What is a Target Market Determination?

- describe the classes of customers for whom this Product has been designed;
- specify distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists GIO staff, our distributors and customers in understanding the target market for this Product. In this TMD, distribution includes the following conduct in relation to retail customers:

- dealing in the Product (e.g. issuing or arranging for insurance to be issued to a customer);
- giving a PDS or other regulated disclosure document; and
- providing general financial product advice in relation to the Product.

This TMD is not the PDS and is not a summary of the features or terms of the Product. For full details of the cover available in this Product, including the terms, conditions and exclusions that apply read the PDS which can be found at www.gio.com.au.
