,000	The vehicle is a total loss with an agreed value of \$45,000. In this case the vehicle is a total loss since it is uneconomical to repair. Normally a vehicle is a total loss if the complete repair cost exceeds its agreed value less salvage value.
Less input tax credit	\$0	We do not deduct any input tax credit when your vehicle is comprehensively insured for agreed value .
Less excess	\$0	No basic excess applies in this example as the accident was not your fault and you have provided all the details of the at fault party that we require.
Total claim	\$45,000	We would normally pay the total claim amount directly to you in a total loss situation, unless your vehicle is subject to finance.

If the **vehicle** salvage is valued at \$10,000, the salvage becomes **our** property and **we** are entitled to keep the \$10,000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless these refunds are paid to **you** directly in which case **we** will deduct these costs from the total claim.

Example: Partial loss

A **vehicle** that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**, in this case \$12,000. The **vehicle** is stolen and subsequently recovered, **damaged**, 13 days after its theft. The cost of repairs is \$5,500. The basic **excess** is \$500.

How much we pay		Further information
Damage to vehicle	\$5,500	In this case the vehicle is safe and economical to repair.
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay the excess directly to the repairer.
Total claim	\$5,000	We would normally pay this amount directly to the repairer in a partial loss situation.

If **personal effects** to the value of \$350 are also stolen during the theft:

Plus personal effects	+\$350	Even though you are registered for GST and entitled to an input tax credit , the amount we pay you for personal effects will include GST. Personal effects cover is limited to \$1,000 per event . This Extra Cover's sub-limit is in addition to the market value of the vehicle .
Less input tax credit	\$0	We do not deduct an input tax credit from payments for personal effects .
Total claim	\$5,350	We normally pay the \$350 for personal effects to you (and the remaining \$5,000 directly to the repairer).

If a hire **vehicle** of a similar type for a cost of \$100 per day is arranged by **us**:

Plus vehicle hire cost	+\$1,700	The cost per day multiplied by the number of days until the vehicle is repaired is 17 x \$100 (it takes 4 days to repair it). This benefit has a limit of up to 30 days and we will not pay more than \$3,000 if the vehicle is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity. This Extra Cover would not apply if the vehicle was damaged in an accident instead of being stolen, unless you also selected Optional Insurance 2 - Rental vehicle after accident.
Total claim	\$7,050	We normally pay the \$1,700 for vehicle hire directly to the hire company (the \$350 to you and the \$5,000 to the repairer).

Example: How underinsurance applies to partial loss claims

Your vehicle, a truck, is damaged.

Your vehicle's sum insured is \$70,000 and the cost to repair **damage** is \$10,000.

Your vehicle's market value is \$100,000 and is therefore insured for 70% of its **market value**. The underinsurance condition applies to the repair costs because it is insured for less than 80% of its **market value**.

There is a basic **excess** of \$500 on **your policy**.

How much we pay		Further information
Damage to vehicle	\$10,000	In this case the vehicle is safe and economical to repair.
After underinsurance	\$8,750	Sum insured \$70,000 X <u>repair costs</u> \$10,000 80% of market value \$80,000
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay the excess directly to the repairer.
Total claim	\$8,250	We would normally pay this amount directly to the repairer in a partial loss situation.
Amount you pay	\$1,750	You pay this amount, usually directly to the repairer. This amount includes the excess .

Example: Legal liability

A **vehicle** is insured for Legal Liability Cover only. The **vehicle** is involved in an accident and the other driver claims that the driver of **your vehicle** has a **legal liability** for the accident. The **damage** to the other vehicle would be assessed by a court at \$12,500. There is a basic **excess** of \$500 on **your policy**. The legal costs to defend **your legal liability** are \$3,000.

How much we pay		Further information
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	-\$500	Only the basic excess applies in this example. Normally you pay this amount to us .
Plus our legal costs	+\$3,000	We incur and do not charge you for these costs.
Total claim	\$15,000	

If the driver of **your vehicle** was not at fault and the driver of the other **vehicle** was at fault but was not insured, and **you** provide **us** with the details of the other driver. The basic **excess** is \$500. For the purposes of this example it is assumed that **your vehicle** is covered for Legal Liability Cover only.

Damage by uninsured drivers Additional Benefit	\$4,500	Your vehicle is not covered for own damage because Legal liability only cover was purchased. However, the damage by uninsured drivers Additional Benefit provides limited cover in these circumstances for up to \$5,000. For the purposes of this example, the damage to your vehicle will cost more than its market value of \$4,500. It is not repairable and is a total loss .
Less input tax credit	-\$409.09	If you are registered for GST and entitled to an input tax credit (ITC) we will deduct this entitlement. In this example you are entitled to a full ITC (100%).
Less excess	-\$500	Only the basic excess applies in this example. We deduct this from the amount we pay you .
Less residual value of wreck	-\$500	The remaining value of your damaged vehicle . We deduct this from the amount we pay you .
Total claim	\$3,090.91	We normally pay this directly to you . You will keep the damaged vehicle .
