1. What is a Target Market Determination?

A Target Market Determination (TMD) is a determination that GIO has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists GIO staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. What product does this TMD apply to?

This TMD applies to the building cover (and common contents cover if added to the policy) in the GIO Strata Insurance Product Disclosure Statement (PDS) and any Supplementary Product Disclosure Statement (SPDS) we may issue.

3. What are the key attributes of this product?

Summary of Key Product Attributes	<p>This product provides:</p> <ul style="list-style-type: none">• cover for accidental loss or damage to the Customer’s building (with the ability to add common contents cover) during the period of insurance caused by an incident. 4. What is the target market for this product?

This product is designed to be consistent with the likely objectives, financial situation and needs of Customers who:

Eligibility	<ul style="list-style-type: none">• require cover for a building (cover for common contents can be added if required by the Customer but cannot be purchased on its own), that is fully owner occupied and/or rented to tenants as their permanent residence. Cover is also available if the building is used for holiday rental, holiday letting, short term rental and home sharing schemes as long as the percentage of the overall building or complex used in this way meets our underwriting criteria;• require cover for a building this is either:<ul style="list-style-type: none">– a residential strata title property;– a community titled property; or– a residential property associated with a body corporate or owners corporation;• have an insured address that is located within an acceptable State or Territory; and• have a building that meets our underwriting criteria including:<ul style="list-style-type: none">– is located within an acceptable postcode;– is an acceptable building type;– is well maintained and in good condition; and– does not have commercial use premises within it and is not being used for any non-residential business activity.
Customer objectives, financial situation and needs	<ul style="list-style-type: none">• require and seek financial protection for accidental loss or damage to the Customer's building (with the ability to add cover for common contents), including for incidents like flood, storm, fire (including bushfire), escape of liquid, and impact;• require and seek legal liability cover for having to pay compensation for death or bodily injury to other people, or loss or damage to other people's property:<ul style="list-style-type: none">– in connection with the Customer's building, common contents, common areas or the scheme land or the Customer's land at the insured address; and– at the insured address.

This product is likely to be consistent with the objectives, financial situation and needs of the Customers in the target market because:

- the product provides cover for the types of loss or damage that Customers in the target market are seeking to protect against; and
- the target market for the product covers those Customers who are eligible to receive cover.

5. When will we review this TMD?

We will complete a review of this TMD for this product by no later than the following periods:

- a. First review period:
2 years after the original date of the TMD.
- b. Ongoing review periods:
At least every 2 years following the first review period.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occur, and we consider that this reasonably suggests that this TMD is no longer appropriate;
- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate.
- if we consider that the claims data for the product reasonably suggests that this TMD is no longer appropriate.

7. What distribution conditions apply to this product?

The following conditions apply to this product:

- those Distributors who distribute the product are required to be authorised by us to distribute this product and those arrangements must not be cancelled or suspended;
- this product must only be distributed in accordance with this TMD;
- distribution of this product must comply with all of our underwriting criteria;
- distribution of this product must be conducted through our contact centres and GIO Agencies pursuant to specific channel distribution requirements;
- this product cannot be distributed where this TMD is not up to date and no new TMD has been published; and
- the TMD must be current and not subject to any ASIC action that might suggest that the TMD is no longer appropriate.

These distribution conditions make it likely Customers who are issued the product are in the target market because they are supported by reasonably appropriate platform controls, training and scripting designed to ensure that the product is distributed to persons within the target market.

8. When do Third Party Distributors who distribute our products need to report complaints about this product to us?*

Third Party Distributors who distribute our products need to provide us information on complaints made about this product on a Quarterly basis (**Complaints Reporting Period**).

Third Party Distributors who distribute our products are required to provide to us this complaints information within 10 business days of the end of the Complaints Reporting Period.

All complaints lodged with us are handled in accordance with Suncorp's Group Complaint Management Standard.

*This section 8 only applies to products distributed by Third Party Distributors
