1. What is a Target Market Determination?

A Target Market Determination (TMD) is a determination that GIO has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists GIO staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. What product does this TMD apply to?

This TMD applies to the GIO Professional Business Protect - Product Disclosure Statement (PDS) & Policy Wording and any Supplementary Product Disclosure Statement (SPDS) we may issue.

3. What are the key attributes of this product?

The GIO Professional Business Protect product offers a range of 11 policy sections that a Customer may select from to match their business insurance requirements. Each policy section is underwritten and quoted on an offer and acceptance basis in accordance with our underwriting rules. These underwriting rules also set out which policy sections are mandatory, and which are available depending on the Customer's circumstances.

The product has four policy sections that are the subject of this TMD:

| Cover | This product provides: |
|------------------------------------|---|
| Policy Section 1 – Property Damage | <ul style="list-style-type: none">• cover for accidental loss of, or damage to, property used in the Customer's business from a variety of causes including but not limited to events such as fire, lightning and explosion. It also provides a number of Extra Covers and Additional Benefits related to the Customer's business property. <p>Property that can be insured includes the buildings, contents and stock that the Customer use or are responsible for as part of the Customer's business. This policy section does not cover events such as theft or disease outbreak. Cover for money is available under a separate policy section. Cover for flood is available as an Optional Cover.</p> |
| Policy Section 2 – Theft | <ul style="list-style-type: none">• cover for loss of, or damage to, the Customer's contents, stock and specified items due to theft. It also provides Extra Covers and Additional Benefits related to the theft of the Customer's property;• limited cover for the theft of parts of the building such as electrical equipment that may be attached to the outside walls or roof; and• cover for tangible property and does not insure property such as cryptocurrency or events such as the hacking of computer systems. |

| Cover | This product provides: |
|--------------------------------------|--|
| Policy Section 3 – Glass | <ul style="list-style-type: none"> cover for the breakage of fixed glass at the insured premises; and an Additional Benefit to cover damage to plastic or Perspex signs at the premises. |
| Policy Section 11 – Commercial Motor | <ul style="list-style-type: none"> cover for vehicles used in the Customer’s business. <p>The Customer may choose between three (3) different types of cover for each vehicle they insure:</p> <ol style="list-style-type: none"> Comprehensive cover which covers the accidental damage to the Customer’s vehicle and includes Legal Liability cover; Legal Liability, Fire and Theft cover which covers the vehicle against a specific range of insured events and includes Legal Liability cover; or Legal Liability only cover which covers supplementary bodily injury and damage to third party property liability only. |

The following policy sections are available under the policy, but are not the subject of this TMD:

Policy Section 4 - Money

Policy Section 5 - Business Interruption

Policy Section 6 - Public and Products Liability

Policy Section 7 - Management Liability

Policy Section 8 - Portable and Valuable Items

Policy Section 9 - Equipment Breakdown

Policy Section 10 - Tax Probe

- the product provides cover for the types of loss, damage or liability that Customers in the target market are seeking to insure against;
- the product can be tailored to suit individual needs by allowing Customers flexibility to choose from a range of excesses, options and amounts of cover; and
- the target market for the product covers those Customers who are eligible to receive cover.

5. When will we review this TMD?

We will complete a review of this TMD for this product by no later than the following periods:

- a. First review period:
17/08/2023
- b. Ongoing review periods:
At least every 2 years following the first review period
- c. Significant impact review:
Within 1 year of the TMD being updated based on a Review Trigger, a significant dealing outside of target market or a material change to the product’s distribution channel.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance that materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occurs, and we consider that this reasonably suggests that this TMD is no longer

appropriate;

- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate;
- if we consider, through our ongoing monitoring of Product Value data metrics (such as those identified in Section 9 of this TMD), that material deviations have occurred in a combination of data metrics reasonably suggesting that the product is not providing value or the TMD is no longer appropriate.
