

GIO Workers Compensation – Tasmania

Declaration of Estimated Wages

The **Workers Rehabilitation and Compensation Act 1988** requires you to declare estimate wages for the renewal period of your workers compensation policy. This estimate is used to calculate your premium for the period of insurance specified below.

To help you complete this form we have enclosed two supporting documents for your reference.

Important Information and a **Definition of Wages Summary document**.

Please complete and return this form prior to your policy renewal.

Please select your payment method by ticking the boxes below.

Annual Half yearly Quarterly Monthly

*Note: To be eligible for the instalment options, your renewal premium has to be greater than \$2,000.

[]

If you are not renewing this policy you still need to confirm Employer Details (Section 2), the Statement by or on behalf of employer (Section 7) and return this form with the Declaration of Actual Wages Form. You do not need to provide estimated wages.

5. Estimated wage

Please enter the total estimate wages for each type of worker that you will employ during the period of insurance.

5.1 General employees

Include all workers except family members, working directors or contractors/subcontractors as you will declare these types of workers separately on this form.

Table with 3 columns: Description of work performed, Number of workers, Total estimated wages. Includes instructions to list separate work activities.

5.2 Working directors

See the Important Notices included with this form for information

Table with 3 columns: Name, Occupation, Total estimated wages.

5.3 Family members

See the Important Notices included with this form for information.

Members of the employer's family who live in the employer's home will not be covered unless their details are provided below.

Table with 4 columns: Name, Relationship to employer, Occupation, Total estimated wages.

6. Special Acceptance Questions

Does your business engage in any labour hire, aerial, underground, overseas, offshore or asbestos-handling activities? Yes No

If yes, please provide the following breakdown
